I've always fantasized about being put back in diapers. From my earliest memory, I've longed to be forced to wear diapers by a domineering woman. It's a part of myself I've tried for so long to repress or ignore, all to no avail. My overwhelming desire to be regressed and diapered has followed me my whole life. And it's a fantasy I've kept totally secret. That is, until the day I met her. She spotted me buying diapers at the grocery store. She called me out immediately for being the naughty diaper lover that I am. I had no idea at the time, but she was looking for someone like me. A diaper lover. That's because her fantasy has always been to transform someone like me into her full-time Little. But I soon discovered that she wasn't interested in half-measures. And when my fantasy became reality, I learned there was a whole lot more to it than I expected! Especially when it came to spankings, discipline, and messy diapers! Am I finally living my diaper dream? Or

have I been caught in a diaper nightmare! This full-length, erotic ABDL novella will have you on the edge from start to finish. It's full of corporal punishment, diaper discipline, humiliation, and some well-used diapers! For mature readers only!

Penelope Pansy visits many different places as part of her training as a sissy baby girl. She visits the changing table, the spanking chair, the cane and her highchair. Each 'visit' is an adventure of humiliation, submission and wet and dirty diapers as befits an infant sissy like her. And then she visits Aunt Jane and more ladies.

I was a rich teenager whose parents died in a plane crash and left me and my sister a two million dollar house and 10 million dollars. I then turned three young girls into French maid whores, for financial reasons and or immigration reasons they allowed this to happen. My story includes French maids, anal sex, oral sex, spankings, canings, whippings, strappings, domination and submission, corner time, and a great amount of humiliation, etc. My delight in training and punishing these three young women into submission eventually leads down a path that I wished that I never traveled. Then it was time for me to be punished for all my Bad Boy behavior. Now, I was turned into the French maid, the sissy maid. A continuing series of special, good and bad characters.

Hi, my name is Jack and my sister's name is Jill. Yes, we are Jack and Jill! As Jill and I were ready to go to college and start a new chapter in our lives, I can tell you this about how Jill and I were raised by our parents. Understanding that the first job of a parent is to protect their children and teach their children to be responsible adults, what could I say? Our parents did the best job that a parent could do. Both Jill and I are the most loving and obedient and smart and responsible kids anyone could ever want. We did not drink, gamble, sniff glue, smoke, take dope, or get pregnant. We both got great marks in school. Over the past five years, what I call, the hairbrush era Jill received only hairbrush spankings. That was not a lot over 5 years. Jill turned out to be such a confident and responsible young lady. I was even impressed with her. Mom taught her well and Jill learned well. Over that same five years, I was spanked 13 times with that hardwood hairbrush and I was caned that last time to total 14 times I was punished. However, that was only three times per year. I never was punished when I did not deserve to be punished, so I earned every one of those spankings. However, I turned out to be the most respectful and loving and nice son anyone could ask for. Yes, and obedient too. But, never once did I overthink that my Mom was mean to me or too hard on me. My Mom did what she had to do to get me though those growing years that were so much trouble for many of my friends. Looking back on all the pain and embarrassment and humiliation, I appreciated my Mom for caring enough to be my Mom and not my friend when I needed a Mom. Mom was my friend the rest of the time. Jill and I get along better than any other siblings we know. Jill and I truly care about one another and understand our perspective roles in our growing up process together. As a result, Jill got me a room in the same house she rented with a few other friends as their own personal college dorm. How great was this going to be, me and seven girls in the same house, I could not wait! ! ! ! ! ! ! ! ! You can read all about the hairbrush era in my first book; SISTER, SPANKINGS, SISSY MAID. A sissy maid missy sister series, part one. This Book is part two.
