Ramen Penguin

NEW YORK TIMES BESTSELLER • A seaside town helps one young woman reclaim the light after darkness in an uplifting novel from #1 New York Times bestselling author Debbie Macomber. “Romantic, warm, and a breeze to read—one of Macomber’s best.”—Kirkus Reviews Annie Marlow has been through the worst.

Rocked by tragedy, she heads to the one place that makes her happy: Oceanside in the Pacific Northwest, the destination of many family vacations when Annie was a teenager. Once there, Annie begins to restore her broken spirit, thanks in part to the folks she meets: a local painter, Keaton, whose large frame is equal to his big heart—and who helps Annie fix up her rental cottage by the sea; Mellie, the reclusive, prickly landlord Annie is determined to befriend; and Britt, a teenager with a terrible secret. But it is Keaton to whom Annie feels most drawn.

His quiet, peaceful nature offers her both comfort and reprieve from her grief, and the two begin to grow closer. Then events threaten to undo the idyll Annie has come to enjoy. And when the opportunity of a lifetime lands in her lap, she is torn between the excitement of a new journey toward success and the safe and secure arms of the haven—and the man—she’s come to call home. In this heartwarming tale, Annie finds that the surest way to fix what is damaged within is to help others rise above their pain and find a way to heal. Praise for *Cottage by the Sea*

“Macomber never disappoints. Tears and laughter abound in this story of loss and healing that will wrap you up and pull you in; readers will finish it in one sitting.”—Library Journal (starred review)

“Macomber’s story of tragedy and triumph is emotionally engaging from the outset and ends with a satisfying conclusion.

Readers will be most taken by the characters, particularly Annie, a heartwarming lead who bolsters the novel.”—Publishers Weekly

Cinder & Ella Penguin

Calibre is an ebook library manager. It can view, convert and catalog ebooks in most of the major ebook formats. It can also talk to many ebook reader devices. It can go out to the Internet and fetch metadata for your books. It can download newspapers and convert them into ebooks for convenient reading. It is cross platform, running on Linux, Windows and OS X.

"A must-read for anyone interested in the art of intuitively knowing what others feel." --Haemin Sunim, bestselling author of *The Things You Can See Only When You Slow Down* and *Love for Imperfect Things*

Improve your nunchi. Improve your life. The Korean sixth sense for winning friends and influencing people, nunchi (pronounced noon-chee) can help you connect with others so you can succeed in everything from business to love. The Power of Nunchi will show you how. Have you ever wondered why your less-skilled coworker gets promoted before you, or why that one woman from your yoga class is always surrounded by adoring friends? They probably have great nunchi. The art of reading a room and understanding what others are thinking and feeling, nunchi is a form of emotional intelligence that anyone can learn--all you need are your eyes and ears. Sherlock Holmes has great nunchi. Cats have great nunchi. Steve Jobs had great nunchi. With its focus on observing others rather than asserting yourself--it's not all about you!--nunchi is a refreshing antidote to our culture of self-promotion, and a welcome reminder to look up from your cell phone. Nunchi has been used by Koreans for more than 5,000 years. It's what catapulted their nation from one of the world's poorest to one of the richest and most technologically advanced in half a century. And it's why K-pop--an unlikely

global phenomenon, performed as it is in a language spoken only in Korea--is even a thing. Not some quaint Korean custom like taking off your shoes before entering a house, nunchi is the currency of life. The Power of Nunchi will show you how the trust and connection it helps you to build can open doors for you that you never knew existed. A PENGUIN LIFE TITLE

They represent how you're cooking today. Whether it's a trend-driven dish like a pastel glitter-bombed unicorn cake or a

classic like lasagna, every recipe has staying power. Now you can deliver on the promise of a great dish whenever the urge strikes. Get ready—your cooking is about to go viral.

Weber's Ultimate Grilling Pocket Star
A comprehensive survey of the therapeutic, historical, and cultural uses of cannabis in traditions around the world. • The most complete visual record of cannabis culture ever published. • Christian Ratsch is one of the world's foremost ethnopharmacologists and is the current president of the German Society for Ethnomedicine. *Marijuana Medicine* explores the role of hemp in medicinal systems spanning the globe. Cannabis has accompanied the development of human culture from its very beginnings and can be found in the healing traditions of cultures throughout Africa, Asia, Europe, and the Americas. Even today it is an important part of many Asian healing traditions: in Ayurveda cannabis is praised for its tonic and aphrodisiac qualities and in traditional Chinese medicine it is cited as a superb antidepressant. It also remains a significant part of the healing and visionary traditions of Latin American

curanderos and Brazilian, Nepalese, and Indian folk medicine. Modern research has confirmed the effectiveness of marijuana's application in treating such diseases as asthma and glaucoma. Christian Ratsch profiles the medicinal, historical, and cultural uses of cannabis in each of these societies and medical systems, providing remedies and recipes for those interested in how cannabis can be used to treat specific conditions.

Influence (rev) Grand Central Publishing
From Colleen Hoover, the #1 New York Times bestselling author of *It Starts with Us* and *It Ends with Us*, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize

they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

Deep Learning Cookbook Pearson Education

They killed the king. They pinned it on two men. They chose poorly. #13;#13;There's no ancient evil to defeat, no orphan destined for greatness, just two guys in the wrong place at the wrong time...Royce Melborn, a skilled thief, and his mercenary partner, Hadrian Blackwater make a profitable living carrying out dangerous assignments for conspiring nobles until they become the unwitting scapegoats in a plot to murder the king. Sentenced to death, they have only one way out--and so begins this epic tale of treachery and adventure, sword fighting and magic, myth and

legend.#13;#13;AWARDS#13;2009 National Indie Excellence Award Finalist#13;2008 ReaderViews Literary Award Finalist#13;2007 Foreword Magazine Book of the Year Finalist#13;Named One of the 2008 Notable Indie Books by Fantasy Book Critic #13;Named Top Five Fantasy of Books of 2009 by Dark Wolf's Fantasy Reviews#13;#13;ABOUT THE SERIES#13;The Crown Conspiracy is book one of the multi-book saga: The Riyria Revelations. Instead of a string of sequels, this six-book fantasy series was conceived as a single epic tale divided into individual novels. While one book may hint at building mysteries and thickening plots, these threads are not essential to reach a satisfying conclusion to the current episode--which has its own beginning, middle, and end. It should be noted that all six were written before the first was released to ensure continuity across a complex plot filled with twists, turns, and page-turning mysteries. Characterization occur across the whole series allowing readers to build friendships with likeable characters that are shaped as events unfold. The Riyria Revelations is written for

adults but has no sex and limited violence centered on swordplay and is therefore, appropriate for younger audiences and a movie version based on the novels would garnish a PG-13 rating.

The Rise of Magicks Carl-Auer Verlag What would you do if your anonymous Internet best friend turned out to be Hollywood's hottest celebrity? Cinder458: Your blogaversary is coming up, right? EllaTheRealHero: Do all those Hollywood friends of yours know you use words like blogaversary? Cinder458: Of course not. I need your address. Got you a blogaversary present. Cinder got me a gift? My heart flipped. Not that I was in love with my Internet best friend or anything. That would be utterly ridiculous. The boy was cocky and stubborn and argued with everything I said just to be infuriating. He also had lots of money, dated models- which meant he had to be hot-and was a closet book nerd. Funny, rich, hot, confident, book lover. Definitely not my type. Nope. Not at all. It's been almost a year since eighteen-year-old Ella Rodriguez was in a car accident that left her crippled, scarred, and without a mother. After a very difficult recovery,

she's been uprooted across the country and forced into the custody of a father that abandoned her when she was a young child. If Ella wants to escape her father's home and her awful new stepfamily, she must convince her doctors that she's capable, both physically and emotionally, of living on her own. The problem is, she's not ready yet. The only way she can think of to start healing is by reconnecting with the one person left in the world who's ever meant anything to her-her anonymous Internet best friend, Cinder.Hollywood sensation Brian Oliver has a reputation for being trouble. There's major buzz around his performance in his upcoming film The Druid Prince, but his management team says he won't make the transition from teen heartthrob to serious A-list actor unless he can prove he's left his wild days behind and become a mature adult. In order to douse the flames on Brian's bad-boy reputation, his management stages a fake engagement for him to his co-star Kaylee. Brian isn't thrilled with the arrangement-or his fake fiancée-but decides he'll suffer through it if it means he'll get an Oscar nomination. Then a surprise email from an old Internet

friend changes everything....With a heartwarming online celebrity romance reminiscent of Jennifer E. Smith's *This Is What Happy Looks Like*, bestselling young adult author Kelly Oram has struck gold with her new adult contemporary retelling of the timeless fairytale classic *Cinderella*. "A story that has it all: tears, laughs, sparks and a drop-dead swoonworthy hero. Give it a while and DreamWorks will pick up this story for a movie adaption, no doubt." Anna Katmore, Author of *Play With Me & Neverland* "Both funny and heart-wrenching, *Cinder* and *Ella* will give you all the feels. It's the best twist on the *Cinderella* tale I have come across. I am not just a fan of Kelly Oram. I am an addict." Cassie Mae, author of *Switched & How To Hook A Bookworm* "*Cinder & Ella* is a beautiful modern-day fairytale with a great cast of characters that made me laugh and swoon. It had me staying up late at night to read just one more chapter, and at the end, I was left with a big grin on my face." Cindi Madsen, USA Today Bestselling Author of *Falling For Her Fiancé & Cinderella Screwed Me Over*

Hunan Page Two
 Picture a generous bowl filled to the brim with steaming hot broth. Its perfect surface intricately patterned with tiny droplets of oil; the flavour enhanced with algae, miso, dried fungi and fish sauce. Thin and springy noodles nestle in the base, while a sashimi-marinated cut of pork or chicken sits atop, the meat meltingly tender after up to 48 hours of simmering. A bobbing soya-marinated egg and an array of toppings add a colourful finishing touch. Tove Nilsson is a ramen

addict. Every time she travels abroad, she is looking for her next ramen fix – a large bowl filled to the brim with steaming hot broth that’s been simmering for up to 48 hours; flavours boosted with dried mushrooms, seaweed, miso and dried fish, and many other delicious things. There are few dishes as addictive and universally popular as ramen. From backstreet Tokyo diners to the hottest establishments in LA, via the chic laid-back ramen bars of London’s Soho, you will find the most complex of flavour combinations, all in a single bowl. Including 50 mouth-watering recipes, from homemade broth and noodles to complementary dishes and sides such as udon, gyoza, pickles, okonomiyaki, and tempura, this cookbook will transport you to the vibrant streets of Japan via your own kitchen.

Thirteen is the legal thriller Lee Child, Michael Connelly, and Ruth Ware are raving about and readers can’t put down. “Outstanding - an intriguing premise, a tense, gripping build-up, and a spectacular climax. This guy is the real deal. Trust me.” —Lee Child “A dead bang BEAST of a

book that expertly combines Cavanagh’s authority on the law with an absolutely great thrill ride. Books this ingenious don’t come along very often.” —Michael Connelly It’s the murder trial of the century. And Joshua Kane has killed to get the best seat in the house – and to be sure the wrong man goes down for the crime. Because this time, the killer isn’t on trial. He’s on the jury. But there’s someone on his tail. Former-conman-turned-criminal-defense-attorney Eddie Flynn doesn’t believe that his movie-star client killed two people. He suspects that the real killer is closer than they think – but who would guess just how close? “A brilliant, twisty, ingeniously constructed puzzle of a book. Steve Cavanagh pulls off an enviable premise with panache.” —Ruth Ware *How to Cook* John Wiley & Sons Reckless--Phoebe Layton had always imagined Gabriel Banner a brave and valiant knight, which was why she went to him when she was in desperate need of help. but when she lures her shining knight to a lonely midnight rendezvous, Phoebe finds herself sparring with a dangerously desirable man who is nothing like the hero of her dreams. She fears

she's made a dreadful mistake when Gabriel sweeps her into his arms and passionately embraces her. Yet it's a kiss that seals her fate. Now Gabriel must possess her -- even if he has to slay a dragon to do it! *A New York Times Bestseller

A dark secret hangs over the old rose
gardener's house in the village of Le
Variouf. And all the clues seem to point to
its inhabitants' past—to the years of World
War II, when the idyllic island of Guernsey
was occupied by German troops... The
young teacher Franca Palmer is at the end
of her rope. Her marriage is reaching a
crisis point, and she barely feels capable
of continuing to face the demands of her

career, her husband, and day-to-day life.
In a mad rush she leaves her comfortable
home in Berlin and flees to the island of
Guernsey in the English Channel; there
she rents herself a room in the old rose
gardener's house in the village of Le
Variouf. In a short time, a peculiar,
guarded friendship develops between her
and her host, Beatrice Shaye. The older
woman has lived on the charmingly
situated property for many years with
Helene Feldmann—tied together by fate in
a relationship that is marked with
repugnance and hatred. The two women
appear to be bound to one another in a
mysterious, incomprehensible way—dating
back to the year 1940, when during the

occupation of the Channel Islands by
German troops, Helene and her husband
Erich, a high-ranking officer, took Beatrice
in as if she was their own child. From the
beginning, the Feldmanns competed for
Beatrice's favor, all the more so since,
where his wife was concerned, Erich felt
only contempt. So it was that with his
death on May 1st, 1945, an agonizing
phase in both women's lives came to an
end. But nevertheless, a shadow still
hangs over the house. And one day,
another May 1st, there is again a death in
Le Variouf.
