Discover Earth as you've never seen it before, in this stunning and unique collection of satellite images that offer an unexpected look at our planet. A perfect gift for young National Geographic fans and atlas enthusiasts! When astronauts look down at our planet and see its vibrant surface shining against the blackness of space, they experience the Overview Effect--a sense of awe, an awareness that everything is interconnected, and an overwhelming desire to take care of our one and only home. Overview: Young Explorer's Edition, newly adapted for young readers from the adult book Overview, captures this sense of wonder and shares it with readers without having to leave the ground. Extraordinary aerial photographs reveal Earth's natural beauty and show the surprising, fascinating, and destructive ways humans have impacted our environment. This eye-opening visual journey will forever change the way we see our home planet.

Do you want to encourage your kids to develop life-changing prayer habits? It's never too early to instill a passion for prayer in your child. Pete Greig is a worldwide authority and the face of a generation when it comes to prayer. While you might expect him to be lofty and hard to understand, he is basically just a normal

guy who really, really loves talking with God. Based on his original book *How to Pray*, this children's version has been adapted in a language and style that kids can easily understand and relate to. Full of whimsical illustrations and fun, practical activities, *How to Pray: A Guide for Young Explorers* will help your child develop a deeper understanding of and appreciation for prayer. Kids ages 8-11 will learn about the life-changing practice of talking to God every day as Greig explains prayer in profound yet easy-to-understand ways. Teach your child the life-giving and life-changing power of prayer so that they can experience the amazing gift of talking with the God of the universe.
