for the Kommandant of

Auschwitz

This study explains the rise and evaluates the strength of the National Socialist Students' Association (NSDStB)

during the whole period of its existence from 1926 to 1945. Originally published in 1985. The Princeton Legacy Library uses the latest print-on-demand

technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton

Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

The Third Reich

Sourcebook Penguin UK Reproduces (translated into English) contemporary documents or writings with an introduction to each section.

The Autobiography of Rudolf Hoess U of Nebraska Press
Rudolf Hoss has been called the greatest mass

murderer in history. As the longest-serving commandant of Auschwitz, he supervised the killing of more than 1.1 million people. Unlike many of his Nazi colleagues who denied either knowing about or participating in the Holocaust, Hoss remorselessly admitted, both at the Nuremberg war crimes trial and in his memoirs, that he sent hundreds of thousands of Jews to their deaths in the gas chambers, frankly describing the killing process. His "innovations"

included the use of hydrogen cyanide (derived from the pesticide Zyklon B) in the camp's gas chambers. Hoss lent his name to the 1944 operation that gassed 430,000 Hungarian Jews in 56 days, exceeding the capacity of the Auschwitz's crematoria. This biography follows Hoss throughout his life, from his childhood through his Nazi command and eventual reckoning at Nuremberg. Using historical records and Hoss' autobiography,

it explores the life and mind of one of history's most notorious and sadistic individuals.

The House by the Lake

Palgrave Macmillan

No documentation of National Socialism can be undertaken without the explicit recognition that the "German Renaissance" promised by the Nazis culminated in unprecedented horror—World War II and the genocide of European Jewry. With *The Third Reich Sourcebook*, editors Anson Rabinbach and Sander L. Gilman present

a comprehensive collection of newly translated documents drawn from wide-ranging primary sources, documenting both the official and unofficial cultures of National Socialist Germany from its inception to its defeat and collapse in 1945. Framed with introductions and annotations by the editors, the documents presented here include official government and party pronouncements, texts produced within Nazi structures, such as the official Jewish Cultural

League, as well as documents detailing the impact of the horrors of National Socialism on those who fell prey to the regime, especially Jews and the handicapped. With thirty chapters on ideology, politics, law, society, cultural policy, the fine arts, high and popular culture, science and medicine, sexuality, education, and other topics, *The Third Reich Sourcebook* is the ultimate collection of primary sources on Nazi Germany.

 New perspectives on the
 relationship - or the
 perceived relationship -
 between the German
 language and the causes,
 nature, and legacy of
 National Socialism and
 the Shoah.

*A Supernatural History of
 the Third Reich* Da Capo
 Press

"I find it hard even now to
 get into focus all these
 horrors, my mind is really
 quite incapable of taking
 in everything I saw
 because it was all so

completely foreign to
 everything I had
 previously believed or
 thought possible." British
 Major Ben Barnett's words
 echoed the sentiments
 shared by medical
 students, Allied soldiers,
 members of the clergy,
 ambulance drivers, and
 relief workers who found
 themselves utterly
 unprepared to
 comprehend, much less
 tend to, the indescribable
 trauma of those who
 survived at the Bergen-
 Belsen concentration
 camp. The liberation of
 Bergen-Belsen by the

British in April 1945 was a
 defining point in history:
 the moment the world
 finally became
 inescapably aware of the
 Holocaust. But what
 happened after Belsen
 was liberated is still a
 matter of dispute. Was it
 an epic of medical
 heroism or the
 culmination of thirteen
 years of indifference to
 the fate of Europe's Jews?
 This startling investigation
 by acclaimed
 documentary filmmaker
 and historian Ben
 Shephard draws on an
 extraordinary range of

materials—contemporary diaries, military documents, and survivors' testimonies—to reconstruct six weeks at Belsen beginning on April 15, 1945, and reveals what actually caused the post-liberation deaths of nearly 14,000 concentration camp inmates who might otherwise have lived. Why did it take almost two weeks to organize a proper medical response? Why were the medical teams sent to Belsen so poorly equipped? Why, when specialists did

arrive, did they get so much of the medicine plain wrong? For the first time, Shephard explores the humanitarian and medical issues surrounding the liberation of the camp and provides a detailed, illuminating account that is far more complex than had been previously revealed. This gripping book confronts the terrifying aftermath of war with questions that still haunt us today. *Sons and Soldiers* Macmillan
From the bestselling author of the forthcoming

WHITE DEBT, a major piece of British history 'I was riveted' Nigella Lawson
[The True Story of the German Jew Who Tracked Down and Caught the Kommandant of Auschwitz](#) Windmill Books
When Thomas Harding discovered that his mother's family had made money from plantations worked by enslaved people, what began as an interrogation into the choices of his ancestors soon became a quest to learn more about Britain's role in slavery. It was a

history that he knew surprisingly little about - the myth that we are often taught in schools is that Britain's role in slavery was as the abolisher, but the reality is much more sinister. In *WHITE DEBT*, Harding vividly brings to life the story of the uprising by enslaved people that took place in the British colony of Demerara (now Guyana) in the Caribbean in 1823. It started on a small sugar plantation called 'Success' and grew to become a key trigger in the abolition of slavery

across the empire. We see the uprising through the eyes of four people: the enslaved man Jack Gladstone, the missionary John Smith, the colonist John Cheveley, and the politician and slaveholder John Gladstone, father of a future prime minister. Charting the lead-up to the uprising right through to the courtroom drama that came about as a consequence, through this one event we see the true impact of years of unimaginable cruelty and incredible courage writ large. Captivating, moving

and meditative, *WHITE DEBT* combines a searing personal quest with a deep investigation of a shared history that is little discussed amongst White people. It offers a powerful rebuttal of the national amnesia that masks the role of the British in this devastating period, and asks vital questions about the legacy we have been left with - cultural, political and moral - and whether future generations of those who benefited from slavery need to acknowledge and take

responsibility for the White Debt.

'Buy it. Read it. Act on it. Your world will never be the same again.' --Charles Secrett, Director, Friends of the Earth

The Demerara Uprising and Britain's Legacy of Slavery Prometheus Books

"Brilliantly written, vivid, a powerful and often uncomfortable true story that deserves to be read and remembered. It beautifully captures the

strength of the bond between a father and son."--Heather Morris, author of #1 New York Times bestseller *The Tattooist of Auschwitz* The #1 Sunday Times bestseller—a remarkable story of the heroic and unbreakable bond between a father and son that is as inspirational as *The Tattooist of Auschwitz* and as mesmerizing as *The Choice*. Where there is family, there is hope In 1939, Gustav Kleinmann, a Jewish upholster from Vienna, and his sixteen-year-old son Fritz are

arrested by the Gestapo and sent to Germany. Imprisoned in the Buchenwald concentration camp, they miraculously survive the Nazis' murderous brutality. Then Gustav learns he is being sent to Auschwitz—and certain death. For Fritz, letting his father go is unthinkable. Desperate to remain together, Fritz makes an incredible choice: he insists he must go too. To the Nazis, one death camp is the same as another, and so the boy is allowed to follow. Throughout the six years

of horror they witness and immeasurable suffering they endure as victims of the camps, one constant keeps them alive: their love and hope for the future. Based on the secret diary that Gustav kept as well as meticulous archival research and interviews with members of the Kleinmann family, including Fritz's younger brother Kurt, sent to the United States at age eleven to escape the war, *The Boy Who Followed His Father into Auschwitz* is Gustav and Fritz's story—an extraordinary

account of courage, loyalty, survival, and love that is unforgettable. *Lost Stories from the Holocaust's Long Reach Into Arab Lands* Jonathan Cape
 “A dense and scholarly book about . . . the relationship between the Nazi party and the occult . . . reveals stranger-than-fiction truths on every page.”—Daily Telegraph
 The Nazi fascination with the occult is legendary, yet today it is often dismissed as Himmler's personal obsession or wildly overstated for its

novelty. Preposterous though it was, however, supernatural thinking was inextricable from the Nazi project. The regime enlisted astrology and the paranormal, paganism, Indo-Aryan mythology, witchcraft, miracle weapons, and the lost kingdom of Atlantis in reimagining German politics and society and recasting German science and religion. In this eye-opening history, Eric Kurlander reveals how the Third Reich's relationship to the supernatural was far from straightforward.

Even as popular occultism and superstition were intermittently rooted out, suppressed, and outlawed, the Nazis drew upon a wide variety of occult practices and esoteric sciences to gain power, shape propaganda and policy, and pursue their dreams of racial utopia and empire. “[Kurlander] shows how swiftly irrational ideas can take hold, even in an age before social media.”—The Washington Post “Deeply researched, convincingly authenticated, this

extraordinary study of the magical and supernatural at the highest levels of Nazi Germany will astonish.”—The Spectator “A trustworthy [book] on an extraordinary subject.”—The Times “A fascinating look at a little-understood aspect of fascism.”—Kirkus Reviews “Kurlander provides a careful, clear-headed, and exhaustive examination of a subject so lurid that it has probably scared away some of the serious research it merits.”—National Review *Vlkisch Writers and*

National Socialism Melville House
The Man Who Broke into Auschwitz is the extraordinary true story of a British soldier who marched willingly into the concentration camp, Buna-Monowitz, known as Auschwitz III. In the summer of 1944, Denis Avey was being held in a British POW labour camp, E715, near Auschwitz III. He had heard of the brutality meted out to the prisoners there and he was determined to witness what he could. He hatched a plan to swap

places with a Jewish inmate and smuggled himself into his sector of the camp. He spent the night there on two occasions and experienced at first-hand the cruelty of a place where slave workers, had been sentenced to death through labor. Astonishingly, he survived to witness the aftermath of the Death March where thousands of prisoners were murdered by the Nazis as the Soviet Army advanced. After his own long trek right across central Europe he was

repatriated to Britain. For decades he couldn't bring himself to revisit the past that haunted his dreams, but now Denis Avey feels able to tell the full story—a tale as gripping as it is moving—which offers us a unique insight into the mind of an ordinary man whose moral and physical courage are almost beyond belief. *The Untold Story of the Jews Who Escaped the Nazis and Returned with the U.S. Army to Fight Hitler* Random House
WINNER OF THE WINGATE

PRIZE The “compelling,” untold story of the man who brought one of Nazi Germany’s most notorious war criminals to justice—“fascinates and shocks” (The Washington Post). May 1945. In the aftermath of the Second World War, the first British War Crimes Investigation Team is assembled to hunt down the senior Nazi officials responsible for the greatest atrocities the world has ever seen. One of the lead investigators is Lieutenant Hanns Alexander, a German Jew who is now serving in the

British Army. Rudolf Höss is his most elusive target. As Kommandant of Auschwitz, Höss not only oversaw the murder of more than one million men, women, and children; he was the man who perfected Hitler's program of mass extermination. Höss is on the run across a continent in ruins, the one man whose testimony can ensure justice at Nuremberg. Hanns and Rudolf reveals for the very first time the full, exhilarating account of Höss's capture, an

encounter with repercussions that echo to this day. Moving from the Middle Eastern campaigns of World War I to bohemian Berlin in the 1920s to the horror of the concentration camps and the trials in Belsen and Nuremberg, it tells the story of two German men—one Jewish, one Catholic—whose lives diverged, and intersected, in an astonishing way. This is "one of those true stories that illuminates a small justice in the aftermath of the Holocaust, an event so

huge and heinous that there can be no ultimate justice" (New York Daily News).

White Debt Open Road + Grove/Atlantic

In 1940, the German sons and daughters of great Nazi dignitaries Himmler, Göring, Hess, Frank, Bormann, Speer, and Mengele were children of privilege at four, five, or ten years old, surrounded by affectionate, all-powerful parents. Although innocent and unaware of what was happening at the time, they eventually

discovered the extent of their father's occupations: These men—their fathers who were capable of loving their children and receiving love in return—were leaders of the Third Reich, and would later be convicted as monstrous war criminals. For these children, the German defeat was an earth-shattering source of family rupture, the end of opulence, and the jarring discovery of Hitler's atrocities. How did the offspring of these leaders deal with the aftermath of

the war and the skeletons that would haunt them forever? Some chose to disown their past. Others did not. Some condemned their fathers; others worshipped them unconditionally to the end. In this enlightening book, Tania Crasnianski examines the responsibility of eight descendants of Nazi notables, caught somewhere between stigmatization, worship, and amnesia. By tracing the unique experiences of these children, she probes at the relationship

between them and their fathers and examines the idea of how responsibility for the fault is continually borne by the descendants.

With his Inspector Troy series, John Lawton has been compared to top historical espionage writers such as John le Carre and Len Deighton. Brilliantly re-creating London in the time of ration tickets and bread lines, *Bluffing Mr. Churchill* is a blistering page-turner. It is 1941.

Wolfgang Stahl, an American spy operating undercover as an SS officer, has just fled Germany with Hitler's henchmen on his trail. Stahl's man in the American embassy, the shy and sheltered Calvin M. Cormack, is teamed with a boisterous MI5 officer, Walter Stilton, to find the spy and bring him to safety. Their investigation takes them across war-torn London, and in Cormack's case, into the arms of Kitty, his partner's rambunctious daughter. As Cormack and

Stilton close in on Stahl, bodies begin turning up — and the duo realize they may not be the only ones in pursuit of the spy. When his partner is suddenly murdered, Cormack must turn to the ingenious devices of his lover Kitty's old flame — Sergeant Troy of Scotland Yard. Together, they investigate the trail of murders and come to a horrifying realization — are Cormack and his spy being played by one of their own in the American embassy? Hanns and Rudolf Simon

and Schuster
#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence

for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be

life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF. Among the Righteous John Wiley & Sons This book provides a view of literary life under the Nazis, highlighting the ambiguities, rivalries and conflicts that determined the cultural climate of that period and beyond. Focusing on a group of writers - in particular,

Hans Grimm, Erwin Guido Kolbenheyer, Wilhelm Schafer, Emil Strauss, Borries Freiherr von Munchhausen and Rudolf Binding - it examines the continuities in <volkisch-nationalist thought in Germany from c. 1890 into the post-war period and the ways in which <volkisch-nationalists identified themselves in opposition to four successive German regimes: the <Kaiserreich, the Weimar Republic, the Third Reich and the Federal Republic.

Although their work predated Hitler's National Socialist movement, their contribution to preparing the cultural climate for the rise of Nazism ensured them continued prominence in the Third Reich. Those who survived into the post-war era continued to represent the <lt>volkisch-nationalist worldview in the West German public sphere, opposing both the Soviet and liberal-democratic models for Germany's future. While not uncontroversial, they

were able to achieve significant publishing success, suggesting that a demand existed for their works among the German public, stimulating debate about the nature of the recent past and its effect on Germany's cultural and political identity and position in the world." *Germany's Uncertain Power* Yale University Press
Seventy years ago Joe Rubinstein walked out of a Nazi concentration camp. Until now, his story has been hidden from the world. Shortly before dawn

on a frigid morning in Radom, Poland, German soldiers forced twenty-one year-old Icek "Joe" Rubinsztein onto a crowded, open-air truck. The next day, several around him were dead. From there, things got worse for young Joe-- much worse. Joe arrived at Auschwitz on April 30, 1942. Only now, in his nineties, has he revealed how he survived several of the most notorious concentration camps when so many others perished. His is a remarkable narrative--a

unique story of endurance and courage. Barefooted when he was seized by the Nazis, Joe became one of New York's leading shoe designers--working with companies whose shoes were sought after by First Ladies and movie stars alike. Joe's story bears witness to the ultimate triumph of the human spirit. While the Nazis took everything else, they were unable to take his unassailable joy. Joe's story is one of discovering light in the darkest of places, an inspiration for us all.
