 From the bestselling, award-winning author of You Are Awesome comes the much-anticipated follow-up, Dare to Be You. What would you dare to try if you stopped worrying about fitting in? If you're the kind of person who thinks: I don't like standing out from the crowd ... I wish I could be more like the cool kids ... There's no point trying to change things ... then this book is for

you. Because guess what? There's no such thing as normal. Drawing examples from sport, science and even business, Dare to Be You empowers young readers to follow their own path, love what makes them different and question the world around them. With You Are Awesome's trademark mix of hilarious text, stylish illustration, personal insights and inspiring real-life examples, including

Greta Thunberg and Malala Yousafzai, Matthew Syed introduces children to the power of diverse thinking. When you stop doubting yourself, embrace change and let your kindness loose, you become your own action hero. This groundbreaking, practical and positive book will help kids develop the inner confidence to grow into happy adults who know - and, more

importantly, LIKE - themselves. Praise for You Are Awesome, children's book of the year 2019 and Sunday Times no. 1 bestseller: "A very funny and inspiring read! Brilliantly practical with a wide variety of examples that make it relevant for both boys and girls (and adults)!" - Online customer review "Genuinely funny and engaging ... It's a must read." - Online customer

 Scholastic Inc. Joined by award-winning Mexican journalist Luis Nájera, leading organized-crime author Peter Edwards introduces a motley assortment of millennial bikers, gangsters and Mafia whose bloody trail of murders and schemes gone wrong led to the arrival in Canada of the world's most dangerous criminal organizations: the drug cartels of Mexico. A man

watching the Euro Cup on a restaurant patio is shot dead on a busy Sunday afternoon in Toronto. Another dies in a sidewalk ambush just outside a bustling college campus. Two men in a Vancouver hotel lobby are gunned down in an attack that sends an American soccer star scrambling for cover. In Mexico, a Canadian is killed at a Nuevo Vallarta coffee shop, his death barely

registering amidst the terrifying death tolls of President Calderón's war on drugs and the cartels' response; while a Montreal cop is beaten within an inch of his life in a Playa del Carmen nightclub. An infamous heckler from an NBA Toronto Raptors game turns up dead in a bullet-riddled car in a midtown lane-way. Throughout the 2010s, these and other

disparate acts of violence entered the public awareness like iso-lated tragedies—but there was nothing isolated about them. In this masterly investigation, veteran journalists Peter Edwards and Luis Nájera introduce readers to the common cause of a near-decade of chaos. Meet the Wolfpack, millennial-aged gangsters from across the spectrum of Canada's underworld.

Vying to fast-track their way into the criminal void left by the death of Montreal godfather Vito Rizzuto, the Wolfpack sought advantage in a steady supply of cocaine from El Chapo Guzmán's Sinaloa cartel, among the deadliest and most far-reaching of criminal organizations. The juniors had just stepped into the big leagues. This is the roiling landscape of The Wolfpack,

a brilliant examination of a time of criminal disruption and rapid adaptation, when one gang's unchecked ambition unwittingly gave away the most hotly contested corner of the Canadian underworld without a fight. Brazen criminal disruptors or entitled upstarts looking to get rich without paying their dues-- whatever you think of them, you will never forget the

Wolfpack. *Werewolf Smackdown* Scholastic Inc. For decades, distinct professional wrestling territories thrived across North America. Each regionally based promotion operated individually and offered a brand of localized wrestling that greatly appealed to area fans. Promoters routinely coordinated with associates in surrounding regions, and the

cooperation displayed by members of the National Wrestling Alliance made it easy for wrestlers to traverse the landscape with the utmost freedom. Dozens of territories flourished between the 1950s and late '70s. But by the early 1980s, the growth of cable television had put new outside pressures on promoters. An enterprising third-generation entrepreneur

who believed cable was his opportunity to take his promotion national soon capitalized on the situation. A host of novel ideas and the will to take chances gave Vincent Kennedy McMahon an incredible advantage. McMahon waged war on the territories and raided the NWA and AWA of their top talent. By creating WrestleMania, jumping into the pay-per-view field, and expanding across North America,

McMahon changed professional wrestling forever. Providing never-before-revealed information, *Death of the Territories* is a must-read for fans yearning to understand how McMahon outlasted his rivals and established the industry's first national promotion. At the same time, it offers a comprehensive look at the promoters who opposed McMahon, focusing on their noteworthy

power plays and embarrassing mistakes. *The Wolfpack* Scholastic Incorporated Readers who have devoured Captain Underpants, Wimpy Kid, and the works of Raina Telgemeier will love the high-energy, hilarious antics of the Foot family from one of the largest names in the UK. Step up to the challenge . . . win or shoes! Meet Ruby and Bear. Their dad has just invented the

most amazing thing ever -- flying shoes! But his horrible boss Wendy Wedge knows that entering flying shoes will guarantee the Golden Shoe Award, and she will do anything to win the trophy. Ruby and Bear must outwit a bully, infiltrate a shady company, and rescue their dad all while keeping the shoes hidden. This can only mean one thing. It's . . . shoe wars! The brand new, laugh-out-loud,

spectacular stand-alone story from multi-million copy bestselling author and illustrator Liz Pichon. *The Bad Guys Episode 12: the One?!* Scholastic Inc. Booker T. Huffman, 2013 WWE Hall of Famer and winner of thirty-five championship titles within WWE, WCW, and TNA, has once again paired up with best-selling coauthor Andrew William Wright to uncover Booker T's story from his

humble pro wrestling beginnings to becoming a global superstar and icon. Booker T: My Rise To Wrestling Royalty is Huffman's highly anticipated follow-up to the 2012 award-winning Booker T: From Prison To Promise, in which Booker detailed his turbulent coming-of-age on the streets of Houston, Texas. Revisit two hard-hitting decades with Booker T as he journeys through World

Championship Wrestling (WCW) and World Wrestling Entertainment (WWE). During this time he blazed a trail of pro wrestling success on a road that took him from his tag team days in Harlem Heat, with brother Stevie Ray (Lash), to his unparalleled singles career that drew millions around the world to WCW's Monday Nitro, and onward through his unforgettable matches that

led to his taking the throne as King Booker and becoming the FIVE-TIME, FIVE-TIME, FIVE-TIME, FIVE-TIME (and eventually six-time) world heavyweight champion. Top Secret Smackdown (Mac B., Kid Spy #3) Vintage Canada "Based on the screenplay by Marsha Griffin and Kacey Arnold." **High Life** Turtleback Books Family is family, no matter what it

looks like. Readers will cheer for this pitch-perfect story, just right for fans of such books as *The Great Gilly Hopkins* and *Fish in a Tree*. For as long as Robinson Hart can remember, it's just been her and Grandpa. He taught her about cars, baseball, and everything else worth knowing. But Grandpa's memory has been getting bad—so bad that he sometimes can't even remember Robbie's

name. She's sure that she's making things worse by getting in trouble at school, but she can't resist using her fists when bullies like Alex Carter make fun of her for not having a mom. Now she's stuck in group guidance—and to make things even worse, Alex Carter is there too. There's no way Robbie's going to open up about her life to some therapy group, especially not

with Alex in the room. Besides, if she told anyone how forgetful Grandpa's been getting lately, they'd take her away from him. He's the only family she has—and it's up to her to keep them together, no matter what. Scholastic Inc. Seriously WHAT is going on with Snake? Terrifying powers! Evil allies! Inter-dimensional

doorways! WHAT IS HIS DEAL?! And that's not all! Why is Agent Fox suddenly so mysterious? Who IS she, exactly?! Dang it! We need answers! Wolf and the gang are back. And they're even more confused than YOU. The Bad Guys EPISODE 12. IT WILL MELT YOUR BRAIN... *The Bad Guys Episode 5 & 6* HarperCollins Former WWE head writer Brian Gewirtz brings readers behind the scenes for an

unprecedented look at the chaotic, surreal, unbelievable backstage world of the WWE. With untold stories from a career spanning over 15 years and featuring the biggest names and controversial moments in wrestling history, THERE'S JUST ONE PROBLEM is an honest, unflinching look on how an introverted life-long fan unexpectedly became one of the most powerful men in all of professional

wrestling. For decades wrestling was shrouded in secrecy. It had larger than life personalities, bone crunching physicality and jaw-dropping theatrics but backstage it was an industry devoid of outsiders. Then in 1999, after working together on a special for MTV, Dwayne “The Rock” Johnson turned to 26-year old television writer Brian Gewirtz and asked “You ever consider

writing for WWE?” That question, and its answer, would have a profound effect on both of their lives for years to come. THERE'S JUST ONE PROBLEM is a story about perseverance, tenacity, and steel chairs. Most writers in the WWE last for a matter of months; Gewirtz was there for over 15 years, writing some of most memorable and infamous storylines in WWE history (covering the “Attitude Era”,

the “Ruthless Aggression Era” and into the “PG” and “Reality” eras). Throughout this journey Gewirtz found himself becoming both friend and antagonist to some of the biggest names in WWE history – Stone Cold Steve Austin, John Cena, Stephanie McMahon, Bill Goldberg, Paul Heyman, Chris Jericho, Shawn Michaels, and the two men who he worked the most closely with WWE

Chairman Vince McMahon and Dwayne “The Rock” Johnson. These men not only shaped his life professionally but also personally, forcing him to grow and change both as a writer and a human being. So how does a lifelong fan and outsider break through to become the ultimate insider? How does a low- key personality deal directly with his boss, the most brash,	unpredictable “alpha male” on the planet, WWE Chairman Vince McMahon? How does one gain respect in a locker room that wants nothing more than to see him disappear? Where does one go when every year in wrestling takes you further away from the writing career you always wanted? Taking advice from his idol, the late “Rowdy” Roddy Piper, when you’re so full of fear,	there’s only one way to push through: become fearless. <u>WWE</u> <u>Championship</u> Scholastic UK The first comprehensiv e book on WWE’s hottest brand NXT: The Future Is Now follows the rise of WWE’s popular NXT brand from its conception to the brink of taking over WWE with its own rabid following. One old, one young. One grumpy, one cheerful. Both: **MONSTERS!** From the author of *Crabapple* Trouble comes a sweet and fun-filled

chapter-book graphic novel, with a charming cast of adorable monsters. Reggie's plan is to spend the whole summer brooding over his latest adventure gone wrong. But his friendly and curious neighbor, Emily, won't let him sit alone and unhappy in his house forever! Despite their differences, these two monsters make the perfect pair of explorers. And with a map to make, a beach party to plan, and a sea monster to find, Reggie will have to learn to talk about his feelings and let new friends in! With bright, gorgeous art by Kaeti Vandorn, *Monster Friends* features the cutest, fuzziest monsters you've ever seen. *Shoe Wars Bin Boy vs Step Dad* Throughout the history of the WWF, there have been times of prosperity and times of hardship, cycles that shape the ethos of the company by forcing changes to its infrastructure and on-screen direction. The one constant throughout three decades of change is Vincent Kennedy McMahon, the stalwart puppet-master who captains the ship. Unflinching, thick-skinned, and domineering, McMahon has ultimately outlasted all of his competition and come out on top of every

wrestling war he has waged. In 1995, he very nearly lost. Titan Sinking tells the tale of one of the most tumultuous, taxing and trying years in WWF history.
