*The Generall Historie of*

*Virginia, New England &  
the Summer Isles The  
Capitol Net Inc*

Capturing England's intoxication with a wider world through ballads, plays, and paintings; the stark reality of Jamestown, through the words of its inhabitants; and with archeological and environmental evidence, Kupperman recreates Jamestown's formative years with astonishing detail.

**A Briefe and True Report of the New Found Land of Virginia**

Stanford University Press  
In this history, Helen C. Roundtree traces events that shaped the lives of the Powhatan Indians of Virginia, from their first encounter with English colonists, in 1607, to their present-day way of life and relationship to the state of Virginia and the federal government. Roundtree's examination of those four hundred years misses not a beat in the pulse of Powhatan life. Combining meticulous scholarship and sensitivity, the author explores the diversity always found among Powhatan people, and those people's relationships with the English, the government of the fledgling United States, the Union and the Confederacy, the U.S. Census Bureau, white supremacists, the U.S.

Selective Service, and the civil rights movement.  
*America's History* Walch Publishing

Equip your students to excel on the AP® United States History Exam, as updated for 2016  
Features "flexibility designed to use in a one-semester or one-year course "divided into nine chronological periods mirroring the structure of the new AP® U.S. College Board Curriculum Framework, the text reflects the Board's effort to focus on trends rather than isolated facts "each period features a one-page overview summarizing the major developments of the period and lists the three featured Key Concepts from the College Board Curriculum Framework "each Think As a Historian feature focuses on one of the nine historical thinking skills that the AP® exam will test "each chapter narrative concludes with Historical Perspectives, a feature that addresses the College Board emphasis on how historians have interpreted the events of the chapter in various ways "the chapter conclusion features a list of key terms, people, and events organized by theme, reflecting the

College Board's focus on asking students to identify themes, not just events  
"chapter assessments include eight multiple-choice items, each tied to a source as on the new AP® exam, as well as four short-answer questions  
"period reviews include both long-essay questions and Document-Based Questions in the format of those on the AP® exam, as updated for 2016  
*The Other Side of History* Greenwood Publishing Group

When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes separated from his family and must walk with other Dinka tribe members through southern Sudan, Ethiopia and Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan. By a Newbery Medal-winning author.

**The Powhatan Indians of Virginia Through Four Centuries**

Oxford University Press, USA  
"A gripping account of a fascinating woman and the role she played in the shaping of America."—TONY HILLERMAN AMERICA'S FOUNDING MOTHER In striking counterpoint to

the conventional account, Pocahontas is a bold biography that tells the extraordinary story of the beloved Indian maiden from a Native American perspective. Dr. Paula Gunn Allen, the acknowledged founder of Native American literary studies, draws on sources often overlooked by Western historians and offers remarkable new insights into the adventurous life and sacred role of this foremost American heroine. Gunn Allen reveals why so many have revered Pocahontas as the female counterpart to the father of our nation, George Washington. "This first-rate biography of Pocahontas, one of the most important and elusive women in American history, ought to be required reading."—N. SCOTT MOMADAY, author of the Pulitzer Prize-winning *House Made of Dawn* "A fascinating study of the life and times of one of the most famous and at the same time least-known American women. I urge everyone to read this great eye-opener and monumental work."—ROBERT J. CONLEY, author of *Sequoyah* "Nothing less than a watershed event in

the historiography of the Americas—not to mention one of the wittiest and wisest biographies I have ever read."—THE NEW YORK SUN "Gunn Allen attempts to place Pocahontas firmly in her Algonquin world and tell her story honoring the oral tradition of which Pocahontas was a part."—CLEVELAND PLAIN DEALER "[In] Ms. Allen's spirited revision, [she] insists that Pocahontas cannot be understood except within an Algonquin Indian context."—WALL STREET JOURNAL "[F]ascinating and provocative . . . [Gunn Allen's] book gives powerful insight into the relationship between Native Americans, American colonists, and the British."—TIKKUN

**A Land As God Made It**  
Wentworth Press

In the summer of 1783, at the end of the American Revolution, several thousand Black men, women and children left New York City with the British Army, bound by ship for Nova Scotia. Now uniformly called "Black Loyalists", regardless of their status at leaving New York, theirs is a rich and fascinating history. One of the most well-documented of these Black Loyalists was a man

named Boston King, born a slave to Richard Waring, a rice-planter in South Carolina. King experienced a religious revelation while in Nova Scotia, and became a Methodist preacher; he went to Sierra Leone in 1792 to spread the Gospel; and from there was invited to England to study at a Methodist school. While there, he wrote the story of his life and conversion. This was published in the *Methodist Magazine* of the times. Thus survived one of only three autobiographies of a Black Loyalist, full of details of the Loyalist settlement of Nova Scotia. It is reprinted here as "Memoirs of the Life of Boston King, a Black Preacher," edited by Ruth Holmes Whitehead and Carmelita Robertson. An introduction by Ruth Holmes Whitehead presents new research findings about King's life, and her Afterword examines particularly his life as a slave on the Waring Plantation, near Charleston, SC. Whitehead and Robertson revisited the ruins of two Waring plantations, where King would have worked as a child and young man, and photographed the dirt road, still running through one plantation, down

which he would have ridden away to freedom. *Did Pocahontas Save Captain John Smith?* Penguin

This series of books is designed to help upper elementary teachers teach a rigorous yearlong writing curriculum.

**Slavery in the Ante-Bellum South** Vintage  
Addressed to the Inhabitants of America, on the Following Interesting Subjects, viz.: I. Of the Origin and Design of Government in General, with Concise Remarks on the English Constitution. II. Of Monarchy and Hereditary Succession. III. Thoughts on the Present State of American Affairs. IV. Of the Present Ability of America, with some Miscellaneous Reflections

**AP Us Hist 2016**

University of Virginia Press  
Chronicles the history of the United States from the election of George Washington as the first president to the end of the Mexican-American War, when Wisconsin became the thirtieth state to join the Union.

**The American Yawp** U of Nebraska Press  
In *The Virginia Adventure*, Noel Hume turns his attention to the two earliest English

settlements in Virginia, Roanoke and James Towne, with fascinating results. Combining information gathered through excavations of the sites with contemporary accounts from journals, letters, and official records of the period, the author illuminates the exploits of Sir Walter Raleigh, Captain John Smith, and Powhatan; the life and death of Pocahontas; and the disappearance of the Roanoke colony.

The fully updated second edition of *Teaching History Creatively* introduces teachers to the wealth of available approaches to historical enquiry, ensuring creative, effective learning. This book clearly sets out the processes of historical enquiry, demonstrating how these are integrally linked with key criteria of creativity and helps readers to employ those features of creativity in the classroom. Underpinned by theory and research, it offers informed and practical support and is illustrated throughout

with examples of children's work. Key themes addressed include: investigating sources using archives in your own research project becoming historical agents and history detectives drama for exploring events myths and legends communicating historical understanding creatively. With brand new chapters from the Stone Ages to the Iron Age, using prehistoric sources; The withdrawal of the Romans and the conquest and settlement of Britain by the Anglo-Saxons, in addition to many new case studies, this exciting edition puts an emphasis on accessible, recent research, new evidence and interpretations and encourages the creative dynamism of the study of history. Teaching History Creatively provides vivid and rich examples of the creative use of sources, of approaches to understanding chronology and concepts of time and of strategies to create interpretations. It is an essential purchase for any teacher or educator who wishes to embed creative approaches to teaching history in their classroom. *For the AP Course* Macmillan Higher Education

By the mid-nineteenth century, Captain John Smith, the early colonial explorer and settler, was a well-known figure in American history. The story of how, in 1607, the Powhatan princess Pocahontas saved him from execution by her tribe appeared in all the standard American histories. Numerous plays, novels, and poems were devoted to the episode. Starting in the 1860s, however, scholars began to question Smith's published accounts of the Pocahontas incident, and a controversy ensued, with Henry Adams becoming Smith's most famous detractor. Today many scholars continue to regard Smith as a vainglorious braggart who lied about his rescue. J. A. Leo Lemay offers the first full analysis of the historiography of this debate. Examining all of the primary and secondary evidence, he persuasively demonstrates that the incident did in fact occur. A tightly argued study, *Did Pocahontas Save Captain John Smith?* not only refutes the outright skeptics; it effectively reverses the prevailing judgment that the truth will never be known.

#### **A Counterblaste to**

**Tobacco** Firsthand Books  
This book is a balanced account of the political, diplomatic, and military currents that influenced Japan's attempts to surrender and the United States's decision to drop the atomic bombs. Based on extensive research in both the United States and Japan, this book allows the reader to follow the parallel decision-making in Tokyo and Washington that contributed to lost opportunities that might have allowed a less brutal conclusion to the war. Topics discussed and analyzed include Japan's desperate military situation; its decision to look to the Soviet Union to mediate the conflict; the Manhattan Project; the debates within Truman's Administration and the armed forces as to whether to modify unconditional surrender terms to include retention of Emperor Hirohito and whether to plan for the invasion of Japan's home islands or to rely instead on blockade and bombing to force the surrender. *The Jungle* Houghton Mifflin Harcourt  
In 2014, College Board rolled out a new AP® U.S. History course, which centered less on memorizing content and

more on developing skills. Since then, the course has been modified here and there, but very little has changed in AP® textbooks--content is still king. Until now. *Fabric of a Nation* is the first book to truly embrace this dramatic shift in the AP® course and in how history is taught. Built from the ground up by long-time AP® leaders Jason Stacy and Matthew Ellington, this book offers a new approach to AP® US History by seamlessly integrating: A brief historical narrative AP® skills practice Primary source documents Exact alignment to the AP® course Now, that's revolutionary!

[Jamestown and the Birth of America](#) Basic Books This practical resource shows you how to apply Sam Wineburg's highly acclaimed approach to teaching, "Reading Like a Historian," in your middle and high school classroom to increase academic literacy and spark students curiosity. Chapters cover key

moments in American history, beginning with exploration and colonization and ending with the Cuban Missile Crisis.

In this brilliantly illuminating group portrait of the men who came to be known as the Founding Fathers, the incomparable Gordon Wood has written a book that seriously asks, "What made these men great?" and shows us, among many other things, just how much character did in fact matter. The life of each—Washington, Adams, Jefferson, Franklin, Hamilton, Madison, Paine—is presented individually as well as collectively, but the thread that binds these portraits together is

the idea of character as a lived reality. They were members of the first generation in history that was self-consciously self-made men who understood that the arc of lives, as of nations, is one of moral progress.

*Crash Course* Houghton Mifflin College Division Following Thomas Jefferson from the drafting of the Declaration of Independence to his retirement in Monticello, Joseph J. Ellis unravels the contradictions of the Jeffersonian character. He gives us the slaveholding libertarian who was capable of decrying mescegenation while maintaining an intimate relationship with his slave, Sally Hemmings; the enemy of government power who exercised it audaciously as president; the visionary who remained curiously blind to the inconsistencies in his nature. *American Sphinx* is a marvel of scholarship, a delight to read, and an essential gloss on the Jeffersonian legacy.
