The Stone and the Flute Henry Holt and Company (BYR)

'Dani Atkins is the undisputed queen of fiction that packs a huge emotional punch' heat 'Have your tissues at the ready for this tear jerker of a read' Closer 'Brings heart-wrenching surprises' Woman & Home 'I simply adored this heart-breaking, brilliant read' Sun A brand new and brilliant emotional family drama for fans of Jojo Moyes and Dorothy Koomson, from the bestselling author of *Fractured*. What if someone else was living your happy ever after? When Maddie wakes up in a hospital bed, she can't remember anything about what happened to her or what has changed. She just remembers she was about to be married and had everything to look forward to. But it seems life has become a lot more complicated while she has been asleep ... 'This book is filled with the utmost compassion and it has stayed with me long after the final page ... An absolute triumph of storytelling' Penny Parkes 'A touching story about love, loss, survival and an unconventional friendship. Dani writes with heart and soul. Prepare to be moved' Alice Peterson 'A story of hope and love, this brilliant family drama shows that none of us knows what the future holds' Prima 'A warm and memorable novel, with a dilemma at its core, and will appeal to readers of Jodi Picoult and Nicholas Sparks. Atkins deserves more recognition for her commercial fiction. Thoroughly enjoyable' Independent on Sunday 'Tear-jerker' Bella Further praise for Dani Atkins' novels: 'A heart-warming story of love and loss that will stay with you long

after the last page' My Weekly 'A beautiful romance with a twist' Woman 'If you like Jodi Picoult then you'll love This Love' Lovereading 'Such a beautiful book' Brewandbooksreview 'A true celebration of life, family and relationships' culturefly 'What a stunningly beautiful love story, I'm bereft that it's over' RatherTooFondofBooks 'Heartbreakingly beautiful. A must-read' blogsbybooksby 'Flawless' reabookreview 'I wholeheartedly recommend this to anyone' rachelsrandomreads 'Poignant and heartfelt' vivavoce 'A heartbreaker of a book' handwrittengirl 'Heartbreakingly brilliant' Daily Mail 'Truly magnificent storytelling' Veronica Henry 'Fans of *Me Before You* will love this' Patricia Scanlan 'For those of you who have ever wondered about your first love or thought about the one that got away, this story will speak to your heart. I read it in one sitting - and it's heartbreakingly brilliant' The Sun 'This is easily one of the best books I have ever read, and I don't say that often!' thelunamayblog 'A gripping and emotional family drama ... With breath-taking plot twists, Dani explores themes of serendipity, friendship and love' Fabulousbookfiend

Die Eule von Askir. Die komplette Fassung Chicken House

Sind Verhaltenstherapie und Zwang - wie immer wieder behauptet - unvereinbar? Schliessen sich Freiheitsentzug und Beziehungsarbeit gegenseitig aus? Endet die Unterbringung von Kindern und Jugendlichen in geschlossenen Heimen sogar in der Deformation ihrer Personlichkeit? In der Kinder- und Jugendhilfe werden diese Fragen seit Jahrzehnten mit immer wieder wechselnden Vorzeichen heftig diskutiert. Nur auf wissenschaftlich

belastbare Daten kann sich eigentlich niemand berufen. Bernhard Stadlers empirisch fundierte Studie zu dieser Thematik schliesst damit eine Forschungslücke und widerlegt so manches Vorurteil. Am Beispiel des Madchenheims Gauting und seiner Arbeit mit dissozialen Mädchen zeigt er, in welchen Fällen freiheitsentziehende Massnahmen in der Jugendhilfe helfen können und wo nicht. Er bezieht dazu subjektive Einschätzungen der Jugendlichen und ihrer Betreuer ebenso ein wie Testergebnisse, Interviews und die Diagnosen eines externen Instituts. *Internal Family Systems Skills Training Manual* Tectum

When an apprentice from the Mapmakers' Guild goes missing, Matt and India are employed to find him. Going undercover as a married couple, they discover that not everyone at the guild is what they seem. The 2nd book in the GLASS AND STEELE series brings danger as enemies draw near, sinister plots are uncovered, and magic links two powerful guilds.

Inkspell Penguin

In a last-ditch effort to find the man of her dreams, Chastity O'Neil, an editor and soon-to-be spinster, gives online dating a try, with interesting results.

Academ's Fury HQN Books

"Astonishing."—The New York Times "A fascinating meditation on the many ways traveling through time can change a person." —HelloGiggles "This genre-bending, time-bending debut will appeal to fans of Doctor Who, dystopian fiction, and life's great joy: friend groups."—Refinery29 Perfect for fans of Naomi Alderman's *The Power* and Margot Lee Shetterly's *Hidden Figures* comes *The Psychology of Time Travel*, a mind-bending, time-travel debut. In 1967, four female scientists worked

together to build the world's first time machine. But just as they are about to debut their creation, one of them suffers a breakdown, putting the whole project—and future of time travel—in jeopardy. To protect their invention, one member is exiled from the team—erasing her contributions from history. Fifty years later, time travel is a big business. Twenty-something Ruby Rebello knows her beloved grandmother, Granny Bee, was one of the pioneers, though no one will tell her more. But when Bee receives a mysterious newspaper clipping from the future reporting the murder of an unidentified woman, Ruby becomes obsessed: could it be Bee? Who would want her dead? And most importantly of all: can her murder be stopped? Traversing the decades and told from alternating perspectives, *The Psychology of Time Travel* introduces a fabulous new voice in fiction and a new must-read for fans of speculative fiction and women's fiction alike.

In the Company of Ogres National Geographic Books

This book proves an analogue of William Thurston's celebrated hyperbolic Dehn surgery theorem in the context of complex hyperbolic discrete groups, and then derives two main geometric consequences from it. The first is the construction of large numbers of closed real hyperbolic 3-manifolds which bound complex hyperbolic orbifolds--the only known examples of closed manifolds that simultaneously have these two kinds of geometric structures. The second is a complete understanding of the structure of complex hyperbolic reflection triangle groups in cases where the angle is small. In an accessible and straightforward manner, Richard Evan Schwartz also presents a large amount

of useful information on complex hyperbolic geometry and discrete groups. Schwartz relies on elementary proofs and avoids quotations of preexisting technical material as much as possible. For this reason, this book will benefit graduate students seeking entry into this emerging area of research, as well as researchers in allied fields such as Kleinian groups and CR geometry.

Burned Canelo

Ireland has it all - outstanding landscapes, vibrant cities and a rich cultural heritage. In this book, insightful text and stunning photography, some in gatefold format, explore its diversity, from the Georgian squares of Dublin to the monastic site of Clonmance, from the myth-steeped Hill of Tara to the thrilling west coast. But Ireland is as much about the warmth of its people as it is about its sights, and *The Ireland Book* also celebrates its fascinating culture, from atmospheric Galway pubs and traditional Irish music to the haunts of writers and poets such as James Joyce and W.B. Yeats.

Bound by Flames Simon and Schuster
How to harness the power of daily rituals to create a calmer, happier life. We live life in the fast lane. We are over-worked, over-connected and over-stressed, and we compete over how busy and important and sleep-deprived we are. But we don't have to. Brooke McAlary knows first-hand the power of simplifying and living with less. After being diagnosed with postnatal depression, she embraced a more intentional life. Then, when the Covid-19 pandemic hit, she had to review her everyday routines - and expectations. She looked for ways to adapt them to fit a life in lockdown, all the while protecting and prioritising her health, energy and passion. In this fully

revised edition of *Destination Simple*, with an entirely new introduction and updates throughout in light of the pandemic, Brooke shows us how to harness the power of daily rituals to change the flow of our busy lives and create lasting, positive change.

The War of the Dwarves Kings Road Publishing

The pirates of the Caribbean have a name for kids who can walk on water -- they call them polliwogs. As far as 14-year-old Jolly knows, she's the last polliwog still alive. She is valuable to the pirate captain who raised her, for she can sneak up on an enemy ship by walking over the waves. When someone sets a trap for Jolly's ship, Jolly alone escapes. She is washed up on a tiny island inhabited by a farming family -- and the ghosts who labor for them. The farmers have a son, Munk, who has been raised almost in hiding. Munk longs to go to sea, but his parents say that they are afraid of pirates, and they have forbidden Munk to reveal his true identity -- he, too, is a polliwog. But pirates are not the only threat in the Caribbean. Evil forces are stirring, and a demon from the sea attacks and murders Munk's parents. Was the demon really after Munk? And Jolly, too? Why are the polliwogs so valuable, and who wants them enough to kill for them? Jolly and Munk must sail with a strange crew of outcasts, led by the mysterious Ghost Trader, to avenge their loved ones and try to stop an ancient, malevolent force known as the Maelstrom. What it will cost both teens, no one can tell -- in this thrilling, swashbuckling fantasy from the extraordinary Kai Meyer.

While I Was Sleeping Macmillan

In *Furies of Calderon*, #1 New York Times bestselling author Jim Butcher introduced readers to a world where the

forces of nature take physical form. But now, it is human nature that threatens to throw the realm into chaos... For centuries, the people of Alera have harnessed the furies—elementals of earth, air, fire, water, wood, and metal—to protect their land from aggressors. But no fury can save them from the dangers they face within. A mysterious attack from across the sea has weakened the First Lord. Should he fall, a bloody civil war is inevitable. The responsibility of fending off assassination attempts and treachery within the First Lord's circle of spies falls on Tavi, the one man with no fury to call...

Ahren Beacon Press

The third book in the Millennium's Rule fantasy series by international bestseller Trudi Canavan. Five years have passed since the Rebels confronted the Raen. Five years, in which the boy Rielle rescued, Qall, has safely grown up among the Travellers. Five years, in which Tyen has made a new home for himself, hidden from those who call him a traitor and the Spy. Five years of chaos in the world, barely contained by Baluka and the Restorers. Worlds are at war, some overrun by machines, some drained of magic as sorcerers seek immortality. As war threatens Rielle and Tyen's hard-won peace, and Qall comes of age, loyalties will be decided and tested. The promises they have made could change everything. Qall's very existence depends on them. Because Dahli has the means to restore the Raen to power, and he will stop at nothing to succeed. Millennium's Rule series: Thief's Magic Angel of Storms Successor's Promise Maker's Curse More books by Trudi Canavan: The Magician's Apprentice Traitor Spy trilogy: The Ambassador's Mission The Rogue The Traitor Queen

Pirate Curse Macmillan

In today's world, it is more acceptable to be depressed than to be lonely—yet loneliness appears to be the inevitable byproduct of our frenetic contemporary lifestyle. According to the 2004 General Social Survey, one out of four Americans talked to no one about something of importance to them during the last six months. Another remarkable fact emerged from the 2000 U.S. Census: more people are living alone today than at any point in the country's history—fully 25 percent of households consist of one person only. In this crucial look at one of America's few remaining taboo subjects—loneliness—Drs. Jacqueline Olds and Richard S. Schwartz set out to understand the cultural imperatives, psychological dynamics, and physical mechanisms underlying social isolation. In *The Lonely American*, cutting-edge research on the physiological and cognitive effects of social exclusion and emerging work in the neurobiology of attachment uncover startling, sobering ripple effects of loneliness in areas as varied as physical health, children's emotional problems, substance abuse, and even global warming. Surprising new studies tell a grim truth about social isolation: being disconnected diminishes happiness, health, and longevity; increases aggression; and correlates with increasing rates of violent crime. Loneliness doesn't apply simply to single people, either—today's busy parents "cocoon" themselves by devoting most of their non-work hours to children, leaving little time for friends, and other forms of social contact, and unhealthily relying on the marriage to fulfill all social needs. As a core population of socially isolated individuals and families continues to balloon in size, it is more

important than ever to understand the effects of a culture that idealizes busyness and self-reliance. It's time to bring loneliness—a very real and little-discussed social epidemic with frightening consequences—out into the open, and find a way to navigate the tension between freedom and connection in our lives.

The Litel Prynce Penguin

Lieutenant Donal Connor has been given the most bizarre of new cases. Four famous stage performers have died in recent months, three of them in state capitals within Transifica, the fourth in far Zurinam. And now the idolised diva Maria deLivnova is coming to Tristopolis. Donal's boss is determined that nothing like this is ever to happen in his city. Connor is to have anything he needs, as long as the diva lives. And so begins a dark investigation through a world where corpses give up their psychic energy in the massive necroflux generators which power the city, where gargoyles talk, where wraiths work in slavery, a world of the dead where corruption is alive. This is an extraordinary SF novel set in an alternate universe quite unlike any imagined in SF before; a universe where magic and the supernatural and the undead are given a scientific rationale and horrifyingly plausible rationale. The novel's setting, Tristopolis, is the ultimate noir city; an immense baroque creation of haunted stone skyscrapers, black metal and city-wide catacombs. Its hero Donal Connor is immensely likeable and easy to identify with. Even once he's dead.

Bone Song Bloomsbury Publishing

Although a year has passed, not a day goes by without Meggie thinking of the extraordinary events of Inkheart, and the story whose characters strode out of the pages, and changed her life forever. But

for Dustfinger, the fire-eater, torn from his world of words, the need to return has become desperate. When he finds a crooked storyteller with the magical ability to read him back, he sets in motion a dangerous reversal that sees the characters of Inkheart transported to a charmed Inkworld, about to be fought over by rival rebels and princes. But can Meggie, Farid and Fenoglio 'write' the wrongs of a charmed world about to be fought over by rival princes and rebels?

Therapie unter Zwang - ein

Widerspruch? Independently Published

Endlich liegt die Saga um »Die Eule von Askir« in der ursprünglichen Fassung vor, wie der Autor sie erdacht hatte. In der umfassenden und ungekürzten Form können alle Richard-Schwartz-Fans das Abenteuer ganz neu erleben: Am Hafen der altherwürdigen Stadt Askir wird ein bestialisch zugerichteter Toter gefunden. Es ist der Botschaftsdiener Jenks, der in diesem zwielichtigen Viertel eigentlich nichts zu suchen hatte. Stabsleutnant Santer wird mit den Ermittlungen betraut, unterstützt durch die faszinierende Magierin Desina. Diese hat die Gabe, die Vergangenheit vor ihren Augen neu erstehen zu lassen. Doch was Desina in der Nacht des Mordes erblickt, bedeutet für ganz Askir eine unberechenbare Bedrohung. Denn der Feind beherrscht schwarze Magie, gegen die alle Mittel Desinas machtlos sind.

The Forgetting Moon Piper ebooks

"For over four decades, Richard Schwartz has engaged with two ethically rich ways of living that, as he charts in this book, he came to appreciate in middle age: Judaism and veganism. Having been born into a secular Jewish family, it was his marriage and an increasing commitment to social justice that propelled him to study and rediscover the essence of his Jewish

faith. That sense of social justice further raised his awareness of the environmental movement, and, ultimately, to animal rights and veganism. In *Vegan Revolution: Saving Our World, Revitalizing Judaism*, Schwartz shows how, now perhaps more than ever, veganism offers a pathway for all of us of whatever faith (or no faith) to reduce hunger, conserve the environment, save water, reinstitute justice, and care for animals and the Earth. It is no coincidence, as Schwartz demonstrates, that many of these ideas are mandates in Jewish scripture, and that reincorporating a care for the world (tikkun olam) can itself reinvigorate the spirit of a faith and galvanize its practitioners to act"--

Shadowplay Scholastic Inc.

Vast legions of gods, mages, humans, dragons and all manner of creatures play out the fate of the Malazan Empire in this first book in a major epic fantasy series from Steven Erikson. The Malazan Empire simmers with discontent, bled dry by interminable warfare, bitter infighting and bloody confrontations with the formidable Anomander Rake and his Tiste Andii, ancient and implacable sorcerers. Even the imperial legions, long inured to the bloodshed, yearn for some respite. Yet Empress Laseen's rule remains absolute, enforced by her dread Claw assassins. For Sergeant Whiskeyjack and his squad of Bridgeburners, and for Tattersail, surviving cadre mage of the Second Legion, the aftermath of the siege of Pale should have been a time to mourn the many dead. But Darujhistan, last of the Free Cities of Genabackis, yet holds out. It is to this ancient citadel that Laseen turns her predatory gaze. However, it would appear that the Empire is not alone in this great game.

Sinister, shadowbound forces are gathering as the gods themselves prepare to play their hand... Conceived and written on a panoramic scale, *Gardens of the Moon* is epic fantasy of the highest order--an enthralling adventure by an outstanding new voice. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Broken Macmillan

The author of "Gil's All Fright Diner" turns fantasy into farce. As Ogre Company's newly appointed commander, immortal "Never Dead" Ned has only six months to whip these soldiers into shape or face an even more hideous assignment.

Spherical CR Geometry and Dehn Surgery (AM-165) Princeton University Press

The looming war with Darrow has faded to a distant shadow, but Will's continued studies at Wurhaven are disrupted by an unforeseen threat. Selene's absence has raised suspicion among her friends and more importantly the king, who is now directing his ire at the obvious culprit, her new husband. Meanwhile the citizens of Cerria have begun disappearing and a shadowy figure is stalking Will's half-sister, Laina. With his power pushed to the limit, Will finds himself attempting to preserve a family that rejected him from enemies he never knew existed--all while trying to save a city whose king might rather see him dead. Desperate for help, he may not be able to trust the powers that have helped him in the past, for the fae could be the source of the catastrophe, even as they offer their assistance--for a price. Evil stalks the streets of Cerria at night, seeking the heart's blood of his family, the destruction of the city, and the death of the king. Will may have to

decide what is most important for Terabinia, preserving the people of its most prosperous city, or saving its questionable ruler?

Scholar of Magic National Geographic Books

A royal family in chaos, a country under attack, a prophecy of lies. Magic, betrayal and epic battles War has come to the Five Isles. A merciless host driven by the Angel Prince, Aeros, has its sights on the unconquered kingdom of Gul Kana. Its ruling family are fractured. The newly crowned king reigns in paranoid isolation, and his two sisters have troubles of their own. Jondralyn wants to prove her worth as a warrior, while Tala has uncovered a secret that may destroy the entire kingdom. Hidden at the edge of Gul Kana, however, is Nail. An orphan taken by the enigmatic Shawcroft to a

remote whaling village, he is now a young man who may be the salvation of the entire Five Isles... A dark and epic fantasy perfect for fans of Mark Lawrence, Brent Weeks and George R.R. Martin. 'This is an epic, EPIC fantasy' Rob Bedford, SFFWorld.com 'Durfee writes with genuine passion, bringing his world fully to life with abounding detail and brisk, gutsy action... an outstanding debut' John Marco, bestselling author of The Forever Knight and the Tyrants and Kings trilogy 'This is high fantasy in the vein of Stephen R. Donaldson or David Eddings, with generous helpings from George R. R. Martin. Durfee's world building is exceptional' Booklist 'Plenty of well-crafted spectacle, thrills, suspense, blood, thunder and general sense of wonder' Locus magazine 'The battle scenes were, to say the least, epic and so immersive.'
