Second Book in the
Series. Where did I
come from before I was
born? Where am I
going when I die? What
if I'm dead already and
just don't know it? If I
am, how will I know
when it's time to get
up on Resurrection

Day? If these questions plague you, then Wake Me for the Resurrection is the answer: Following on the heels of the enormously popular Sunday of the Living Dead, Wake Me for the Resurrection is the right prescription for anyone in danger of sleeping in on the morning of the Resurrection. Designed to cure the ward house blues, Wake Me shines a light on "other" important gospel questions, bringing further lightmindedness to: How to clock the Second Coming The Creation: a woman's touch The 14th Article of Faith Knowing your "Mo" Gospel black belts Legal representation at the Judgment Bar In their second collaborative effort, Salt Lake Tribune

Columnist Robert Kirby and cartoonist Pat Bagley further explore the deeper meaning of life behind the Zion Curtain. Kirby's wry observations on Mormonite behavior and Bagley's revealing pen lay bare the ironies and perplexities of serving under the iron rod, proving once and for all that there is life after Sunday School -- even if it's still evolving.

Wake Me Up When the Data Is Over

HarperCollins Wake Me Up Inside is a ghost story centered around Paige Maddison, a strong teen-age heroine. Paige is disturbed by nightmares of places she has never seen, and visions of a girl haunting her dreams. She is angry because she must move with

her parents to an estate called O'Brien Manor, to help her estranged grandparents, one of whom is in ill health. As luck would have it, Paige meets Bradley Adam Parkman. Together they explore the estate and although they experience paranormal activity, neither one wants to discuss it in case the other would find them crazy. Paige stumbles onto a forgotten cemetery and a piece of a stone tablet. She is instantly curious and obsessed with what it is? During this quest, her grandfather's health fails and Paige bears the burden of solving a family secret which is tied to an evil spirit haunting the estate. Will Paige uncover the mystery of O'Brien

Manor before it's too late? It's a page turner and will leave you feeling haunted. Reviews for *Wake Me Up Inside*: John Robert Colombo, author/anthologist and Canada's Master Gatherer had this to say: In Praise of *Wake Me Up Inside*: "It was an amazing feeling" So begins this lively short first novel written by Lee Bice-Matheson... then it transports the reader to "the Manor" where life is rather different, both demanding and rewarding! The author deserves to be congratulated, for she has found a style that moves along in a sprightly fashion. She spares the reader the descriptive passages found in most first novels in favour of rewarding the reader

with reams of lively speech. The result is that young Paige is very much alive, she enters into relationships, and she turns out to be something of an acrobat, for she leaps off the page! Amazon reviewer declared 'Move over James Patterson, there's a new kid in town! 5 stars C. Harkin, Fitzhenry & Whiteside said 'This portion of a tale of the supernatural connects the world that teens will know and be familiar with to the terrifying concept of ghosts and the unexplained.'

Wake Me in the Morning Romance
Authors, LLC
Charlie Mack and her crack team private investigators have been asked to take on a seemingly impossible

task—to identify and thwart an attack on the upcoming Detroit Auto Show. With a \$100K incentive and the help of a dozen freelancers, Charlie and her team slowly begin to unravel a twisted plot that runs through several countries and even more bank accounts. But finding out who's behind the deadly plot only solves half the problem, because Charlie is drawn into an intensive game of cat-and-mouse to locate dozens of hidden bombs before they can be detonated.

Collects cartoons featuring "Cathy," the heroine for the 1980's single working woman, and dealing with mothers, boyfriends, bosses, and chocolate.

Wake Me Up When It's

All Over... Gramercy
 This is my story; I am a musician and entrepreneur who created and co-owned nightclubs, now part of the history of music and nightlife in New York City. Starting with my first club, Sanctuary, and continuing with Mission in Manhattan's East Village and ending with the highly regarded Luna Lounge, this is the first book to cover a part of the New York rock music scene that came after punk, new wave, and no wave. Musicians and bands including Joey Ramone, The Psychedelic Furs, The Jesus And Mary Chain, Ministry, Nine Inch Nails, The Sugarcubes, The Sisters Of Mercy, and Killing Joke, among others, would party together at Mission. It

was the late 1980s, a time of MTV's "120 Minutes," melodic British psychedelic guitar rock, Wax Trax industrial rock records, and a dangerous but exciting Lower East Side. Moving further ahead, my story continues with the sale of the Mission and the opening of Luna Lounge in 1995, possibly the most important venue of its size in New York. Luna was the stage where The Strokes, Interpol, The National, Longwave, stellastarr*, The Bravery, The Hold Steady, and many other bands first performed before friends and early fans of the bands. Also, Luna would host free performances from Marty Willson-Piper (The Church), Black Box Recorder, Sonic

Boom, and Kid Rock. This is also a narrative about Elliott Smith as he wrote out his work for the album, XO, while sitting at the Luna Lounge bar and his subsequent launch into stardom. In addition, Luna Lounge was a well known Monday night comedy spot where cutting edge comics worked new material in front of a supportive audience as part of the "Eating It" comedy series, the room where fans could see, among others, Jon Stewart, Janeane Garofalo, Jeff Garlin, Rob Cordry, Greg Fitzsimmons, Lewis Black, Jim Norton, Lewis C.K., and Marc Maron. Finally, this is the story of the forced closing of Luna Lounge, a victim of the rising real estate values which came as a result

of the quality of life initiatives set out by the Republican mayors who have controlled the city for the last twenty years. More information is available at the author's website, wakeme.net.

A young woman is forced to question everything she thought she knew, when a family tragedy leads to a series of startling revelations ... and dark secrets. A stunning and emotive psychological thriller from the bestselling author of The Cliff House and The Storm. 'Beautiful, seamless writing,

Jennings has a magic warmth and addictive quality that keeps you reading on and on' Lucy Atkins 'Hauntingly beautiful' Clare Mackintosh 'Thoughtful, atmospheric and deeply immersive, it wields an almost mesmeric power over the reader' Hannah Beckerman

----- A perfect life ... until she discovered it wasn't her own. A tragic family event reveals devastating news that rips apart Bella's comfortable existence. Embarking on a personal journey to uncover the truth, she faces a series of traumatic discoveries that take her to the ruggedly beautiful Cornish coast, where hidden truths, past betrayals and a 25-

year-old mystery threaten not just her identity, but also her life. Chilling, complex and profoundly moving, *In Her Wake* is a gripping psychological thriller that questions the nature of family - and reminds us that sometimes the most shocking crimes are committed closest to home.

----- 'A gripping concept powers this emotional, sinuous thriller in which one woman's life is played out against what might have been' Fanny Blake, *Woman & Home* 'Heartbreaking and emotionally stunning ... one of the most mature genre novels I've read for a long time' *Scottish Herald* 'This mesmerising and haunting thriller is a

true literary beauty'
Heat 'Delicately
weaves loss and grief
in a very human story
with a strong heart'

Wake Me When It's Over Llewellyn Worldwide

"Two quirky characters living in an apartment building come together in this picture book that reinforces the importance of asking questions in order to better understand each other and the world around them."--

The 5AM Club Orenda Books

Wake Me Up Before I Die, is the first book in the Trilogy of the trials and tribulations of the Lureaux Family. Book I

introduces Johnny Lureaux in the 1930's as a young child in Selma, Alabama and the extraordinary circumstances he must face just to stay alive. Facing death as an Alabama illegitimate child, through an abusive Grandmother, an early marriage and then into the mindset of a sniper in the Korean Conflict, Johnny Lureaux will ignore every chance he is given, in each life he is awarded, with repetitive bad choices. In Book I, the final roles of his 27 years of life, as a South-side Chicago bandit and a young father, will fall under the darkness of the deceitful life he has chosen. As the Blackfoot's song of his past echoes in the distance, death soars with the giant blackbird

over him. It is final and as Johnny fights to discover the connection of his past to his presence, he will be transcended into the unity of Life and Death. In the place between body and spirit he calls for a new existence and screams to PLEASE WAKE ME UP BEFORE I DIE!

In Her Wake Andrews McMeel Publishing
A thrilling journey through China's dark criminal underworld, from a celebrated voice in Chinese literature When Hongyang is found dead after a night of debauched drinking, it looks as if his reign of terror has finally come to an end. Few in this insular community have much reason to mourn his passing: Hongyang is an infamous mob boss, a

man with plenty of enemies. But now it seems that his years of crime have also earned him some very dangerous friends. As his funeral draws near, those who knew him come together to look back on a life characterised by corruption, deceit and a flair for violence.

Their recollections will keep Hongyang's legacy alive, with terrifying consequences. From the master of Chinese noir fiction comes this explosive new novel about the power of one man, unravelled by a tangled web of secrets.

Wake Me Up
CreateSpace

"Sharp and dangerous and breathtaking.... A defiant story about a young woman choosing the life and motherhood that is

best for her, without apology.” —Roxane Gay, bestselling author of *Bad Feminist*. Marie is a waitress at an upscale Dallas steakhouse, attuned to the appetites of her patrons and gifted at hiding her private struggle as a young single mother behind an easy smile and a crisp white apron. It’s a world of long hours and late nights, and Marie often gives in to self-destructive impulses, losing herself in a tangle of bodies and urgent highs as her desire for obliteration competes with a stubborn will to survive. Pulsing with a fierce and feral energy, *Love Me Back* is an unapologetic portrait of a woman cutting a precarious path through early adulthood and the

herald of a powerful new voice in American fiction.

The Breakfast Book

Wake Me, I Am

Dreaming is a collection of over 80 brand new, never before published poems about life and self-discovery. It is a journey from whimsical imagination to the wilderness of vulnerability to the connectedness of energy and purpose. Drawing from the inspiration of nature, yoga philosophy, and the wisdom of the soul, the poems in this collection represent an inner tension between a state of dreaming and waking, between what is an illusion and what is real. A modern take on one of life's

biggest questions, "Why are we here?", it is a journey of poetic meditation to self-awareness, acceptance and purpose. Wake Me, I Am Dreaming was written for wanderers, dreamers, trailblazers, lightworkers, truth seekers, yoga students and yoga teachers, nature lovers, and anyone on a quest for self-discovery or spirituality - finding purpose and believing in something bigger than yourself. This book of poems will be a beautiful inspirational gift for yourself or a friend. "It's time to decide, which mountains you'll climb. For settling in the valley, lies the enemy of change." This book is divided into sections, each dedicated to a different element which we may

encounter on the journey to connection with the true Self. Some of these elements are rooted in nature: the trees, the ocean, the wind and flowers. Others draw from more abstract or unseen forces: the ether, time, the third eye (our intuition). All of them have great wisdom and inspiration to offer. The sections are placed carefully in an order meant to evoke the sensation of moving along a path from dreaming to waking. However, each poem stands beautifully on its own and the reader is invited to travel the contents of this book in whatever way resonates most. Wake Me Up at Nine in the Morning Simon & Schuster
"Into my father's wake

records a solo, 5,000-mile Pacific journey aboard the 47-foot ketch Feo, in which the author attempts to put his powerful father to rest once and for all"--

Back cover

Simon and Schuster

This book includes real-life examples from over 70 respected organizations, small and large, representing a multitude of industries using stories to drive results.

Leaders from organizations such as Microsoft, Lands' End, Verizon, U.S. Air Force, and World Vision demonstrate the strong positive influence stories can have. No abstract theories or platitudes are conveyed here. The book spells out how Kevin Roberts, CEO worldwide of Saatchi & Saatchi,

achieved sustained sales growth after several mergers and downsizings caused the organization to fall on hard times. It also shows how Erik Shaw, president and CEO of FivePoint Federal Credit Union, overcame resistance to an organizational name change, resulting in membership growth exceeding the national average.

Wake Up, Me! Hal

Leonard Corporation

What if you could dream your way into a different life? What if you could choose to live that life forever?

Sloane and Maggie have never met.

Sloane is a straight-A student with a big and loving family. Maggie lives a glamorously independent life as an up-and-coming actress in New York. The two

girls couldn't be more different—except for one thing. They share a secret that they can't tell a soul. At night, they dream that they're each other. The deeper they're pulled into the promise of their own lives, the more their worlds begin to blur dangerously together. Before long, Sloane and Maggie can no longer tell which life is real and which is just a dream. They realize that eventually they will have to choose one life to wake up to, or risk spiraling into insanity. But that means giving up one world, one love, and one self, forever. This is a dazzling debut that will steal readers' hearts.

Wake Me in Spring

Zondervan

Two best friends. One

wild night. Zero takebacks. Hyper-competent Lily Xin juggles her school, her family, and her magic like a pro, selflessly giving her time and energy to others, just like a good witch should. When her bestie Lex gets into trouble, she rushes to save him. It works, until a wild night leads them hurtling straight toward One-Night-Standsville. Lily knows dating Lex would be a huge mistake. So why can't she stop thinking about him naked? Easy-going Lex Salem has always thought of Lily as the twin sister he never had, but one night of magically-charged passion makes him realize everything is different now. But he can't stop time to figure out why Lily is so resistant. He's too busy

being stalked by an evil vampire with a grudge against his family. Despite their “it’s complicated” relationship status, Lily and Lex team up to defeat the demonic forces trying to use Lex to fulfill an ancient prophecy. It will take all their smarts, magical talents, and bad puns to save the day. Oh, and they have to stop kissing each other. Like, seriously, the apocalypse is coming. The third novel in *The Brothers Salem*, a contemporary paranormal romance series where a trio of demon hunters—armed with spells and snark—are on a mission to slay some demons, break some curses, and get their girls. Unless the girls get them first.

Wake Me, I Am

Dreaming Hachette Go

When a killer comet hurtles for the earth, 18-year-old Joanna Murphy is selected to wait out the apocalypse in an underground bunker. She enters cryosleep with her close-knit team, preparing to resettle the planet after the atmosphere clears in two hundred years. Joanna is the only one who wakes up. Faced with a bunker full of bones and a blocked exit, Joanna must claw her way to the surface, figure out what happened to her team, and try not to panic-or die. That’s going to be tricky if she’s the only person left in the world. From the author of *The Seabound Chronicles*, *Steel and Fire*, and *Empire of Talents* comes a story

of resilience and optimism at the end of the world.

The Miracle Morning (Updated and Expanded Edition)

Simon and Schuster
A young widow, Ese lives in a village where the crops grow tall and the people are ruled over by a Chief on a white horse. She married for love, but now her husband is

dead, leaving her with nothing but a market stall and a young son to feed. When the Chief knocks on Ese's door demanding that she marry again, as the laws of the land dictate she must, Ese is a fool once more. There is a high price for breaking the law, and an even greater cost for breaking the heart of a Chief...
