People fear death. We don't know how to talk about it, especially to children, and we're afraid to bring it up for fear of making people sadder. Yet children, especially, have questions, and this incredibly gentle and surprisingly light story is full of both comfort and vividly imagined "answers." The first one gives the book its title: A boy hears the voice of his sister calling him one day, a sister he's never met because she died before he was born. The sister in the faded photograph on the wall. So that night he asks his mother what death is like and she tells him, "It's like dreaming, only bigger." That's lovely, but he still has questions, which it turns out his sister can answer! On a dreamy, carefree adventure they ride their bikes together, (not always on the ground), visiting places that were special to her when she was alive. And she talks to him in the older sister, teasing, straightforward, loving way that is exactly what he needs. (It turns out that death is not the only thing that can be Bigger Than a Dream.) Much, much more than bibliotherapy, this is a work of art that speaks with honesty and tenderness about one of life's great mysteries.

But what is time, and can it be influenced? With the help of a mouse clockmaker, a lot of inventiveness, and the notes of a certain famous Swiss physicist he succeeds in traveling back in time. But when he misses his goal by eighty years, the only one who can help is an employee of the Swiss Patent Office, who turned our concept of space and time upside down."--Amazon.com

*Elmer and Rose* Routledge & Kegan Paul Books

This profoundly moving tale about a grieving boy and an imaginary gorilla makes real the power of talking about loss. On the day of his mother's funeral, a young boy conjures the very visitor he needs to see: a gorilla. Wise and gentle, the gorilla stays on to answer the heart-heavy questions the boy hesitates to ask his father: Where did his mother go? Will she come back home? Will we all die? Yet with the gorilla's friendship, the boy slowly begins to discover moments of comfort in tending flowers, playing catch, and climbing trees. Most of all, the gorilla knows that it helps to simply talk about the loss—especially with those who share your grief and who may feel alone, too. Author

Jackie Azúa Kramer's quietly thoughtful text and illustrator Cindy Derby's beautiful impressionistic artwork depict how this tender relationship leads the boy to open up to his father and find a path forward. Told entirely in dialogue, this direct and deeply affecting picture book will inspire conversations about grief, empathy, and healing beyond the final hope-filled scene.
