KEAGAN DECKER

Barbra Streisand John Wiley & Sons

Controversial, a global icon, a diva among divas---Barbra Streisand, the last genuinely unique show business personality of the twentieth century is the most honored entertainer in the world today. But along with the Tony, two Oscars, six Emmys, eight Grammys, ten Golden Globes, fifty gold albums, and wild acclaim have come wildly diverse reactions to a personality as outsized as her talent. In the words of Streisand herself, "I'm a liberal, opinionated Jewish feminist---I push a lot of buttons." In Tom Santopietro's witty yet analytical look at this one-of-a-kind career, the myths and personal foibles are stripped away, and the focus lands squarely on the work. From the early recordings to the groundbreaking television specials, from the Hollywood blockbusters to the history-making comeback concerts, Streisand's career is placed within an oftentimes uniquely American social context but always allowed to speak for itself. In a brisk, funny, and always compelling style, *The Importance of Being Barbra* reveals all the milestones in a new and sometimes startling light, ranging from the brilliance of *Funny Girl* and *The Broadway Album* to the misbegotten yet curiously popular *A Star Is Born*. Treating Barbra Streisand like the serious artist she is---and has always claimed to be---*The Importance of Being Barbra* delves into the key reasons for her all-encompassing success: the overwhelming ambition, the notorious perfectionism, the fervent gay following, the dramatic pull of a voice and style that mysteriously connect with the lovelorn all around the world. A full-scale examination of the acting, singing, and directing that have ranged from the dazzling to the occasionally inexplicable---it's all here for anyone who has ever wondered at the phenomenon that is Barbra Streisand.

Broadway Musicals Hal Leonard Corporation

Blackness is a prized commodity in American pop culture. Marketed to white consumers, it invites whites to view themselves in a mirror of racial difference, while remaining "wholly" white. From sports to literature, film, and music to investigative journalism, Eric Lott reveals the hidden dynamics of this self-and-other racial mirroring.

Senses, Cognition, and Ritual Experience in the Roman World McFarland

Matching folio to the legendary singer's album of classic and contemporary Broadway hits, including: *The Music of the Night* * *Luck Be a Lady* * *Some Enchanted Evening* * *I Have a Love/One Hand, One Heart* * plus 6 more.

Democracy's Big Day Fayetteville Mafia Press

A super-cute Little Golden Book based on the Disney Junior show *Puppy Dog Pals!* Bingo and Rolly are the cutest pug puppies around! The Greatest Love Story Ever Told Cambridge University Press

(Piano/Vocal/Guitar Artist Songbook). Here's our matching folio to the fabulous best-of collection featuring 40 Streisand classics! Includes: *All I Ask of You* * *Children Will Listen* * *Cry Me a River* * *Evergreen* * *Guilty* * *Happy Days Are Here Again* * *I Finally Found Someone* * *Lover, Come Back to Me* * *Memory* * *No More Tears* * *Papa, Can You Hear Me?* * *People* * *Second Hand Rose* * *Send in the Clowns* * *Somewhere* * *The Way We Were* * *Woman in Love* * *You Don't Bring Me Flowers* * *You'll Never Walk Alone* * and more.

Hello, Gorgeous Hal Leonard Publishing Corporation

On February 25, 1963, Columbia Records released *The Barbra Streisand Album*. The first song was "Cry Me a River," and with that a star was born. Barbra Joan Streisand had a zany personality backed by a talent that Stephen Sondheim once described as "one of the two or three best voices in the world of singing songs," adding "It's not just her voice but her intensity, her passion and control." Harold Arlen, another of her favorite composers, commented, "This young lady . . . has a stunning future." With all-male rock groups like the Beatles, the Beach Boys, and the Four Seasons ruling the charts, no one expected a twenty-year-old female singer from Brooklyn to not just hit No. 1, but repeat that accomplishment every decade that followed all the way to the next millennium and become the best-selling female recording artist of all time. Now, for the first time ever, comes the definitive book on the extensive recording career of this towering cultural icon, *The Funny Girl* considered by many to be the most talented singer of her generation. *Barbra Streisand: The Albums, The Singles, The Music* takes readers on a journey through every album, soundtrack, and single Streisand has released over the past sixty years. Our guide on this musical tour is Matt Howe, who has run *Barbra Archives*, the definitive Streisand-themed website, since 2003. He also has assisted Team Stresand on liner notes on her *Release Me* album series. Besides analysis of every studio, live concert, and official compilation release, the book contains over three hundred FULL-COLOR photos from the albums, press kits, and Streisand herself. Also included are features on both Streisand's signature songs ("People," "You Don't Bring Me Flowers," "Evergreen," "The Way We Were," and "Don't Rain on My Parade") and on her longtime collaborators (Sondheim, Marty Erlichman, Alan and Marilyn Bergman, and others.) No gossip. No dirt. Just a deep dive into over seventy albums from *The Greatest Star*. This an oversized hardback book with full-color illustrations, printed on premium paper.

Playbill Wise Publications

What links the popular songs "You'll Never Walk Alone", "Send in the Clowns", "Memory" and "I Am What I Am"? They all originated in Broadway musicals. *Song of the Season* is for those who believe that the score is at the heart of a musical and is the essential building block on which the rest of a show is built. Through a systematic historical survey from 1891 to 2023 it argues that the best musicals survive because of their songs, from early 20th century classics such as *Show Boat* and *Oklahoma!* through to the contemporary sound of *Dear Evan Hansen* and *Hamilton*. Looking at outstanding songs from each Broadway season, the development and history of the musical is illustrated with a fresh perspective. As song styles and popular music tastes changed throughout the decades this structure charts the progress of American showtunes alongside popular music forms as

songs evolved from the waltz and ragtime to jazz, rock, rap and hip-hop. Factual analysis and historical context combine to offer a rich picture of the American songbook from Irving Berlin to Elton John. Song of the Season paints a fresh picture for musical theatre students and fans alike, illustrating significant changes in the form through the music. Analyzed in an accessible and engaging way that doesn't rely on music theory knowledge, and including a link to playlist where all the 'songs of the seasons' can be listened to, it is a must-have for those looking to expand their knowledge of the form and trace the social history of the American showtune.

In The Space Of A Song Knopf Books for Young Readers

(Piano/Vocal/Guitar Artist Songbook). 20 gems of the great American songbook as song by the inimitable Ms. Streisand, including: But Beautiful * It Had to Be You * More Than You Know * Second Hand Rose * Smile * Some Day My Prince Will Come * Taking a Chance on Love * and more.

My Passion for Design Random House

A New York Times Bestseller Megan Mullally and Nick Offerman reveal the full story behind their epic romance—presented in a series of intimate conversations between the couple, including photos, anecdotes, and the occasional puzzle. The year: 2000. The setting: Los Angeles. A gorgeous virtuoso of an actress agreed to star in a random play, and a basement-dwelling scenic carpenter said he would assay a supporting role in the selfsame pageant. At the first rehearsal she surveyed her fellow cast members, determining if any of the men might qualify to provide her with a satisfying fling. Her gaze fell upon the carpenter, and like a bolt of lightning the thought struck her: no dice. Moving on. Yet, unbeknownst to our protagonists, Cupid had merely set down his bow and picked up a rocket launcher...that fired a love rocket (not a euphemism). The players were Megan Mullally and Nick Offerman, and the resulting romance, once ignited, was...epic. Beyond epic. It resulted in a coupling that has endured to this day; a sizzling, perpetual tryst that has captivated the world with its kindness, athleticism, astonishingly low-brow humor, and true (fire emoji) passion. How did they do it? They came from completely different families, ignored a significant age difference, and were separated by the gulf of several social strata. Megan loved books and art history; Nick loved hammers. But much more than these seemingly unsurpassable obstacles were the values they held in common: respect, decency, the ability to mention genitalia in almost any context, and an abiding obsession with the songs of Tom Waits. Eighteen years later, they're still very much in love and have finally decided to reveal the philosophical mountains they have conquered, the lessons they've learned, and the myriad jigsaw puzzles they've completed. Presented as an oral history in a series of conversations between the couple, the book features anecdotes, hijinks, photos, and a veritable grab bag of tomfoolery. This is not only the intoxicating book that Mullally's and Offerman's fans have been waiting for, it might just hold the solution to the greatest threat facing our modern world: the single life.

[Barbra Streisand - The Broadway Album](#) Hal Leonard Corporation

Meet Dean A. A. Poyadue. Dean is many things to many people a son, a husband, a college student, and an employee. He is also a man living with Down syndrome. Just Call Me Dean is his remarkable story, which he tells with a little help from his mom, Florene. Deans innocence and wisdom will capture your heart as he takes you on a journey through the key events of his life, from early childhood to the present. Discover how, with a can-do attitude and the help of his family, Dean has

conquered lifes milestones college, employment, marriage, independence, and more. Full of inspiration of anyone whose life is touched by someone with special needs, Just Call Me Dean seeks to help professionals enhance their empathy and skills. Parents of special needs can broaden their expectations for their own children as they learn of Deans accomplishments. Finally, Deans story can help educate the general public about the millions of Americans living with disabilities. Dean challenges us to seek out lifes adventures. Are you up for the challenge?

Lush and Lovely Standards with Orchestra HMH

Streisand: A Biography is much more than the story of the world's greatest living performer, how she got there, and why she remains at the top after three decades, it is also, in Anne Edwards's sure hands, a compelling chronicle of a woman's fight to validate her appearance, her talent, and her right to love and be loved. Time and time again Streisand has demonstrated the ability to reinvent herself to keep pace with the continuing changes in musical taste. This updated edition of Edwards's pioneering biography chronicles her public life as a political activist as well as her private life as Mrs. James Brolin.

Californian Nightmare Hal Leonard Corporation

Economics and the Environment Rowman & Littlefield

Includes information about inaugurations in general and specifically the U.S. presidents' inauguration and various aspects of it, i.e., the oath, the ceremony, and different places the ceremony has been held.

Full Circle Music of the Stars

Jacky Ha-Ha is off to theater camp and funnier than ever in this hilarious illustrated novel from James Patterson and Chris Grabenstein's #1 New York Times bestselling series. Jacky Hart finally knows the

thrill of having people laugh with her (not at her). She tries to put her comedy and theater skills to use in her summer job, but the boardwalk crowds aren't exactly adoring. So Jacky jumps at the opportunity of a lifetime: an all-expense paid trip to theater camp! When Jacky gets to Camp Footlights, she realizes she's way out of her depth. The highly trained campers all seem to know everything about performing, and exactly how to command the spotlight. All Jacky wants is to prove she fits in, but the more she tries, the more she stands out—and not in a good way. With help from her new friends, can Jacky Ha-Ha earn her place in the spotlight...or will she flop? Packed with illustrations, jokes, and hijinks, the latest book in the #1 bestselling Jacky Ha-Ha series delivers a hilarious and heartwarming dose of summer fun, perfect for reading all year round!

The Adventures of Goodnight and Loving Jimmy Patterson

Songs from the 1985 album of the same title; for voice and piano, with chord symbols and guitar chord diagrams.

Great Ideas Teacher's Manual Cherry Lane Music

When George Goodnight, a lawyer on the staff of a London newspaper, finds his marriage has gone sour, his family holiday is cancelled and his car, broken down on the motorway, has been stolen, he walks through a gate in a fence on a summer's day in the middle of England. What he doesn't know, as he takes his first light steps across the sunlit meadows near the tiny village of Somerbourne Magna, is that he is embarking on a course that will take him far away from the country, the surroundings and the way of life he has always known. He is embarking on a journey that will eventually take him to the other side of the world. As in his earlier books, *Arthur McCann* and *All His Women*, *Bare Nell* and *Ormerod's Landing*, Leslie Thomas shows himself to be a master of the sustained narrative novel of adventure and romance as he evokes his hero's fitful progress round

the world. Along the way George has close encounters with storms at sea and in the air; with poverty and despair; with true love and exotic passion. He spends Christmas in prison, encounters a substitute for the son he never had and tracks down a girl who was swapped at birth for some rare stamps. Always he moves on. Sometimes touching, sometimes hilarious, sometimes alarming, the adventures of George Goodnight and his shadowy alter ego, Oliver Loving, represent stages in what is both a quest for excitement and love and a haunting evocation of what happens when a man starts running away from life and can't stop. The descriptions of the cities and villages George travels to and the extraordinary cast of people he encounters are sparkling and authentic. This long, swirling novel, with comedy in its buttonhole and pathos at its heart, is a tour de force and wonderfully enthralling read.

Barbra: Love Is the Answer iUniverse

Ella Fitzgerald was one of America's greatest jazz singers. This volume is as complete a discography of her recorded songs as currently seems possible to compile. This volume also contains a complete discography (1927-1939) for drummer and bandleader Chick Webb, with whom Ella began her recording career in 1935. Part One includes a chronological listing of all known recorded performances of both Chick Webb and Ella. Part Two gives the complete contents of Ella's LPs and CDs, including track listings, titles (with lyricists and composers) and timings. Part Three is an annotated alphabetical listing of all songs contained on all of Fitzgerald's records, with detailed information on each song's composer, lyricist, and history. Reviews of the movies in which Ella appeared and surveys of her career with the Decca, Verve and Pablo music companies are included. The book also has an index of album and CD recordings, and composers, lyricists and musicians.
