When Anna learns that this particular king will only speak to her sister, she begins to question her role in the kingdom. But when she learns that the king's daughter, the adventurous Princess Mari, is frustrated--with her father's overprotective ways--and would dearly love to find something purposeful to

do, Anna is incredibly keen to help Mari to find a job that fits her perfectly! So as both princesses explore the variety of occupations that the kingdom has to offer, Elsa must address the problem in Arendelle's forest with Mari's father--who happens to be the unknowing source of the trouble!
