"This fast-moving,  
enjoyable book shows  
you how to overcome  
every obstacle and  
achieve any goal you  
can set for yourself."

—Brian Tracy, author  
of Eat that Frog! What  
fears and limiting  
beliefs keep you from

achieving the life you  
want? Everyone suffers  
inaction from limiting  
beliefs: "I can't  
possibly do that" or "I  
don't have enough  
(money, time, ability)  
to do that." Unlimiting  
Your Beliefs is the key  
to conquering those  
negative voices you're  
holding onto. Karen  
Brown, business  
psychology coach,  
speaker and ultra-  
athlete, shares proven  
strategies to transform  
your limiting beliefs

and achieve any goal or dream. Unlimiting Your Beliefs is a success manual that puts the seven powerful keys to achievement right at your fingertips so you can make any dream possible for yourself. You already possess the power to achieve anything you desire; unlimit your beliefs to tap into it. After struggling with her own limiting beliefs and fears, Karen discovered her true potential by finishing the most difficult race in the world, the IRONMAN World Championship, accomplishing a goal she'd held for twenty-eight years.
