ALISSON TRUJILLO

The Tiny King Faber & Faber

Horacio Quiroga alcanzó gran repercusión entre la crítica y el público continental. Los cuentos aquí reunidos -aparecidos originalmente en publicaciones porteñas en los años anteriores- dan cuenta de un amplio periodo de su experiencia narrativa y vital: los primeros años en Buenos Aires, el deslumbramiento por la cinematografía, sus proyectos agrícolas en el Chaco, la profunda incursión en Misiones, el regreso a la capital. El relato epónimo es, quizás, uno de los más conocidos de la literatura latinoamericana. A través de sus páginas, quedan patente la admiración y la maravilla que sentía Quiroga por la selva y sus criaturas, al narrar magistralmente el encuentro de Anaconda con la bestia más temible de todas: el hombre

Chronicle of a Death Foretold Vintage

Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez's *In the Time of the Butterflies* is "beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary heroes who had opposed and fought against Trujillo." (Concepción de León, *New York Times*) Alvarez's new novel, *The Cemetery of Untold Stories*, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were

among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows of *Las Mariposas*—the *Butterflies*. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred *Butterflies* live again in this novel of courage and love, and the human costs of political oppression. "Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* winning praise from critics and gracing best-seller lists across the Americas."—Francisco Cantú, *The New York Times* Book Review "This Julia Alvarez classic is a must-read for anyone of Latinx descent." —Popsugar.com "A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion." —People "Shimmering . . . Valuable and necessary." —Los Angeles Times "A magnificent treasure for all cultures and all time." —St. Petersburg Times "Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican

Republic and the very real human cost it entailed."—Cosmopolitan.com

' One day there is life . . . And then, suddenly, it happens there is death.' So begins Paul Auster's moving and personal meditation on fatherhood, *The Invention of Solitude*. The first section, 'Portrait of an Invisible Man', reveals Auster's memories and feelings after the death of his father. In 'The Book of Memory' the perspective shifts to Auster's role as a father. The narrator, 'A.', contemplates his separation from his son, his dying grandfather and the solitary nature of writing and story-telling. With all the keen literary intelligence familiar from *The New York Trilogy* or *Sunset Park*, Paul Auster crafts an intensely intimate work from a ground-breaking combination of introspection, meditation and biography.

Este ebook presenta "Cuentos de amor de locura y de muerte" con un sumario dinámico y detallado. Cuentos de amor de locura y de muerte es un libro de cuentos de Horacio Quiroga publicado en 1917. La primera publicación incluye 18 relatos y en siguientes ediciones el propio autor realiza algunas modificaciones en los cuentos y excluye *Los ojos sombríos*, *El infierno artificial* y *El perro rabioso*. El tema de la muerte resalta en la mayoría de los relatos. Por decisión expresa del autor, el título no lleva coma. Horacio Silvestre Quiroga Forteza (1878 - 1937) fue un cuentista, dramaturgo y poeta uruguayo. Fue el maestro del cuento latinoamericano, de prosa vívida, naturalista y modernista. Sus relatos breves, que a menudo retratan a la naturaleza bajo rasgos temibles y horrorosos, y como enemiga del ser humano, le valieron ser comparado con el estadounidense Edgar Allan Poe.

Anne Frank Vintage

Thirteen year old Anne Frank, with her parents and sister and four other people, went into hiding in the sealed-off building in 1942, when the Nazi invaders intensified their persecution of Jews. For two years they remained safe. In August 1944 they were betrayed. Anne's diary was found, and it reveals her life and her spirit.

Throughout his career, Eduardo Galeano has turned our understanding of history and reality on its head. Isabelle Allende said his works "invade the reader's mind, to persuade him or her to surrender to the charm of his writing and power of his idealism." *Mirrors*, Galeano's most ambitious project since *Memory of Fire*, is an unofficial history of the world seen through history's unseen, unheard, and forgotten. As Galeano notes: "Official history has it that Vasco Núde Balboa was the first man to see, from a summit in Panama, the two oceans at once. Were the people who lived there blind??" Recalling the lives of artists, writers, gods, and visionaries, from the Garden of Eden to twenty-first-century New York, of the black slaves who built the White House and the women erased by men's fears, and told in hundreds of kaleidoscopic vignettes, *Mirrors* is a magic mosaic of our humanity.

[Historia General del Piru](#) Miguel F Breglia

Written by the Mercedarian friar Martín de Murúa, the *Historia general del Piru* (1616) is one of only three extant illustrated manuscripts on the history of Inca and early colonial Peru. This immensely important Andean manuscript is here made available in facsimile, its beautifully calligraphed text reproduced in halftone and its thirty-eight hand-colored images—mostly portraits of Inca kings and queens—in color.

Platero and I Capstone

Feeling lonely in a well-guarded, oversized castle where he eats sumptuous meals he cannot finish alone, rides on a horse that throws him and sleeps poorly at night, a tiny king marries a big

princess and becomes the father of several children who fill his castle with right-sized happiness.

Love in the Time of Cholera (Illustrated Edition) Candlewick Press

NOBEL PRIZE WINNER • From the author of *One Hundred Years of Solitude* comes the gripping story of the murder of a young aristocrat that puts an entire society—not just a pair of murderers—on trial. A man returns to the town where a baffling murder took place 27 years earlier, determined to get to the bottom of the story. Just hours after marrying the beautiful Angela Vicario, everyone agrees, Bayardo San Roman returned his bride in disgrace to her parents. Her distraught family forced her to name her first lover; and her twin brothers announced their intention to murder Santiago Nasar for dishonoring their sister. Yet if everyone knew the murder was going to happen, why did no one intervene to stop it? The more that is learned, the less is understood, as the story races to its inexplicable conclusion.

The Invention of Solitude Anthropos Editorial

""""One of the essential experiences, the greatest perhaps, is Cervantes. . . . Alas! If only we knew with certainty the secret of Cervantes' style, of his manner of approaching things, we would have found out everything.""In *Meditations on Quixote*, Jos Ortega y Gasset presents a powerful case for integrating literature into experience. Through a series of ""essays in intellectual love,"" Ortega explores the aim of philosophy: to carry a given fact (a person, a book, a landscape, an error, a sorrow) by the shortest route to its fullest significance. He then considers how literature, specifically Cervantes, contributes to realizing this aim.Arguing that ""we are all heroes in some measure,"" that ""heroism lies dormant everywhere as a possibility,"" and that ""the will to be oneself is heroism,"" Ortega urges us to integrate the possible into our conception of the real. He presents *Quixote* as a profound book, full of references and allusions to the universal meaning of life, a book that presents with maximum intensity the particular mode of human existence that is peculiarly Spanish. A call to his fellow Spaniards to join him in forging a new Spain, Ortega's *Meditations on Quixote* is also an invitation to his fellow humans to take up the challenge of literature, opening our minds and seeking all-embracing connections with the world and its people."

When Mrs. Seahorse lays her eggs, she does it on Mr. Seahorse's belly! She knows he will take good care of them. While he swims waiting for the eggs to hatch, he meets some other underwater fathers caring for their babies: Mr. Tilapia, who carries his babies in his mouth; Mr. Kurtus, who keeps his on his head; and Mr. Catfish, who is baby-sitting his young hatchlings. Eric Carle has done it again, with astonishingly beautiful collage illustrations and a story that introduces the very young to the wonders of aquatic life . . . and some very special daddies. A "hide and seek" feature with acetate overlays adds a colorful surprise.

The greatest novel of the Mexican Revolution, in a brilliant new translation by an award-winning translator *The Underdogs* is the first great novel about the first great revolution of the twentieth century. Demetrio Macias, a poor, illiterate Indian, must join the rebels to save his family. Courageous and charismatic, he earns a generalship in Pancho Villa's army, only to become discouraged with the cause after it becomes hopelessly factionalized. At once a spare, moving depiction of the limits of political idealism, an authentic representation of Mexico's peasant life, and a timeless portrait of revolution, *The Underdogs* is an iconic novel of the Latin American experience and a powerful novel about the disillusionment of war.

INTERNATIONAL BESTSELLER • Set in eighteenth-century France, the classic novel that provokes a terrifying examination of what happens when one man's indulgence in his greatest passion—his sense of smell—leads to murder. In the slums of eighteenth-century France, the infant Jean-Baptiste Grenouille is born with one sublime gift—an absolute sense of smell. As a boy, he lives to decipher the odors of Paris, and apprentices himself to a prominent perfumer who teaches him the ancient art of mixing precious oils and herbs. But Grenouille's genius is such that he is not satisfied to stop there, and he becomes obsessed with capturing the smells of objects such as brass doorknobs and fresh-cut wood. Then one day he catches a hint of a scent that will drive him on an ever-more-terrifying quest to create the "ultimate perfume"—the scent of a beautiful young virgin. Told with dazzling narrative brilliance, *Perfume* is a hauntingly powerful tale of murder and sensual depravity. Translated from the German by John E. Woods.

One of the twentieth century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes dominate the novel. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race.
