LANE GEMMA

Seeing with Feeling: Film in the Classroom Cambridge University Press

When his parents call off the family vacation and enroll their son in a creative writing class instead, twelve-year-old Steve comes up with a wacky moneymaking project.

Mrs. Doubtfire Penguin

Steve "Sneeze" Wyatt attempts to thwart his parents' plan to have him skip eighth grade, but he has bigger problems when his friends disapprove of his new list and Mrs. "Fierce" Pierce threatens to keep him from the Invention Convention.

101 Ways to Bug Your Parents John Benjamins Publishing Company

Satire is clearly one of today's most controversial socio-cultural topics. In this edited volume, *The Power of Satire*, it is studied for the first time as a dynamic, discursive mode of performance with the power of crossing and contesting cultural boundaries. The

collected essays reflect the fundamental shift from literary satire or straightforward literary rhetoric with a relatively limited societal impact, to satire's multi-mediality in the transnational public space where it can cause intercultural clashes and negotiations on a large scale. An appropriate set of heuristic themes – space, target, rhetoric, media, time – serves as the analytical framework for the investigations and determines the organization of the book as a whole. The contributions, written by an international group of experts with diverse disciplinary backgrounds, manifest academic standards with a balance between theoretical analyses and evaluations on the one hand, and in-depth case studies on the other.

The Language Web Putnam Juvenile

Language is like a vast spider's web. In this volume Jean Aitchison explores the different facets of this web. She begins with the cobweb of false worries which surrounds language. She then discusses how language evolved in the human species, how children acquire it, and how educated English speakers remember 50,000 or more words. Finally, she argues that people are right to be concerned about language, though not in the ways

traditionally assumed. This is the text of the 1996 BBC Reith lectures, slightly revised for publication, with illustrations and full references, and an afterword which looks at the reception of the lectures.

The Power of Satire Thomas Nelson

Searching for a God to Love reaches out to those seeking a new understanding of God--apart from preconception, institutionalized religion, or pre-packaged agenda. Throughout the book, Chris Blake divides the mystery surrounding who God is and reveals the powerful, infinite, and loving relationship God seeks to have with mere mortals. With chapter titles such as "Beyond Mother Nature" and "The World's Greatest Lover," Searching for a God to Love offers a fresh perspective for those seeking a God in whom they can believe.
