The First Conspiracy
Penguin
Join New York Times
bestselling author
Stephen Mansfield as
he dives into the
incredible story of
Abraham Lincoln's
spiritual life and draws
from it a deeper

meaning that's sure to
inspire us all. Abraham
Lincoln is,
undoubtedly, among
the most beloved of all
U.S. presidents. He
helped to abolish
slavery, gave the world
some of its most
memorable speeches,
and redefined the
meaning of America.
He did all of this with
endless wisdom,
compassion, and wit.
Yet, throughout his life,

Lincoln fought with God. In his early years in Illinois, he rejected even the existence of God and became the village atheist. In time, this changed but still, he wrestled with the truth of the Bible, preachers, doctrines, the will of God, the providence of God, and then, finally, God's purposes in the Civil War. Still, on the day he was shot, Lincoln said he longed to go to Jerusalem to walk in the Savior's steps. In this thrilling journey through a largely unknown part of American history, Mansfield traces Lincoln's exploring: Lincoln's lifelong spiritual journey The ways that Lincoln's faith shaped his presidency and beyond How Lincoln's struggle with faith can inspire

modern believers Let Lincoln's Battle with God show you Lincoln's life and legacy in a brand new light. *A Shelter for Sadness* Rodale Books #1 NEW YORK TIMES BESTSELLER More than ONE MILLION copies sold A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post, Bill Gates and Barack Obama as a Best Book of the Year "Wise and wildly entertaining . . . permeated with light, wit, youth." —The New York Times Book Review "A classic that we will read for years to come." —Jenna Bush Hager, Read with Jenna book club "Fantastic. Set in 1954, Towles uses the story of two brothers to show that

our personal journeys are never as linear or predictable as we might hope.” —Bill Gates “A real joyride . . . elegantly constructed and compulsively readable.” —NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is

to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. “Once

again, I was wowed by Towles's writing—especially because *The Lincoln Highway* is so different from *A Gentleman in Moscow* in terms of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero's journeys, including *The Iliad*, *The Odyssey*, *Hamlet*, *Huckleberry Finn*, and *Of Mice and Men*. He seems to be saying that our personal journeys are never as linear or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel." – Bill Gates

Children of the Great Depression

University of Chicago Press
In the tradition of Wills's "Lincoln at Gettysburg, Lincoln's Greatest Speech" combines impeccable scholarship and lively, engaging writing to reveal the full meaning of one of the greatest speeches in the nation's history.

Lincoln's Greatest Speech Wm. B. Eerdmans Publishing
The ideal concise biography of an American icon- now available in paperback for the bicentennial of his birth The self -made man from a log cabin, the great orator, the Emancipator, the Savior of the Union, the martyr-Lincoln's story is at the very heart of American history. But who was he, really? In this outstanding biography, award-

winning author Thomas Keneally follows Lincoln from his impoverished birth through his education and presidency. From the development of his political philosophy to his troubled family life and his actions during the Civil War, Abraham Lincoln is an incisive study of a turning point in our history and a revealing portrait of a pivotal figure. Fantagraphics Books Lincoln is the cornerstone of Gore Vidal's fictional American chronicle, which includes Burr, 1876, Washington, D.C., Empire, and Hollywood. It opens early on a frozen winter morning in 1861, when President-elect Abraham Lincoln slips into Washington, flanked by two bodyguards. The future

president is in disguise, for there is talk of a plot to murder him. During the next four years there will be numerous plots to murder this man who has sworn to unite a disintegrating nation. Isolated in a ramshackle White House in the center of a proslavery city, Lincoln presides over a fragmenting government as Lee's armies beat at the gates. In this profoundly moving novel, a work of epic proportions and intense human sympathy, Lincoln is observed by his loved ones and his rivals. The cast of characters is almost Dickensian: politicians, generals, White House aides, newspapermen, Northern and Southern conspirators, amiably

evil bankers, and a wife slowly going mad. Vidal's portrait of the president is at once intimate and monumental, stark and complex, drawn with the wit, grace, and authority of one of the great historical novelists. With a new Introduction by the author.

Life on the Circuit with Lincoln Little, Brown Spark

The New York Times bestseller "A glistening psychological history, faceted largely by the biographies of eight famous leaders . . ."

—The Boston Globe "A provocative thesis . . . Ghaemi's book deserves high marks for original thinking."

—The Washington Post "Provocative, fascinating."

—Salon.com Historians have long puzzled over

the apparent mental instability of great and terrible leaders alike: Napoleon, Lincoln, Churchill, Hitler, and others. In *A First-Rate Madness*, Nassir Ghaemi, director of the Mood Disorders Program at Tufts Medical Center, offers a myth-shattering exploration of the powerful connections between mental illness and leadership and sets forth a controversial, compelling thesis: The very qualities that mark those with mood disorders also make for the best leaders in times of crisis. From the importance of Lincoln's "depressive realism" to the lackluster leadership of exceedingly sane men as Neville Chamberlain, *A First-Rate Madness* overturns many of our

most cherished perceptions about greatness and the mind.

A. Lincoln Seven Stories Press

A nuanced psychological portrait of Abraham Lincoln that finds his legendary political strengths rooted in his most personal struggles. Giving shape to the deep depression that pervaded Lincoln's adult life, Joshua Wolf Shenk's *Lincoln's Melancholy* reveals how this illness influenced both the President's character and his leadership. Mired in personal suffering as a young man, Lincoln forged a hard path toward mental health. Shenk draws on seven years of research from historical record, interviews with Lincoln

scholars, and contemporary research on depression to understand the nature of Lincoln's unhappiness. In the process, Shenk discovers that the President's coping strategies—among them, a rich sense of humor and a tendency toward quiet reflection—ultimately helped him to lead the nation through its greatest turmoil. A New York Times Book Review Editors' Choice
SELECTED AS A BEST BOOK OF THE YEAR:

"Fresh, fascinating, provocative."—Sanford D. Horwitt, San

Francisco Chronicle
“Some extremely beautiful prose and fine political rhetoric and leaves one feeling close to Lincoln, a considerable accomplishment.”—Andrew Solomon, New York Magazine “A profoundly human and psychologically important examination of the melancholy that so pervaded Lincoln's life.”—Kay Redfield Jamison, Ph.D., author of *An Unquiet Mind On the Brink of Everything* Penguin
Taking place during the most critical period of our nation's birth, *The First Conspiracy* tells a remarkable and previously untold piece of American history that not only reveals George Washington's character, but also illuminates the origins of America's

counterintelligence movement that led to the modern day CIA. In 1776, an elite group of soldiers were handpicked to serve as George Washington's bodyguards. Washington trusted them; relied on them. But unbeknownst to Washington, some of them were part of a treasonous plan. In the months leading up to the Revolutionary War, these traitorous soldiers, along with the Governor of New York, William Tryon, and Mayor David Mathews, launched a deadly plot against the most important member of the military: George Washington himself. This is the story of the secret plot and how it was revealed. It is a story of leaders, liars, counterfeiters, and jailhouse confessors. It

also shows just how hard the battle was for George Washington and how close America was to losing the Revolutionary War. In this historical page-turner, New York Times bestselling author Brad Meltzer teams up with American history writer and documentary television producer, Josh Mensch to unravel the shocking true story behind what has previously been a footnote in the pages of history. Drawing on extensive research, Meltzer and Mensch capture in riveting detail how George Washington not only defeated the most powerful military force in the world, but also uncovered the secret plot against him in the tumultuous days leading up to July 4, 1776. Praise for The

First Conspiracy: "This is American history at its finest, a gripping story of spies, killers, counterfeiters, traitors?and a mysterious prostitute who may or may not have even existed. Anyone with an interest in American history will love this book." —Douglas Preston, #1 bestselling author of The Lost City of the Monkey God "A wonderful book about leadership?and it shows why George Washington and his moral lessons are just as vital today. What a book. You'll love it." —President George H.W. Bush "This is an important book: a fascinating largely unknown chapter of our hazardous beginning, a reminder of why counterintelligence

matters, and a great read.” —President Bill Clinton
Within Our Reach

A New York Times Book
Review Favorite Read
of 2016 “Despair is
always described as
dull,” writes Daphne
Merkin, “when the
truth is that despair
has a light all its own, a
lunar glow, the color of
mottled silver.” This
Close to
Happy—Merkin’s rare,
vividly personal
account of what it feels
like to suffer from
clinical
depression—captures
this strange light.
Daphne Merkin has
been hospitalized three
times: first, in grade
school, for childhood
depression; years later,
after her daughter was
born, for severe
postpartum

depression; and later
still, after her mother
died, for obsessive
suicidal thinking.
Recounting this series
of hospitalizations, as
well as her visits to
myriad therapists and
psychopharmacologists
, Merkin fearlessly
offers what the child
psychiatrist Harold
Koplewicz calls “the
inside view of
navigating a chronic
psychiatric illness to a
realistic outcome.” The
arc of Merkin’s
affliction is lifelong,
beginning in a
childhood largely
bereft of love and
stretching into the
present, where Merkin
lives a high-functioning
life and her depression
is manageable, if not
“cured.” “The opposite
of depression,” she
writes with
characteristic insight,
“is not a state of

unimaginable happiness . . . but a state of relative all-right-ness." In this dark yet vital memoir, Merkin describes not only the harrowing sorrow that she has known all her life, but also her early, redemptive love of reading and gradual emergence as a writer. Written with an acute understanding of the ways in which her condition has evolved as well as affected those around her, *This Close to Happy* is an utterly candid coming-to-terms with an illness that many share but few talk about, one that remains shrouded in stigma. In the words of the distinguished psychologist Carol Gilligan, "It brings a stunningly perceptive voice into the forefront of the conversation

about depression, one that is both reassuring and revelatory."

BESTSELLER Last

Christmas I almost

killed myself. Almost.

I've had a lot of

almosts. Never gone

from almost to deed.

Don't think I ever will.

But it was a bad

almost. *Living Better* is

Alastair Campbell's

honest, moving and life

affirming account of his

lifelong struggle with

depression. It is an

autobiographical,

psychological and

psychiatric study,

which explores his own

childhood, family and

other relationships,

and examines the

impact of his

professional and

political life on himself

and those around him.

But it also lays bare his

relentless quest to understand depression not just through his own life but through different treatments. Every bit as direct and driven, clever and candid as he is, this is a book filled with pain, but also hope -- he examines how his successes have been in part because of rather than despite his mental health problems -- and love. We all know someone with depression. There is barely a family untouched by it. We may be talking about it more than we did, back in the era of 'boys don't cry' - they did you know - and when a brave face or a stiff upper lip or a best foot forward was seen as the only way to go. But we still don't talk about it enough. There is still stigma, and shame,

and taboo. There is still the feeling that admitting to being sad or anxious makes us weak. It took me years, decades even to get to this point, but I passionately believe that the reverse is true and that speaking honestly about our feelings and experiences (whether as a depressive or as the friend or relative of a depressive) is the first and best step on the road to recovery. So that is what I have tried to do here.

An American Marriage

Simon and Schuster

Abe Lincoln is growing

up on the American

frontier in Indiana. It s

cold, there isn t usually

enough to eat, there s

nothing at all to read,

and the one job that awaits him is farmer, like his overbearing father. But a chance to travel down the Mississippi river offers Abe the opportunity to see and meet people he has never dreamed of. Abe's eyes are opened and he can't go back to being the boy he was before. With the help of his friends, Abe will strike out to find his own path. Obstacles wait around every river bend, and the shadow of death is never far, but nothing will stop him from becoming the man he knows he can be. You might think you know the end of his story, but you have no idea what it took to get there. Researched and written by award-winning educator, Jan Jacobi, *Young Lincoln* brings history to life

through a familiar hero who will jump off the page. For ages 12-16. [Better to Live](#) Sourcebooks, Inc. The bestselling approachable guide that has inspired thousands of readers to manage or overcome depression — fully revised and updated for life in the 21st century. Depression rates around the world have skyrocketed in the 20-plus years since Richard O'Connor first published his classic book on living with and overcoming depression. Nearly 40 million American adults suffer from the condition, which affects nearly every aspect of life, from relationships, to job performance, physical health, productivity, and, of course, overall

happiness. And in an increasingly stressful and overwhelming world, it's more important than ever to understand the causes and effects of depression, and what we can do to overcome it. In this fully revised and updated edition — which includes updated information on the power of mindfulness, the relationship between depression and other diseases, the risks and side effects of medication, depression's effect on thinking, and the benefits of exercise — Dr. O'Connor explains that, like heart disease and other physical conditions, depression is fueled by complex and interrelated factors: genetic, biochemical, environmental. But Dr. O'Connor focuses on

an additional factor that is often overlooked: our own habits. Unwittingly we get good at depression. We learn how to hide it, and how to work around it. We may even achieve great things, but with constant struggle rather than satisfaction. Relying on these methods to make it through each day, we deprive ourselves of true recovery, of deep joy and healthy emotion. Undoing Depression teaches us how to replace depressive patterns with a new and more effective set of skills. We already know how to "do" depression—and we can learn how to undo it. With a truly holistic approach that synthesizes the best of the many schools of

thought about this painful disease, and a critical eye toward medications, O'Connor offers new hope—and new life—for sufferers of depression.

Lincoln Legends Farrar, Straus and Giroux

A reassessment of the life of Abraham Lincoln argues that America's sixteenth president suffered from depression and explains how Lincoln used the coping strategies he had developed to face the crises of the Civil War and personal tragedy.

None Forum Books

"James M. McPherson's *Tried by War* is a perfect primer . . . for anyone who wishes to understand the evolution of the president's role as commander in chief. Few historians write as

well as McPherson, and none evoke the sound of battle with greater clarity." —The New York Times Book Review The Pulitzer Prize-winning author reveals how Lincoln won the Civil War and invented the role of commander in chief as we know it As we celebrate the bicentennial of Lincoln's birth, this study by preeminent, bestselling Civil War historian James M. McPherson provides a rare, fresh take on one of the most enigmatic figures in American history. *Tried by War* offers a revelatory (and timely) portrait of leadership during the greatest crisis our nation has ever endured. Suspenseful and inspiring, this is the story of how Lincoln, with almost no

previous military experience before entering the White House, assumed the powers associated with the role of commander in chief, and through his strategic insight and will to fight changed the course of the war and saved the Union.

In Lincoln's Hand SIU Press

Publisher Description

Abraham Lincoln

Houghton Mifflin

Harcourt

This definitive analysis of the Lincoln-Douglas debates is "one of the most influential works of American history and political philosophy ever published (National Review). In *Crisis of the House Divided*, noted conservative scholar and historian Harry V. Jaffa illuminates the political principles that

guided Abraham Lincoln from his reentry into politics in 1854 through his Senate campaign against Stephen Douglas in 1858. Through critical analysis of the Lincoln-Douglas debates, Jaffa demonstrates that Lincoln's political career was grounded in his commitment to constitutionalism, the rule of law, and abolition. A landmark work of American history, it "has shaped the thought of a generation of Abraham Lincoln and Civil War scholars." To mark the fiftieth anniversary of the original publication, Jaffa has provided a new introduction (*Civil War History*). "A searching and provocative analysis of the issues confronted and the ideas

expounded in the great debates...A book which displays such learning and insight that it cannot fail to excite the admiration even of scholars who disagree with its major arguments and conclusions."—D. E. Fehrenbacher, *American Historical Review*

Undoing Depression

John Murray

In the more than 140 years since his death, Abraham Lincoln has become America's most revered president. The mythmaking about this self-made man began early, some of it starting during his campaign for the presidency in 1860. As an American icon, Lincoln has been the subject of speculation and inquiry as authors and researchers have

examined every aspect—personal and professional—of the president's life. In *Lincoln Legends*, noted historian and Lincoln expert Edward Steers Jr. carefully scrutinizes some of the most notorious tall tales and distorted ideas about America's sixteenth president. These inaccuracies and speculations about Lincoln's personal and professional life abound. Did he write his greatest speech on the back of an envelope on the way to Gettysburg? Did Lincoln appear before a congressional committee to defend his wife against charges of treason? Was he an illegitimate child? Did Lincoln have romantic encounters with women other than his wife? Did he have

love affairs with men? What really happened in the weeks leading up to April 14, 1865, and in the aftermath of Lincoln's tragic assassination? Lincoln Legends evaluates the evidence on all sides of the many heated debates about the Great Emancipator. Not only does Steers weigh the merits of all relevant arguments and interpretations, but he also traces the often fascinating evolution of flawed theories about Lincoln and uncovers the motivations of the individuals—occasionally sincere but more often cynical, self-serving, and nefarious—who are responsible for their dispersal. Based on extensive primary research, the conclusions in Lincoln

Legends will settle many of the enduring questions and persistent myths about Lincoln's life once and for all. Steers leaves us with a clearer image of Abraham Lincoln as a man, as an exceptionally effective president, and as a deserving recipient of the nation's admiration.

The Lincoln Highway
JHU Press

"Abraham Lincoln was the first president consistently to make storytelling and laughter tools of office. This book shows how his uses of humor evolved to fit changing personal circumstances, and explores its versatility, range of expressions, and multiple sources"--
Lincoln's Sense of Humor Houghton Mifflin Harcourt

“This impassioned book invites readers to the deep end of life where authentic soul work and human transformation become pressing concerns.”
 —Publishers Weekly
 2019 Independent Publisher Book Awards Gold Medalist in the Aging/Death & Dying Category From bestselling author Parker J. Palmer comes a brave and beautiful book for all who want to age reflectively, seeking new insights and life-giving ways to engage in the world. “Age itself,” he says, “is no excuse to wade in the shallows. It’s a reason to dive deep and take creative risks.” Looking back on eight decades of life—and on his work as a writer, teacher, and activist—Palmer explores what he’s

learning about self and world, inviting readers to explore their own experience. In prose and poetry—and three downloadable songs written for the book by the gifted Carrie Newcomer—he meditates on the meanings of life, past, present, and future. With compassion and chutzpah, gravitas and levity, Palmer writes about cultivating a vital inner and outer life, finding meaning in suffering and joy, and forming friendships across the generations that bring new life to young and old alike. “This book is a companion for not merely surviving a fractured world, but embodying—like Parker—the fiercely honest and gracious wholeness that is ours to claim at every stage

of life.” —Krista
Tippett, New York
