 Six Disciplines Corporation is dedicated to helping small businesses achieve and sustain success. Six Disciplines for Excellence provides six fundamental business principles that are specifically designed to help small businesses move beyond momentary success to attain enduring excellence. This book is not for those who are looking for a quick fix. Six Disciplines for Excellence is a long-term fitness program, not a fad diet. In Six Disciplines for Excellence, you will find:
 Information on creating a unique mission statement. Ways to deal with internal and external factors (such as equipment failure or an unfavorable stock market) that

affect your business. Helpful charts, checklists, hints, tips, and graphs .
 Techniques to sustain the success you have worked hard to achieve

It was the 50s and life was simple, until September 25, 1954. That was the night that would be etched in the memory of the citizens of Stanfield, Massachusetts. The Chief of Police described the brutal savagery of the double homicide as "the most atrocious crime in the history of the city." A fourteen-year-old girl, and the four-year-old boy in her care were murdered at the hands of a deranged, depraved killer. *A Thread of Evidence* places the reader at the scene of the crime, an eye witness to the senseless stabbing of two innocent children. With a piece of crochet thread as their only clue, the entire police department, lead by detectives Steven Logan and Raymond Gage, scour the city in search of a maniacal savage. When all tips and leads have been exhausted, they review all evidence. They come back to the thread.

The only real evidence. With tenacity and perseverance of Logan and Gage the killer is apprehended. The reader experiences the twists and turns of the investigation, and ultimately occupies a reserved seat in the Superior Court as the trial proceedings commence. *A Thread of Evidence* has been written as fiction, but inspired by an actual event. Fifty years later, it remains etched in the minds of all who had lived in the area. The author has researched court records, newspapers, interviewed neighbors, police and has drawn on personal recollections of the crime. The story has been recounted over and over and to this day, it continues to be discussed. *A Thread of Evidence* is a compelling account of superb detective work, and unprecedented dedication of an entire police department.

A Little Handbook for Volunteers: Lessons I Learned from Sister Gwendolyn is based on the wisdom Dr. Freund has gained from more than 30 years working on volunteer boards. Through a series of cases, she explains the ten most important lessons she has learned as a board member and from her beloved mentor, Sister Gwendolyn ? from the failure of a board to define its purpose to resolving conflicts among its members. The book was inspired by many frustrated volunteers who want to contribute their time and energy to a cause they believe in but find the politics and dysfunction of boards more than they can handle. If you've ever asked, "What did I get myself into? Or "Are we having fun yet?" then you need to read this *Little Handbook for Volunteers*. Dr. Freund includes many "how to" suggestions and problem-solving strategies for volunteer boards in dire need of hearing her important message: Run your volunteer boards the right way or risk losing the gifts they bring. Anyone considering volunteering for a board or currently serving on one will benefit from Dr. Freund's experience, sense of humor, and advice.

Project Management is fast becoming one of the most sought-after skills across industries and job functions. Many professionals are attracted to project management as a career choice. Knowing how to implement a tried and tested approach the complements all popular methodologies such as PRINCE2, Agile and the PMI's PMBOK, is essential for all project managers. Based on Emanuela's internationally best-selling course "Practical Project Management", this book

condenses best practice project management methods into a practical and useful guide. Learn from her real-world experience and get started on your projects with a comprehensive set of tools and templates covering the entire project life cycle. Armed with the benefits of the various methods and tools, you should be able to convince colleagues of their importance to deliver projects successfully. If you aim to complete a project qualification such as PRINCE2 or the PMI's PMP, this book is highly recommended as pre-reading to first understand all key project management concepts and their practical implementation. This book introduces you to the concept of project management and walks you through the full project life cycle. It follows a logical thinking approach and provides worked examples. If you follow Emanuela's teaching in this book, you will be equipped to deliver projects more confidently, professionally and successfully. You will learn how to adapt the approach to different types of projects in terms of their nature and complexity. Templates in this book include a: · Project Brief · Project Business Case · Project Plan · Governance Structure · Responsibility Matrix · Risks Management Log · Stakeholder Mapping · Project Communication Plan · Project Actions Tracker and Gantt Chart · Task Dependency Mapping · Budget Breakdown and Tracker · Kick-Off Meeting Agenda · Scope Change Management Log · Issues Management Log · Status Report · Benefits Realisation Review · Lesson Learnt Log · Project Manager Skills Self-Assessment EMANUELA is a performance improvement consultant with over 20 years' experience in project management. She has trained over 5,000 people on the subject around the world and understands how to explain complex topics simply. Whether training in-person or virtually, she engages individuals and teams with energy, enthusiasm, and passion for continuous improvement. Emanuela's books are all practical, relevant and useful.
