Depuis bientôt deux
décennies, la haine et la
vengeance coulent dans
les veines de Wolfgang, le

président des
Drachenblut, un clan de
bikers de la belle ville de
Jever, en Allemagne. Alors
qu'il avait pris l'habitude
de se rendre dans un
motel tous les lundis pour
y profiter de la sensuelle
compagnie de Sky, une
inconnue dont il ne
connaissait que les
courbes et le charme,
tous ses desseins se
retrouvent bouleversés

lorsqu'il apprend que
cette même fille est la
régulière de Falko. Ce
dernier est le président du
club très influent des
Stahlgriff, et Wolfgang est
sur le point de concrétiser
son projet de s'allier avec
lui. Rien ne se mettra en
travers de son chemin
pour accomplir la
vengeance qui le hante
tant. Mais pour ce faire, il
doit dire adieu à cette

femme téméraire et impétueuse qui lui fait tourner la tête comme aucune autre auparavant... Ce livre est une dark romance qui n'entre pas dans les codes de la romance classique : romance y rime avec violence, et certaines scènes peuvent surprendre les lectrices non averties

Dragon and the Princess

Harlequin

Who would have thought a human would remind

him how to care? Forget about the big bad wolf. Tomas is a dragon and he eats other predators for breakfast. After his restful sojourn in a dungeon, he's ready for action and love. A pity the doctor he kidnaps isn't on board with his plan of seduction. Chandra couldn't say what's more fascinating, the man or the beast, but she won't deny she's attracted to him, and not just because he's got a nice hoard. After spending her life fighting against a domineering family, she's more than ready to go toe

to claw with the dragon who wants her. Mating is in the cards if they can survive the machinations of the forces working against them. Note: While this series is more fun read in order, each book can stand alone and follows one couple to their Happily-Ever-After.

 I'm not the girl I used to be, and the world is no longer as it was. The magic I possess-the magic I'm quickly mastering-it can destroy whole cities. Start wars. Change the tides of a battle. As the

dragon vessel, pretty much everyone wants me either locked up or dead. Out of the shadows comes a new threat-a fighter who reminds me a little too much of my mentor. He wants to take my old place at Zurie's side. And the only way he can get it, apparently, is to kill me. Dragons and humans alike just won't leave me alone. In the end, that's going to be their fatal mistake. Because I don't go down quietly. Those who come after me die early deaths, and none of these fools will take my

magic-or my beautiful newfound freedom-from me. Blood of Dragons is a full-length novel with a badass heroine, a riveting storyline, and an alternative relationship dynamic. Get ready for a heart-pounding story filled with a dragon shifter romance unlike anything you've read before. Buckle in for heart-pounding action, breathtaking magic, deadly assassins, four drop-dead gorgeous leading men, a reverse harem romance, lots of toned muscles, and most

importantly-a young woman's journey of justice, self-discovery, and freedom. Piece of Dragon: A Fantasy Romance BMR Dragon shifter CEO Malachite "Mal" Onyx doesn't have time for relationships. But the domineering billionaire has no choice - either marry a human female

and produce dragonlets or return to his home planet Draconis and take the claw of Empress Horribus. Where can he find a willing bride? Preferably one who is lush and curvy, with soft brown hair and sparkling green eyes, and who makes his soul light on fire. Like that shy, secretive intern, Cheryl... Drooling over smoking hot dragon shifters under the pretense of drawing them is a definite perk of Cheryl's graphic design internship. Especially the hard-bodied CEO, who's as ripped as Superman

and flies, too. But when her next "duties as assigned" turn out to be marrying him, she has to think hard before turning Mal down. There's something sweetly endearing about his impossible demands, and the toe-curling kisses offer their own irresistible enticement... This is a complete novel with steamy love scenes, fiery tempers, and a happy ending. A dragon male has never dared to turn down the Empress. The entire universe is about to be rocked by a shy, curvy

female from a backwater little planet named Earth! Novels continue the story
of Deborah's dragon
shape shifting heroes
called the Pyr. Each book
is a romance in which a
dragon shifter meets his
destined mate—in
DragonFate, those
heroines have powers of
their own. Maeve's Book

of Beasts is a prequel to DragonFate that introduces both Maeve's evil plan to eliminate paranormal species from the world (including the Pyr) and the cast of characters assembling to defeat her. In it, you'll meet Sebastian, a vampire who has escaped Maeve and is building the team to destroy her, and Sylvia, the mortal librarian he chooses to hide the ancient volume stolen from Maeve. Sebastian gets more than he expects from Sylvia—never mind that

Maeve wants her book back—and Sebastian's slow-burn romance with Sylvia will arc over the entire series. The other slow burn romance in this series features Mel, an immortal fae who needs to find true love to break the curse placed upon her. She's haunted by her late husband, Raymond, who betrayed her but wants to make it right. You can read Mel and Raymond's story, a romance that doesn't end happily and a retelling of a medieval French fairy tale, in Claire Delacroix's

An Elegy for Melusine. The DragonFate series so far:

1. Maeve's Book of Beasts
 2. Dragon's Kiss (dragon shifter Kristofer and Valkyrie Bree)
 3. Dragon's Heart (dragon shifter Rhys and selkie Lila)
 4. Dragon's Mate (dragon shifter Hadrian and swan maiden Rania)
 5. Dragon's Wolf (dragon shifter Arach and wolf shifter Wynter) - May 2022 ***
- The Pyr first appeared in Deborah's Dragonfire series of paranormal romances, which is complete with 14 works and a world guide:
1. Kiss of Fire (Quinn and

Sara) 2. Kiss of Fury (Donovan and Alex) 3. Kiss of Fate (Erik and Eileen) 4. Winter Kiss (Delaney and Ginger) 5. Harmonia's Kiss (a short story about the Dragon's Tooth Warriors) 6. Whisper Kiss (Niall and Rox) 7. Darkfire Kiss (Rafferty and Melissa) 8. Flashfire (Lorenzo and Cassie) 9. Ember's Kiss (Brandon and Liz) 10. Kiss of Danger (a Dragon Legion novella featuring Alexander and Katina) 11. Kiss of Darkness (a Dragon Legion novella featuring Damien and

Petra) 12. Kiss of Destiny (a Dragon Legion novella featuring Thad and Aura) 13. Serpent's Kiss (Thorolf and Chandra) 14. A. Aiken, Genevieve Jack Ann Gimpel Books, LLC How St. George became the patron saint of

England has always been a subject of speculation. He was not English, nor was his principal shrine there - the usual criteria for national patronage ; yet his status and fame came to eclipse that of all other saints. Edward III's use of the saint in his wars against the French established him as a patron and protector of the king ; unlike other saints George was adopted by the English to signify membership of the "community of the realm". This book traces the origins and growth of the

cult of St. George, arguing that, especially after Edward's death, George came to represent a "good" politics (deriving from Edward's prosecution of a war with spoils for everyone) and could be used to rebuke subsequent kings for their poor governance. Most medieval kings came to understand this fact, and venerated St. George in order to prove their worthiness to hold their office. The political dimension of the cult never completely displaced the devotional

one, but it was so strong that St. George survived the Reformation as a national symbol - one that continues in importance in the recovery of a specifically English identity.

you ever wonder why?

for everyone who fell in love with the Dragon Lore Series. When pressed, Jonathan Shea admits magic runs through his blood, but he's always been ambivalent about it—until a dragon and her mage show up in the Scottish Highlands, and then all bets are off. Jonathan's charmed and captivated by the dragon—a creature fresh out of myth and legend—but the woman bonded to it is so enticing, he tosses caution aside and catapults into the magical power he's

avoided for so long. Britta and her dragon prepare for a battle to save Earth. Freshly transplanted from a much earlier time, she feels awkward, out of place. The first person she lays eyes on is Jonathan. There's something about him. She can't quite pinpoint it, but he has way more magic than he lets on. Magic aside, it runs deeper than that. For the first time ever, she questions the wisdom of remaining a maid. If she doesn't make up her mind damned fast, though, her choices will fritter away.

Beset from every side, she's never needed her magical ability more. Surrounded by dragon shifters, Celtic gods, Selkies, time travel, and a heaping portion of magic, Jonathan comes into his own fast. Fell creatures target him, Britta, and her dragon. In the midst of chaos, he and Britta find scorching passion and love so heartbreakingly tender, it will change their lives forever. Dragon S. M. Boyce

A standalone polyamorous fantasy romance, set in a mortal realm through which the fey lands pass. After Mereni is conquered by a vicious dragon, Mereni's king-in-exile is willing to do anything to save his kingdom. Including promising half of it, as well as the hand of his daughter, Princess Cherish, to whomsoever stops the cruel beast. With luck, he reasons, one or more of the neighboring kingdoms will come to their aid, and some eligible prince will

claim his daughter as bride. Perhaps even some palatable individual, like the handsome Prince Eclipse, who is already on friendly terms with Cherish. It does not occur to Cherish's father that she might have her own ideas about whom she should marry -- -- Or that the best individual to stop a dragon is, of course, another dragon.
