Robert Hale  
seventy yards  
distant. The  
first bullet  
knocked up a  
cloud of dust  
about three  
feet to his  
right and a  
little ahead,  
the second  
was still  
worse, but at

the third he turned sideways, staggered on several paces, and fell among some loose rocks in a way that must have been unpleasant. He tried to get up again, but I now had his range pretty well and hit him again with the sixth shot; after that he lay pretty quiet, although I thought I saw him move his arm once or twice. I reloaded, having plenty of cartridges in my belt, and began

shooting at him again. This time I hit him three times out of six shots, and as he had not moved for some minutes I concluded that he was dead...FROM THE BOOKS. Montezuma's Missing Treasure Potomac Books, Inc. Places Aztec civilization and history in the context of world history Montezuma (ca. 1466-1520), who had been educated as a priest and had served well as a military commander,

ascended to the Aztec throne in about 1502 on the basis of his military record and reputation for piety. As Peter G. Tsouras demonstrates, almost immediately Montezuma transformed himself from a man of good judgment to a pitiless autocrat. He killed indiscriminately at home and waged wars of conquest against his neighbors, adding territory in contemporary Honduras and Nicaragua to

his empire. In 1519, Hernán Cortés arrived in Mexico at the head of a Spanish expedition. Montezuma believed the invaders to be gods fulfilling the prophecy that the god Quetzalcoatl would return. He failed to resist and cautiously offered gifts. As a result, Cortés and the conquistadors marched on the capital and seized Montezuma. The monarch fell, surrendering his power, wealth, and even the

sovereignty of his people, almost gladly. He became a puppet of the Spaniards and finally allied himself in battle against his own people. When the emperor's brother at last led an uprising, the ungrateful Spaniards killed Montezuma. Against the backdrop of ancient Mexico's rich cultural heritage, Tsouras captures the tragedy that befell Mexico during Montezuma's reign.

*All Adventure*  
Weidenfeld & Nicolson  
Presents an overview of Montezuma's life as well as his influence on history and the world.

Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the

aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. **Montezuma's Daughter** CreateSpace This book is one of the classic book of

all time. Montezuma's Daughter. [With Illustrations.] - Scholar's Choice Edition Nabu Press The ninth Aztec emperor, Montezuma was a leader and army commander who is known for his eventual defeat at the hands of Hernán Cortés. Students will gain a greater knowledge of the Aztec Empire, learn about the successes and failures of Montezuma's reign, and

explore how he came into power, how he was defeated, and finally, the repercussions of his defeat. The Lost Diary of Pocahontas Createspace Independent Publishing Platform Montezuma's Daughter, first published in 1893, is a novel written the Victorian adventure writer H. Rider Haggard. A Boy Named Beckoning Forgotten Books Unlike some other reproductions of classic texts (1) We have

not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel

they deserve to be made available for future generations to enjoy. Montezuma's Daughter IndyPublish.com Published to accompany Wall-to-Wall's thrilling, live-action TV series Ancient Egyptians, this entertaining book vividly brings to life the stories of five fascinating people who lived in Egypt over 2,000 years ago, as recorded on original papyrus documents or etched in

stone. The individuals whose lives are so vividly recounted include the royal sculptor Thutmose, who even today is remembered as creator of one of the best known pieces of ancient Egyptian art - the plaster bust of Nefertiti, the heretic pharaoh Akhenaton's beautiful queen. Then there is Wenamun, the priest who set out on an heroic adventure down the Nile

in search of materials to build a sacred barge to the god Amun. His life is graphically described in the autobiography inscribed on his tomb which outlines his thrilling voyage and the trading links and lands through which he travelled. The tale of the young weaver Nakht tells of a short and tragic life. By the time he died aged fifteen, Nakht had suffered both hunger and hard labour. He

even had traces of a red powder deep in his lungs - granite - a sure sign of a cruel punishment meted out to him for some minor misdemeanor. Yet there were those that loved him, for his remains show that he had been carefully washed, his face shaved and his nails trimmed before being placed in his final resting place, a wooden coffin that would have cost more than a month's

<p>wages. Other tales include those of Weni the palace official, who uncovered a plot to kill the king, and Pharaoh Nectanebo II, last of the Egyptian pharaohs, who sought to protect his realm through magical ritual.</p> <p><b>Montezuma</b> Carolrhoda Books "Taken from the despatches of Cortes and the narrative of Bernal Diaz, himself a participant in the war of the conquest."-- Preface. <u>Montezuma</u></p>	<p>Made in England for the Oxford Society Montreal by G.G. Harrap This story reveals the remarkable life of a Native American boy named Wassaja, or "Beckoning," who was kidnapped from his Yavapai tribe and sold as a slave. Adopted by an Italian photographer in 1871 and renamed Carlos Montezuma, the young boy traveled throughout the Old West, bearing</p>	<p>witness to the prejudice against and poor treatment of Native Americans. Carlos eventually became a doctor and leader for his people, calling out for their rights. Gina Capaldi's exquisite paintings bring to life excerpts from Dr. Carlos Montezuma's own letters describing his childhood experiences. The culminating portrait provides an inventive look back into</p>
---	---	--

history through the eyes of a Native American hero.	who allows revenge to devour his life, so he misses all the blessings that God gives him on his way. It is surprising how well the plot is built and how the author	managed to ensure that the story does not lose its relevance over time. Readers will plunge into the stunning world of adventure and fiction by Rider Haggard!
