This anthology  
shows the  
influences of  
Western  
literature and  
the Western  
literary  
traditions,

especially as they exist in world literature written in English. It contains stories and poems dealing with South Asian American experiences and presents the evocative themes of love, loss, and exile.

Chappie Puttbutt has moved to North Oakland, still a mixed neighborhood in a rapidly gentrifying city. In need of money and a boost in profile, he agrees to a series of public debates with the right-wing Indian intellectual Shashi Parmar on the topic, 'Was Slavery All That Bad'? Content to be paid to play the foil, Chappie's new job doesn't last long however. An overseas plane crash

ignites political tensions between the US and India, and when a hysterical Congress passes a Fugitive Indian Law soon afterward, Shashi looks to Chappie for refuge.

The Essays Pay A Discerning Attention To American Poetry, Fiction And Drama With Special Consideration</p>	<p>Of Afro-American Writers. <i>Indian Books</i> Cambridge University Press</p> <p>The uncertainty of ones life and the inevitability of death is a dilemma that has tormented the human mind in all ages. One way of resolving the conundrum has been to imagine, if not firmly believe, that the individual self is immortal and deathless, notwithstanding the fact that the physical body</p>
---	---	---

must perish. If nothing, it weans one away from the fear of death towards an earnest hope in a blissful afterlife. Living in Death is a scholarly critique on the death poetry of Emily Dickinson and T. S. Eliot. By deftly comparing their styles, diction, and motifs, Dr. T. D. Peter unravels the beauty of contemplating and courting the compelling presence of death as an unshakeable ontological

reality. The author looks through the mirror of the death poetry of two signature poets of the nineteenth and twentieth centuries—the former, an inimitable and indwelling poetic genius who defies classification and transcends time and trends; the latter, a trail-blazing and celebrated scion of modern classical poetry who impresses with his erudition and edification,

imagism, and symbolism. He finds more by way of contrast than similarity in their strikingly opposite life lines and, no less, to their varying allegiance to faith and reason, religion and spirituality.

 A Short History of English Literature is a comprehensive survey, in chronological fashion, of the major periods, authors and movements

<p>from Chaucer to the present. Written for undergraduate and postgraduate students in South Asian universities, this History locates authors, genres and developments within their social, political and historical contexts. Informed by contemporary literary and cultural theory, this account also prepares the student for further explorations in particular genres and periods in English</p>	<p>literature. Key Features â€¢ A timeline and backgrounds chapter in each section to locate texts and writers in their social and political contexts â€¢ Additional information in boxes to draw attention to crucial 'moments' in the story of English literature â€¢ A revisionist reading of each period from new perspectives including feminism, new historicism and postcolonialism â€¢ An up-to-date</p>	<p>bibliography and weblibliography to guide students to further specialized readings and introduce them to indispensable online resources â€¢ A detailed index of writers and their writings for easy reference and accessibility <i>The American Folklore Newsletter</i> History of American Literature Indian Views on American Literature The Book Presents Critical Response Of</p>
