Incidents in the Life of a Slave Girl Penguin
In the fall of 1862 Julia Wilbur left her family's farm near Rochester, New York, and boarded a train to Washington DC. As an ardent abolitionist, the forty-seven-year-old Wilbur left a sad but stable life, headed toward the chaos of the Civil War, and spent most of the next several years in Alexandria devising ways to aid recently escaped slaves and hospitalized Union

soldiers. A Civil Life in an Uncivil Time shapes Wilbur's diaries and other primary sources into a historical narrative sending the reader back 150 years to understand a woman who was alternately brave, self-pitying, foresighted, petty—and all too human. Paula Tarnapol Whitacre describes Wilbur's experiences against the backdrop of Alexandria, Virginia, a southern town held by the Union from 1861 to 1865; of Washington DC, where Wilbur became active in the women's suffrage movement and lived until her death in 1895; and of Rochester, New York, a hotbed of social

reform and home to Wilbur's acquaintances Frederick Douglass and Susan B. Anthony. In this second chapter of her life, Wilbur persisted in two things: improving conditions for African Americans who had escaped from slavery and creating a meaningful life for herself. A Civil Life in an Uncivil Time is the captivating story of a woman who remade herself at midlife during a period of massive social upheaval and change. *Incidents in the Life of a Slave Girl* UNC Press Books
Harriet Jacobs' narrative of a life as a slave

girl is unabridged, and contains an additional annotation at the start of the book. This section aims to give the reader an historical context, and contains a brief History of Slavery in America, and the Abolishment of Slavery. This will help set the stage for Harriet Ann Jacobs autobiography that is to follow: "I am aware that some of my adventures may seem incredible; but they are, nevertheless, strictly true. I have not exaggerated the wrongs inflicted by Slavery; on the contrary, my descriptions fall far short of the facts. I have concealed the names of places, and given persons fictitious names. I had no motive for secrecy on my own account, but I deemed it kind and considerate towards others to pursue this course. When I first arrived in Philadelphia, Bishop Paine advised me to publish a sketch of my life, but I told him I was altogether incompetent to such an undertaking. Though I have improved my mind somewhat since that time, I still remain of the same opinion; but I trust my motives will excuse what might otherwise seem presumptuous. I have not written my experiences in order to attract attention to myself; on the contrary, it would have

been more pleasant to me to have been silent about my own history. I want to add my testimony to that of abler pens to convince the people of the Free States what Slavery really is. Only by experience can any one realize how deep, and dark, and foul is that pit of abominations. May the blessing of God rest on this imperfect effort in behalf of my persecuted people!" --Linda Brent (Pseudonym used by Harriet Ann Jacobs)

Harriet Ann Jacobs (February 11, 1813 - March 7, 1897) was an American writer, who escaped from the horrors of slavery and became an abolitionist speaker and reformer. Jacobs' single work, *Incidents in the Life of a Slave Girl*, published in 1861 under the pseudonym Linda Brent, was one of the first autobiographical narratives about the struggle for freedom by female slaves and an account of the sexual harassment and abuse they endured.

Incidents in the Life of a Slave Girl is an autobiography by a young mother and fugitive slave published in 1861 by L. Maria Child, who edited the book for its author, Harriet Ann Jacobs. Jacobs used the pseudonym Linda Brent. The book documents Jacobs' life as a slave and how she gained freedom for herself and for her children. Jacobs contributed to the genre of slave narrative by using the techniques of sentimental novels "to address race and gender issues." She explores the struggles and sexual abuse that female slaves faced on plantations as well as their efforts to practice motherhood and protect their children when their children might be sold away. Jacobs' book is addressed to white women in the North who do not fully comprehend the evils of slavery. She makes direct appeals to their humanity to expand their knowledge and influence their thoughts about slavery as an institution. Jacobs began composing

Incidents in the Life of a Slave Girl after her escape to New York, while living and working at Idlewild, the Hudson River home of writer and publisher Nathaniel Parker Willis. Portions of her journals were published in serial form in the New-York Tribune, owned and edited by Horace Greeley. Jacobs' reports of sexual abuse were deemed too shocking for the average newspaper reader of the day, and publication ceased before the completion of the narrative. Boston publishing house Phillips and Samson agreed to print the work in book form if Jacobs could convince Willis or abolitionist author Harriet Beecher Stowe to provide a preface. She refused to ask Willis for help and Stowe never responded to her request. The Phillips and Samson company closed. Jacobs eventually signed an agreement with the Thayer & Eldridge publishing house, and they requested a preface by abolitionist Lydia Maria Child, who agreed. Child also edited the book, and the company introduced her to Jacobs. The two women remained in contact for much of their remaining lives. Thayer & Eldridge, however, declared bankruptcy before the narrative could be published.

A Civil Life in an Uncivil Time Hill and Wang

There is a superstition that if an emptied theater is ever left completely dark, a ghost will take up residence. To prevent this, a single "ghost light" is left burning at center stage after the audience and all of the actors and musicians have gone home. Frank Rich's eloquent and moving boyhood memoir reveals how theater itself became a ghost light and a beacon of security for a child finding his way in a tumultuous world. Rich grew up in the

small-townish Washington, D.C., of the 1950s and early '60s, a place where conformity seemed the key to happiness for a young boy who always felt different. When Rich was seven years old, his parents separated--at a time when divorce was still tantamount to scandal--and thereafter he and his younger sister were labeled "children from a broken home." Bouncing from school to school and increasingly lonely, Rich became terrified of the dark and the uncertainty of his future. But there was one thing in his life that made him sublimely happy: the Broadway theater. Rich's parents were avid theatergoers, and in happier times they would listen to the brand-new recordings of South Pacific, Damn Yankees, and The Pajama Game over and over in their living room. When his mother's remarriage brought about turbulent changes, Rich took refuge in these same records, re-creating the shows in his imagination, scene by scene. He started collecting Playbills, studied fanatically the theater listings in The New York Times and Variety, and cut out ads to create his own miniature marquees. He never imagined that one day he would be

the Times's chief theater critic. Eventually Rich found a second home at Washington's National Theatre, where as a teenager he was a ticket-taker and was introduced not only to the backstage magic he had dreamed of for so long but to a real-life cast of charismatic and eccentric players who would become his mentors and friends. With humor and eloquence, Rich tells the triumphant story of how the aspirations of a stagestruck young boy became a lifeline, propelling him toward the itinerant family of theater, whose romantic denizens welcomed him into the colorful fringes of Broadway during its last glamorous era. Every once in a while, a grand spectacle comes along that introduces its audiences to characters and scenes that will resound in their memories long after the curtain has gone down. Ghost Light, Frank Rich's beautifully crafted childhood memoir, is just such an event.

W. E. B. Du Bois's seminal treatise on the African American experience The problem of the Twentieth Century is the problem of the color line. W. E. B. Du Bois was arguably the most progressive African

American leader of the early twentieth century, and this collection of essays is his masterpiece. An examination of the black experience in America following emancipation, and an introduction to the historic concept of "double-consciousness" as it pertains to that experience, The Souls of Black Folk is an extraordinary literary achievement—a provocative, profound, and courageous clarion call. "Incidents in the Life of a Slave Girl" was one of the first books to address the struggle for freedom by female slaves; explore their struggles with sexual harassment and abuse; and their effort to protect their roles as women and mothers. After being overshadowed by the Civil War, the novel was rediscovered in the late 20th century and since then hasn't been out of print ever. It is one of the seminal books written on the theme of slavery from a woman's point of view and appreciated worldwide academically as well. Harriet Jacobs (1813-1897) was an

African-American writer who was formerly a fugitive slave. To save her family and her own identity from being found out, she used the pseudonym of Linda Brent and wrote secretly during the night.

Although millions of African American women were held in bondage over the 250 years that slavery was legal in the United States, Harriet Jacobs (1813-97) is the only one known to have left papers testifying to her life. Her autobiography, *Incidents in the Life of a Slave Girl*, holds a central place in the canon of American literature as the most important slave narrative by an African American woman. Born in Edenton, North Carolina, Jacobs escaped from her owner in her mid-twenties and hid in the cramped attic crawlspace of her grandmother's house for seven years before making her way north as a fugitive slave. In Rochester, New York, she became an active abolitionist, working with all of the major abolitionists, feminists, and literary figures of her day, including Frederick Douglass, Lydia Maria Child, Amy Post, William Lloyd Garrison, Susan B. Anthony, Harriet Beecher Stowe, Fanny Fern, William C. Nell, Charlotte Forten Grimke, and Nathan Parker Willis. Jean Fagan Yellin has devoted much of her professional life to illuminating the remarkable life of Harriet Jacobs. Over three decades of painstaking research, Yellin has discovered more than 900

primary source documents, approximately 300 of which are now collected in two volumes. These letters and papers written by, for, and about Jacobs and her activist brother and daughter provide for the thousands of readers of *Incidents*--from scholars to schoolchildren--access to the rich historical context of Jacobs's struggles against slavery, racism, and sexism beyond what she reveals in her pseudonymous narrative. Accompanied by a CD containing a searchable PDF file of the entire contents, this collection is a crucial launching point for future scholarship on Jacobs's life and times. In this volume, Jennifer Fleischner examines the first- and best-known female account of life under, and escape from, slavery — Harriet Jacobs' autobiography. In her introduction, Fleischner shows how Jacobs used the written word to liberate herself and promote the end of slavery by carefully discussing her sexual exploitation as a slave in ways that would inspire sympathy in — and not offend — her Victorian white, middle-class, female

audience. An updated introduction explores Jacobs' personal struggles with religion and violent resistance, and connects her narrative to the broader history of the anti-slavery movement in the United States. The rich collection of related documents that accompany Jacobs' complete narrative features three new sources, including the will of Jacobs' owner Margaret Horniblow, the abolitionist emblem, and the original title page of *Incidents in the Life of a Slave Girl*. Updated document head notes, chronology, questions for consideration, selected bibliography, and index provide students with a valuable framework for understanding this period in United States history. This Prestwick House Literary Touchstone Classic includes a glossary and reader's notes to help the modern reader appreciate Jacobs' perspectives and language. DRIVEN BY THE HORRORS of slavery and fear of a predatory master, Harriet Jacobs, a young black woman, makes the fateful, life-altering decision to escape. Long thought to be the work of a

white writer, *Incidents in the Life of a Slave Girl* is the captivating and terrifying story of Jacobs' daily life on a plantation in North Carolina, her seven years of hiding, and her ultimate triumph. Jacobs wrote her autobiography in 1861, under a pseudonym to protect the lives of the friends and family she left behind, and the work had been essentially lost until the mid-twentieth century. Now recognized as a classic, unflinching portrait of slave life, *Incidents* exposes slavery on a level comparable only to that of *Narrative of the Life of Frederick Douglass*.

Incidents in the Life of a Slave Girl is one of the first personal narratives written by a slave and one of the few written by a woman. Harriet Jacobs, Linda Brent, was a slave in North Carolina who suffered terribly at the hands of a ruthless owner. She made several failed attempts to escape before successfully making her way north, a process that took years of hiding and slow travel. Jacobs is now perhaps the most read and studied Black American woman of the nineteenth century. "Reader be assured this narrative is no fiction.
