The Cambridge Companion to the Classic Russian Novel DigiCat  
Although his career continued for almost three decades after the 1939 publication of *The Grapes of Wrath*, John Steinbeck is still most closely associated with his Depression-era works of social struggle. But from Pearl Harbor on, he often wrote passionate accounts of America's wars based on his own firsthand experience. Vietnam was no exception. Thomas E. Barden's *Steinbeck in Vietnam* offers for the first time a complete collection of the dispatches Steinbeck wrote as a war correspondent for *Newsday*. Rejected by the military because of

his reputation as a subversive, and reticent to document the war officially for the Johnson administration, Steinbeck saw in *Newsday* a unique opportunity to put his skills to use. Between December 1966 and May 1967, the sixty-four-year-old Steinbeck toured the major combat areas of South Vietnam and traveled to the north of Thailand and into Laos, documenting his experiences in a series of columns titled *Letters to Alicia*, in reference to *Newsday* publisher Harry F. Guggenheim's deceased wife. His columns were controversial, coming at a time when opposition to the conflict was growing and even ardent supporters were beginning to question its course. As he dared to go into the field, rode in helicopter gunships, and even fired artillery pieces, many detractors called him a warmonger and worse. Readers today might be surprised that the celebrated author would risk his

literary reputation to document such a divisive war, particularly at the end of his career. Drawing on four primary-source archives—the Steinbeck collection at Princeton, the Papers of Harry F. Guggenheim at the Library of Congress, the Pierpont Morgan Library’s Steinbeck holdings, and the archives of Newsday—Barden’s collection brings together the last published writings of this American author of enduring national and international stature. In addition to offering a definitive edition of these essays, Barden includes extensive notes as well as an introduction that provides background on the essays themselves, the military situation, the social context of the 1960s, and Steinbeck’s personal and political attitudes at the time.

*With God in Russia* Springer

Cold has long been a fixture of Russian identity both within and beyond the borders of Russia and the Soviet Union, even as the ongoing effects of climate change complicate its meaning and cultural salience. The Russian Cold assembles fascinating new contributions from a variety of scholarly traditions, offering new perspectives on how to understand this mainstay of Russian culture and history. In chapters encompassing such diverse topics as polar exploration, the Eastern Front in World War II, and the iconography of hockey, it explores the multiplicity and ambiguity of “cold” in the Russian context and demonstrates the value of environmental-historical research for enriching national and imperial histories.

*The Master & Margarita* Farrar, Straus and Giroux

A group of California alcoholics, whores, and idlers form bonds of affection among themselves and with a biologist in post-World War II Monterey

**The Rest Is Noise** Random House

The history of Russia, as the natural successor to the Soviet Union, is of crucial importance to understanding why communism ultimately lost out to Western democracy and the free market system. David Marples presents a balanced overview of 20th century Russian history and shows that although contemporary Russia has retained many of the practices and memories of the Soviet period, it is not about to revert back to the Soviet example.

*The House of Government* Berghahn Books

On the 100th anniversary of the Russian Revolution, the epic story of an enormous apartment building where Communist true believers lived before their destruction *The House of Government* is unlike any other book about the Russian Revolution and the Soviet experiment. Written in the tradition of Tolstoy’s *War and Peace*, Grossman’s *Life and Fate*, and Solzhenitsyn’s *The Gulag Archipelago*, Yuri Slezkine’s gripping narrative tells the true story of the residents of an enormous Moscow apartment building where top Communist officials and their families lived before they were destroyed in Stalin’s purges. A vivid account of the personal and public lives of Bolshevik true believers, the book begins with their conversion to Communism and ends with their children’s loss of faith and the fall of the Soviet Union. Completed in 1931, the House of Government, later known as the House on the Embankment, was located across the Moscow River from the Kremlin. The largest residential building in Europe, it combined 505 furnished apartments with public spaces that included everything from a movie theater and a library to a tennis court and a shooting range. Slezkine tells the chilling story of how the

building's residents lived in their apartments and ruled the Soviet state until some eight hundred of them were evicted from the House and led, one by one, to prison or their deaths. Drawing on letters, diaries, and interviews, and featuring hundreds of rare photographs, *The House of Government* weaves together biography, literary criticism, architectural history, and fascinating new theories of revolutions, millennial prophecies, and reigns of terror. The result is an unforgettable human saga of a building that, like the Soviet Union itself, became a haunted house, forever disturbed by the ghosts of the disappeared.

**50 Writers** New York Review of Books

Michael Khodarkovsky's innovative exploration of Russia's 20th century, through 100 carefully selected vignettes that span the century, offers a fascinating prism through which to view Russian history. Each chosen microhistory focuses on one particular event or individual that allows you to understand Russia not in abstract terms but in real events in the lives of ordinary people. Russia's 20th Century covers a broad range of topics, including the economy, culture, politics, ideology, law and society. This introduction provides a vital background and engaging analysis of Russia's path through a turbulent 20th century. A representative sample of chapters in the book includes: 1902: Peasants 1903: The Pogrom 1906: The Tsar's Speech 1908: Church 1910: Tolstoy's Death 1913: The Romanovs 1916: Rasputin 1922: USSR 1927: Orphans into Communists 1931: Palace of the Soviets 1935: Manufacturing Heroes 1939: Hitler's Ally 1941: Moscow on the Brink 1945: Rape of Germany 1949: Atomic Project 1954: Nuclear War Exercise "Snowball" 1955: Empire of Nations 1960: Virgin Lands 1969: The Soviet Dr. Seuss 1971: The Soviet Bob

Dylan 1972: Nixon in Moscow and Kiev 1977: USSR, Less than a Sum of its Parts 1980: Moscow Olympic Games 1984: "Iron Maiden" Behind the Iron Curtain 1985: Vodka 1990: Soviet Nationalisms and Ethnic Wars 1997: Russian Fascism 1998: Return of the KGB The historical mosaic of Russia's 20th Century provides a unique examination of modern Russian history one snapshot at a time, prompting us to reflect on a larger picture of Russia's past and its place in the world today.

*In Memory of Memory* Oxford University Press

In Russian history, the twentieth century was an era of unprecedented, radical transformations - changes in social systems, political regimes, and economic structures. A number of distinctive literary schools emerged, each with their own voice, specific artistic character, and ideological background. As a single-volume compendium, the Companion provides a new perspective on Russian literary and cultural development, as it unifies both émigré literature and literature written in Russia. This volume concentrates on broad, complex, and diverse sources - from symbolism and revolutionary avant-garde writings to Stalinist, post-Stalinist, and post-Soviet prose, poetry, drama, and émigré literature, with forays into film, theatre, and literary policies, institutions and theories. The contributors present recent scholarship on historical and cultural contexts of twentieth-century literary development, and situate the most influential individual authors within these contexts, including Boris Pasternak, Alexander Solzhenitsyn, Joseph Brodsky, Osip Mandelstam, Mikhail Bulgakov and Anna Akhmatova.

*Music of the Soviet Era: 1917-1991* Open Book Publishers

*Revolution Goes East* is an intellectual history that applies a novel

global perspective to the classic story of the rise of communism and the various reactions it provoked in Imperial Japan. Tatiana Linkhoeva demonstrates how contemporary discussions of the Russian Revolution, its containment, and the issue of imperialism played a fundamental role in shaping Japan's imperial society and state. In this bold approach, Linkhoeva explores attitudes toward the Soviet Union and the communist movement among the Japanese military and politicians, as well as interwar leftist and rightist intellectuals and activists. Her book draws on extensive research in both published and archival documents, including memoirs, newspaper and journal articles, political pamphlets, and Comintern archives. *Revolution Goes East* presents us with a compelling argument that the interwar Japanese Left replicated the Orientalist outlook of Marxism-Leninism in its relationship with the rest of Asia, and that this proved to be its undoing. Furthermore, Linkhoeva shows that Japanese imperial anticommunism was based on geopolitical interests for the stability of the empire rather than on fear of communist ideology. Thanks to generous funding from New York University and its participation in TOME (Toward an Open Monograph Ecosystem), the ebook editions of this book are available as Open Access (OA) volumes from Cornell Open ([cornellpress.cornell.edu/cornell-open](http://cornellpress.cornell.edu/cornell-open)) and other repositories.

#### Russia in the Twentieth Century Penguin

Many Russian novels of the nineteenth and twentieth centuries have made a huge impact, not only inside the boundaries of their own country but across the western world. The Cambridge Companion to the Classic Russian Novel offers a thematic account of these novels, in fourteen newly-commissioned essays

by prominent European and North American scholars. There are chapters on the city, the countryside, politics, satire, religion, psychology, philosophy; the romantic, realist and modernist traditions; and technique, gender and theory. In this context the work of Pushkin, Dostoevsky, Tolstoy, Turgenev, Bulgakov, Nabokov, Pasternak and Solzhenitsyn, among others, is described and discussed. There is a chronology and guide to further reading; all quotations are in English. This volume will be invaluable not only for students and scholars but for anyone interested in the Russian novel.

#### A Twentieth-Century Crusade Cornell University Press

Winner of the 2007 National Book Critics Circle Award for Criticism A New York Times Book Review Top Ten Book of the Year Time magazine Top Ten Nonfiction Book of 2007 Newsweek Favorite Books of 2007 A Washington Post Book World Best Book of 2007 In this sweeping and dramatic narrative, Alex Ross, music critic for The New Yorker, weaves together the histories of the twentieth century and its music, from Vienna before the First World War to Paris in the twenties; from Hitler's Germany and Stalin's Russia to downtown New York in the sixties and seventies up to the present. Taking readers into the labyrinth of modern style, Ross draws revelatory connections between the century's most influential composers and the wider culture. *The Rest Is Noise* is an astonishing history of the twentieth century as told through its music.

#### The Oxford Handbook of the Russian Economy Turtleback

Steinbeck and Capa's account of their journey through Cold War Russia is a classic piece of reportage and travel writing. A Penguin Classic Just after the Iron Curtain fell on Eastern Europe,

Pulitzer Prize-winning author John Steinbeck and acclaimed war photographer Robert Capa ventured into the Soviet Union to report for the New York Herald Tribune. This rare opportunity took the famous travelers not only to Moscow and Stalingrad - now Volgograd - but through the countryside of the Ukraine and the Caucasus. Hailed by the New York Times as "superb" when it first appeared in 1948, *A Russian Journal* is the distillation of their journey and remains a remarkable memoir and unique historical document. What they saw and movingly recorded in words and on film was what Steinbeck called "the great other side there ... the private life of the Russian people." Unlike other Western reporting about Russia at the time, *A Russian Journal* is free of ideological obsessions. Rather, Steinbeck and Capa recorded the grim realities of factory workers, government clerks, and peasants, as they emerged from the rubble of World War II—represented here in Capa's stirring photographs alongside Steinbeck's masterful prose. Through it all, we are given intimate glimpses of two artists at the height of their powers, answering their need to document human struggle. This edition features an introduction by Steinbeck scholar Susan Shillinglaw. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

*Twentieth-Century Russian Poetry* University of Virginia Press

A leading international authority discusses all aspects of Russian history, from the struggle by the state to control society to the transformation of the nation into a multi-ethnic empire, Russia's relations with the West and the post-Soviet era. Original.

**The "Russian" Civil Wars, 1916-1926** Harvill Secker

"A subtly crafted reflection of both the bleak and golden shadings of Russian life . . . Its tones belong more to the realm of poetry than journalism." -The New York Times Book Review At age twenty-five, Andrea Lee joined her husband, a Harvard doctoral candidate in Russian history, for his eight months' study at Moscow State University and an additional two months in Leningrad. Published to enormous critical acclaim in 1981, *Russian Journal* is the award-winning author's penetrating, vivid account of her everyday life as an expatriate in Soviet culture, chronicling her fascinating exchanges with journalists, diplomats, and her Soviet contemporaries. The winner of the Jean Stein Award from the National Academy of Arts and Letters—and the book that launched Lee's career as a writer—*Russian Journal* is a beautiful and clear-eyed travel-writing classic. "[Lee] takes us wherever she is, conveying a feeling of place and atmosphere that is the mark of real talent." -The Washington Post Book World "A book of very great charm . . . [Lee] records what she saw and heard with unassuming delicacy and exactness." -Newsweek

**The Affirmative Action Empire** Bloomsbury Publishing

Steinbeck's writing was fuelled by a need to observe things firsthand, whether as a journalist or novelist. The huge success of *The Grapes of Wrath* enabled him to travel the world, ceaselessly writing about the great events of each decade. This collection brings together the greatest of those dispatches - from countries

as diverse as Vietnam, Britain, Morocco and Italy. In addition, it reproduces 'America and the Americans', a gripping account of the US in the 1960s based on Steinbeck's observations on racism, moral decline & the environment. The extremely enjoyable book makes an important point about Steinbeck's oeuvre, showing just how important journalism was to his career as a writer.

*A Russian Journal* Cornell University Press

Satan, Judas, a Soviet writer, and a talking black cat named Behemoth populate this satire, "a classic of twentieth-century fiction" (The New York Times). In 1930s Moscow, Satan decides to pay the good people of the Soviet Union a visit. In old Jerusalem, the fateful meeting of Pilate and Yeshua and the murder of Judas in the garden of Gethsemane unfold. At the intersection of fantasy and realism, satire and unflinching emotional truths, Mikhail Bulgakov's classic *The Master and Margarita* eloquently lampoons every aspect of Soviet life under Stalin's regime, from politics to art to religion, while interrogating the complexities between good and evil, innocence and guilt, and freedom and oppression. Spanning from Moscow to Biblical Jerusalem, a vibrant cast of characters—a "magician" who is actually the devil in disguise, a giant cat, a witch, a fanged assassin—sow mayhem and madness wherever they go, mocking artists, intellectuals, and politicians alike. In and out of the fray weaves a man known only as the Master, a writer demoralized by government censorship, and his mysterious lover, Margarita. Burned in 1928 by the author and restarted in 1930, *The Master and Margarita* was Bulgakov's last completed creative work before his death. It remained unpublished until 1966—and went on to become one of the most well-regarded works of Russian literature of the

twentieth century, adapted or referenced in film, television, radio, comic strips, theater productions, music, and opera.

*The Brothers Karamazov* Random House

This text provides a survey of the Soviet management of the nationalities question. It traces the conflicts and tensions created by the geographic definition of national territories, the establishment of several official national languages and the world's first mass "affirmative action" programmes.

**What You Did Not Tell** Ignatius Press

Set in England, Africa and Italy this collection of Steinbeck's World War II news correspondence was written for the New York Herald Tribune in the latter part of 1943.

**Russia's 20th Century** BoD – Books on Demand

Reproduction of the original: *War and Peace* by Leo Tolstoy

**Memories** Rosetta Books

An award-winning historian reveals the harrowing, little-known story of an American effort to save the newly formed Soviet Union from disaster. After decades of the Cold War and renewed tensions, in the wake of Russian meddling in the 2016 election, cooperation between the United States and Russia seems impossible to imagine—and yet, as Douglas Smith reveals, it has a forgotten but astonishing historical precedent. In 1921, facing one of the worst famines in history, the new Soviet government under Vladimir Lenin invited the American Relief Administration, Herbert Hoover's brainchild, to save communist Russia from ruin. For two years, a small, daring band of Americans fed more than ten million men, women, and children across a million square miles of territory. It was the largest humanitarian operation in history—preventing the loss of countless lives, social unrest on a

massive scale, and, quite possibly, the collapse of the communist state. Now, almost a hundred years later, few in either America or Russia have heard of the ARA. The Soviet government quickly began to erase the memory of American charity. In America, fanatical anti-communism would eclipse this historic cooperation with the Soviet Union. Smith resurrects the American relief mission from obscurity, taking the reader on an unforgettable journey from the heights of human altruism to the depths of human depravity. The story of the ARA is filled with political intrigue, espionage, the clash of ideologies, violence, adventure, and romance, and features some of the great historical figures of the twentieth century. In a time of cynicism and despair about the world's ability to confront international crises, *The Russian Job* is a riveting account of a cooperative effort unmatched before

or since.

*The Reading of Russian Literature in China* Penguin UK

The largest, most comprehensive anthology of its kind, this volume brings together significant, representative stories from every decade of the 20th century. It includes the prose of officially recognized writers and dissidents, both well-known and neglected or forgotten, plus new authors from the end of the 20th century. The selections reflect the various literary trends and approaches to depicting reality in the 20th century: traditional realism, modernism, socialist realism, and post-modernism. Taken as a whole, the stories capture every major aspect of Russian life, history and culture in the 20th century. The rich array of themes and styles will be of tremendous interest to students and readers who want to learn about Russia through the engaging genre of the short story.
