FREY FLORES

Country Standards Hal Leonard Corporation

Scales provide the basis for jazz improvisation and fill-ins. The scales presented in this book produce idiomatic sounds associated with many jazz styles. The jazz scales may be simply defined as those which do not fall into the traditional category. This book explores the jazz scales and examines their potential. While this is not a jazz improvisation method, the study of the material will certainly provide the player with additional resources in this area ... Each chapter includes charts with scales written in all keys with suggested fingerings and a list of chords which complement each scale. Music examples apply the scales to jazz chord progressions and compositions.

Progressive Country Piano Method

This comprehensive book/audio pack will teach you the basic skills needed to play jazz-blues piano. From comping to soloing, you'll learn the theory, the tools, and the tricks used by the pros. The audio features many of the examples in the book performed either solo, or with a full band, including a full chapter of complete songs. Topics covered include: scales and chords * harmony and voicings * progressions and comping * melodies and soloing * characteristic stylings.

Last Date Sheet Music Hal Leonard Corporation

(Piano Instruction). Often, jazz pianists are called upon to play solo gigs. This book attempts to ease the transition from group to solo jazz piano playing with a step-by-step practical approach to learning and playing standard tunes by dissecting their component parts; melody, harmony and bass. The parts are then reassembled in various ways. Chapters include: chords & voicings * bass lines * swing tunes * ballads * improvisation. Audio demonstration tracks are provided for download or streaming online with a unique access code included in the book.

Songs of the 2010s
