Marine Demons* Morningstar Publications

Witchcraft is an act of the devil which not only manipulates the minds of people, but it can wreak havoc physically, emotionally and spiritually too. Witch doctors, magicians, and sorcerers all receive satanic power, not for edification, but for destruction. Before long they will exercise

their capricious whims upon the unwitting victim and make a slave-victim, driving their victim ever deeper into the mire of sin and slavery. They will force their victim down every path which will open ever-increasing spiritual depravity. They have been able to destroy many families and afflict many with the spirits of infirmity and sickness. Witches and marine demons are not satisfied with mere compliance to their wishes, they work to reduce their victim to a helpless state, filled with mental and physical anguishes almost beyond a person's ability to endure. Most people

mistakenly assume that witchcraft cannot affect a Christian. They foolishly believe that being born again automatically protects against any kind of curse, spell or hex, etc., sent by people practicing witchcraft. Ezekiel 13 shows that we are a favorite target of witchcraft practices which is the hunting (catching or snaring) of our souls (mind, will, emotions). Through witchcraft, God's people can be brought into bondage, thus becoming captives. In verse 22 of Ezekiel 13, the charge is, "with lies you have made the heart of the righteous sad" Depression

comes to the heart of the righteous through magical practices. Other translations state that the hearts of the righteous are discouraged or disheartened. The righteous are the targets and these shows the effects of witchcraft on God's people. God says in Ezekiel 13:19 that witchcraft will "Turn away my people from me." How many ministers and other Christians have backslidden because of heavy demonic influence induced by witchcraft? Such terrible things can happen to God's people through witchcraft. They can be saddened (depression); they can be ensnared (captivity); they can be killed (premature death); they can be turned away (backsliding). Remember the things which can happen to God's people (to the righteous) if they are unaware of the perils of witchcraft. They can be brought into a state of oppression or depression; unexplainable sadness, anguish, and heart affliction when there is no reason for feeling downcast or disheartened. Everything can go well for the Believer. He can be healthy, prosperous and yet be covered with a strange pall of oppression, a dark cloud which settles in from

nowhere. It can come from witchcraft. Believers can become ensnared losing the power to make the right decisions. Those who have experience in dealing with witchcraft have seen many killed by occult power. This power can also turn one away from the truth and cause backsliding. Witches, wizards, and sorcerers are children of Satan. They may look cute and make you laugh and cry, but God said they are an abomination to Him. Beloved, your being alive is an opportunity now to avenge and fight for your destiny. They have tried to kill you several times, to turn you into a pauper several times, and to stop you. It is time for you to stop the evil manipulation and oppression of witchcraft spirits in your life. Logged down in this 21 spiritual ammunition parcels are 1500 powerful spiritual bullets released from heaven to crouch down and destroy the works of darkness. Psalm 56:9 says "When I cry unto thee, then shall mine enemies turn back: this I know; God is for me." It is time for the agents of darkness to flee at your command. God has given you the authority to trample over every agent of darkness. Authority not exercised cannot produce any benefits. Get ready for your

total freedom as you take advantage of these prayer bullets.

Of course it is not possible to de-mystify Mysticism, and who would want to? Yet also there is no need for deliberate and gratuitous obscurantism. 'Witcha' presents many secrets of English Witchcraft in plain language, giving details of widdershins

and deosil circle casting, spell-craft, divination, spiritism, sabbats and esbats, sacrifice,entheogens, philosophy, history, and more besides. The focus is primarily upon those aspects commonly called 'operative witchcraft', which is the witchcraft of 'results' and 'getting things done', rather than the supposedly more 'spiritual' aspects that have been the subject of so many books of late. These are illustrated with photographs taken by my step-father, Adrian Brynn-Evans, detailing -with their kind permission and support- exhibits from the Museum of Witchcraft, Boscastle. These give visual reference to the historical context of this path, proving that it is not something invented by New Age gurus.

Children Against Witches Xulon Press Books on special areas of spiritual warfare and deliverance are rare. Much more scarce are books on witchcraft operations. The fact that many people go through witchcraft has made books on the subject of witchcraft to be high in demand. This uncommon book offers, in one breath, deliverance prayers, secrets of power over witchcraft, help for those who are going through witchcraft attacks and principles

of staying free from attacks from the quarters of witchcraft practitioners. It is a must read for those who seek complete victory over witchcraft.

In this day and age, we see a rise of witchcraft like never before. Jesus warned us to not be ignorant of the devil's devices. Witchcraft is one of the enemy's biggest weapons and in order for us to wage a successful battle against him, we need to know what witchcraft is. In *Victory Over Witchcraft*, I expose the origins of witchcraft, its connections to idolatry, the various types of witchcraft, and the effects of witchcraft. This book also exposes the hidden and subtle witchcraft that believers participate in unaware. It's not always the obvious, go beyond the surface and dig deeper. Remember this, the enemy comes to steal, kill, and destroy, but Jesus came that we may have life, and have it more abundantly. You cannot live the abundant life, while in bondage to witchcraft. The will of God is for His children to walk in freedom, truth, revelation, and power. Spiritual warfare is real, but we have a real God, with real power, and He is greater than any form of witchcraft.

The Witchcraft in New England in three volumes is a book relating the Salem witch trials of 1692-1693. It presents the compilation of works on the subject by Cotton Mather, a Puritan minister involved in trials and Robert Calef who opposed Mather. After the trials Mather published the book Wonders of the Invisible World which contained a few of Mather's sermons, the conditions of the colony and a description of witch trials in Europe. He argued that since there are witches and devils, there are "immortal souls." He also claimed that witches appear spectrally as themselves. Calef's response was the book More Wonders of the Invisible World in which he denounced Mather's preaches. The Witchcraft Delusion in New England contains both of those works with the analysis and additional materials which provide a detailed look on the subject of witchcraft.

Journey with me to the cradle of Africa as I battle my own personal spiritual journey marked by a whirlwind of a torrid of spiritual events. The paradox for me is that I am both black and white. This culture mix of being partly raised in a native humble hut in southern Africa has led to my experience with both witchcraft and Christianity. While the controversial title may be misleading at first glance I by no means embody witchcraft but have tirelessly fought spirits of darkness using God's word. In the midst of all my trials I always knew that the battle was God's and that he was with me all the way. I now not only claim victory for myself but for anyone else out there who is faced with seemingly difficult spiritual circumstances that are perpetuated by Satan. In all honesty this journey was by no means easy but as Christians we are not weak but strong. Remember we are more than conquerors in Jesus Christ. Come and cry, fear, and laugh with me but mostly believe that you will overcome your circumstances, remember nothing is

impossible with God. Light will always prevail over darkness, good over evil.

A grave is being dug up in order to save Manut's aunt's life. With help of Canda, the Healing Witch, they will burn the bones of the dead so that the curse on their aunt would cease and she might live. The ritual doesn't help Char, the Coven Leader, and she passes away; but not before she turns the role of Coven Leader over to Manut. Char's son, Shanun, the rightful heir, ran off years ago to work for the Others. The mortal ones. Char has no choice but to make Manut Coven Leader. Soon the Council of Witches meets and proposes to all the other witches their rule of making Manut Coven Leader. With some negative feedback from Don, a witch who has always caused trouble for the Coven, the crowd splits its decision in supporting Manut. After some months of being Coven Leader and doing a good job; Manut is now faced with a returning Shanun. Although Shanun has no interest in the position, Don conives and manipulates Shanun and a few more to join a band to knock Manut down from Coven Leader. Then, the

perimeter guards announce that two men are approaching the hidden city. And they are the Others. Fear shakes the Coven as Manut goes up to take charge. Armed with his magick, Manut confronts the Others, trying to keep a certain amount of peace. Fueled by curiosity, Manut speaks to the Others and agrees for them to stay for a short visit. Then the drama sets in... The Others are in reality, Christian missionaries, who after hearing about the so called hidden city of witches, sought out to possibly convert them to Christianity. Now the strength of Manut will be tested by his Coven. Doubts and regrets are fueled by Don in order for Shanun to rise to his throne. Christianity and Witchcraft come head to head in this story of betrayal, murder, action, love, and disappointment.
