ABCs of Countries: USA Abrams

An educational ABC alphabet picture book for kids - to help children learn the English alphabet at the same time as letting them see the people, places, and culture of Australia. Part of a series of ABC books that focuses on countries. Having children of our own that are growing up in a different country to where their parents and grandparents are from, we see the need for having some early cultural awareness and word recognition of other places that may be significant to their family. We hope this book promotes discussion at family reading time into what it means to live in a different country. Pictures are a combination of photos and simple clipart. Each page has some engaging images and a small fact about the

subject. It is packed with pictures of all sorts of animals and scenery.

Charlie's Alphabet Forest Adventure is a charming picture book for children aged 3-5 years. It's a story of not giving up, of friendship and kindness, and the importance of helping others. It tells the story of Charlie the cat and his journey through the alphabet forest. He asks for your help in his quest to find his friend Ziggy the zebra at the end of the forest. He encounters many animals, from A to Z. The story teaches young children the alphabet and its sequence by word association and repetition. Make this book your child's regular bed-time story and they will learn each letter of the

alphabet in a fun and interactive way. To enhance the learning experience, point out the shape of the letters, the sound they make and the words in the story that start with each letter. This is a great story book to teach the alphabet to little learners. Size: 8.5 x 8.5 inches Glossy Soft Cover 40 full colour pages For children from ages 3-5
