From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being

managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party  
 Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

A spine-tingling thriller by New York Times bestselling author TJ Klune, about a 10-year-old girl with an impossible power, her father, and an unlikely stranger, who come together to confront the dangerous forces that want her at all costs. A strange story of family, love, comets, and bacon. Perfect for fans of *Stranger Things*. In the spring of 1995, Nate Cartwright has lost everything: his parents are dead, his older brother wants nothing to do with him, and he's been fired from his job as a journalist in Washington DC. With nothing left to lose, he returns to his family's summer cabin outside the small mountain town of Roseland, Oregon to try and find some sense of direction. The cabin should be empty. It's not. Inside is a man named Alex. And with him is an extraordinary little girl who calls herself Artemis Darth Vader. Artemis, who isn't exactly as she appears. Soon it becomes clear that Nate must make a choice: let himself drown in the memories of his past, or fight for a future he never thought possible. Because the girl is special. And forces are descending upon them who want nothing more than to control her. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A hurricane is building over the Gulf of Mexico, threatening the coastal town of Bois Sauvage, Mississippi, and Esch's father is growing concerned. He's a hard drinker, largely absent, and it isn't often he worries about the family. Esch and her three brothers are stocking up on food, but there isn't much to save. Lately, Esch can't keep down what food she gets; at fifteen, she has just realized that she's pregnant. Her brother Skeetah is sneaking scraps for his prized pit bull's new litter, dying one by one. Meanwhile, brothers Randall and Junior try to stake their claim in a family long on child's play and short on parenting. As the twelve days that make up the novel's framework yield to a dramatic conclusion, this unforgettable family - motherless children sacrificing for one another as they can, protecting and nurturing where love is scarce - pulls itself up to face another day.

Suicide, or murder? Newly arrived in Papua, where even the luscious vegetation conspires with the bureaucrats to bewilder her, Stella Warwick is determined to prove her husband did not take his own life.

[When Villains Rise](#) Harper Collins

Now a major motion picture from Luca Guadagnino starring Taylor Russell, Timothée Chalamet and Mark Rylance, screenplay by David Kajganich! Maren Yearly is a young woman who wants the same things we all do. She wants to be someone people admire and respect. She wants to be loved. But her secret, shameful needs have forced her into exile. She hates herself for the bad thing she does, for what it's done to her family and her sense of identity, for how it dictates her place in the world and how people see her--how they judge her. She didn't choose to be this way. Because Maren Yearly doesn't just break hearts, she devours them. Ever since her mother found Penny Wilson's eardrum in her mouth when Maren was just two years old, she knew life would never be normal for either of them. Love may come in many shapes and sizes, but for Maren, it always ends the same--with her hiding the evidence and her mother packing up the car. But when her mother abandons her the day after her sixteenth birthday, Maren goes looking for the father she has never known, and finds much more than she bargained for along the way. Faced with a world of fellow eaters, potential enemies, and the prospect of love, Maren realizes she isn't only looking for her father, she's looking for herself.

A #1 New York Times bestseller! Sarah J. Maas's brand-new CRESCENT CITY series begins with House of Earth and Blood: the story of half-Fae and half-human Bryce Quinlan as she seeks revenge in a contemporary fantasy world of magic, danger, and searing romance. Bryce Quinlan had the perfect life-working hard all day and partying all night-until a demon murdered her closest friends, leaving her bereft, wounded, and alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to

avenge their deaths. Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose-to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach. As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion-one that could set them both free, if they'd only let it. With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom-and the power of love.

Kathy Reichs—#1 New York Times bestselling author and producer of the FOX television hit Bones—returns with a riveting new novel set in Charlotte, North Carolina, featuring America's favorite forensic anthropologist, Dr. Temperance Brennan. Just as 200,000 fans are pouring into town for Race Week, a body is found in a barrel of asphalt next to the Charlotte Motor Speedway. The next day, a NASCAR crew member comes to Temperance Brennan's office at the Mecklenburg County Medical Examiner to share a devastating story. Twelve years earlier, Wayne Gamble's sister, Cindi, then a high school senior and aspiring racer, disappeared along with her boyfriend, Cale Lovette. Lovette kept company with a group of right-wing extremists known as the Patriot Posse. Could the body be Cindi's? Or Cale's? At the time of their disappearance, the FBI joined the investigation, only to terminate it weeks later. Was there a cover-up? As Tempe juggles multiple theories, the discovery of a strange, deadly substance in the barrel alongside the body throws everything into question. Then an employee of the Centers for Disease Control and Prevention goes missing during Race Week. Tempe can't overlook the coincidence. Was this man using his lab chemicals for murder? Or is the explanation even more sinister? What other secrets lurk behind the festive veneer of Race Week? A turbocharged story of secrets and murder unfolds in this, the fourteenth thrilling novel in Reichs's "cleverly plotted and expertly maintained series" (The New York Times Book Review). With the smash hit Bones about to enter its seventh season and in full syndication—and her most recent novel, Spider Bones, an instant New York Times bestseller—Kathy Reichs is at the top of her game.

Jane Yolen, the bestselling and award-winning author of The Devil's Arithmetic, returns to World War II and the Holocaust with this timely and necessary novel. It's 1942 in Poland, and the world is coming to pieces. At least that's how it seems to Chaim and Gittel, twins whose lives feel like a fairy tale torn apart, with evil witches, forbidden forests, and dangerous ovens looming on the horizon. But in all darkness there is light, and the twins find it through Chaim's poetry and the love they have for each other. Like the bright flame of a Yahrzeit candle, his words become a beacon of memory so that the children and grandchildren of survivors will never forget the atrocities that happened during the Holocaust. Filled with brutality and despair, this is also a story of poetry and strength, in which a brother and sister lose everything but each other. Nearly thirty years after the publication of her award-winning and bestselling The Devil's Arithmetic and Briar Rose, Yolen once again returns to World War II and captivates her readers with the authenticity and power of her words. Perfect for fans of Markus Zusak's The Book Thief and Ruta Sepetys's Salt to the Sea.
