Enchanting stories about
the evolution of the
universe, with characters
that are fashioned from
mathematical formulae
and cellular structures.

“Naturally, we were all
there, - old Qfwfq said, -
where else could we have
been? Nobody knew then
that there could be space.
Or time either: what use
did we have for time,
packed in there like
sardines?” Translated by
William Weaver. A Helen
and Kurt Wolff Book
Mossy Trotter OUP Oxford
This is the true story of
Second World War fighter

pilot, Richard Hillary. After
being shot down in
September 1940, Hillary
spent several months in
hospital, undergoing
numerous operations; a
member of Archibald
McIndoe's 'Guinea Pig
Club'. Originally published
in 1942, just months
before he died in a second
crash, *The Last Enemy*
recounts the struggles
and successes of a young

man in the Royal Air Force. Told through Hillary's eyes, this incredible story shows that even in our darkest moments there is a glimmer of enduring hope.

The Fantora Family Photographs Ernst Klett Sprachen

This is an autobiographical tale of a teddy bear named Otto. Otto is a German-born teddy bear. His first memories are of being stitched together and being given to David, a Jewish boy living in

Germany before WWII. David and his best-friend Oskar always play with Otto, using him for pranks, games and even teaching him to type on a typewriter. Life is a lot of fun for the Otto. However, one day, David starts to wear a yellow star on his jacket. He and his parents are soon carted away by men in leather coats and uniforms. David decides to give his dear teddy bear to Oskar. Many lonely days pass for Oskar and Otto. But even gloomier days soon arrive when Oskar's father is

drafted into the army and the bombings start. One day, a sudden explosion sends Otto flying through the air and into the middle a raging battle-field. The teddy bear is spotted by a soldier, but the moment the soldier picks Otto up, they are both shot through the chest. Otto and the soldier, an American G.I., are taken away to a hospital. In hospital, the soldier keeps Otto by his side. When he recovers, he pins a medal on Otto's chest, saying that Otto saved his life, taking the

brunt of the bullet. The story makes papers and Otto becomes a mascot of the soldier's regiment. The teddy bear is then taken to America and is given to a sweet girl called Jasmin, the soldier's daughter. But Otto's new home and happiness is once again brutally ended when he is snatched away by mean and violent street urchins, who hit and trample on him and throw him into a bin. Otto is then picked up by an antiques dealer and taken to his shop. Years and years go by, until one

rainy evening, when a bulky man stops and carefully examines the shop window. The man recognizes the bear instantly buys him. It is Oskar, Otto's old friend. The story of Oskar, a German tourist and survivor of the war finding his teddy bear in America soon makes the papers. And the day after Otto's picture appears in the paper, Oskar's telephone rings: it is his old friend David. And so, the three friends finally reunite, sharing the sorrows and pains of war and living a

peaceful and happy life together. Otto now keeps himself busy, typing the story of his life on David's typewriter. Children will become attached to this loving, innocent protagonist, and will naturally be interested in his life story. Tomi Ungerer deals with one of the darkest chapters of history and pulls off the challenge admirably. This tale will prompt reflection and important questions without causing undue fear.

From the bestselling author of *A Lion in Paris* comes this beautifully illustrated celebration of what makes each child unique. Through bold and sensitively observed portraits and a thought-provoking text, *Beatrice Alemagna* inspires children, and adults reading with them, to consider their own identity. Destined to become a classic, *What Is a Child?* is a must-have for every school, library, and bedside table.

Otto Putnam Publishing Group
 From Susan Vreeland, bestselling author of such acclaimed novels as *Girl in Hyacinth Blue*, *Luncheon of the Boating Party*, and *Clara and Mr. Tiffany*, comes a richly imagined story of a woman's awakening in the south of Vichy France—to the power of art, to the beauty of provincial life, and to love in the midst of war. In 1937, young Lisette Roux and her husband, André, move from Paris to a village in Provence to care

for André's grandfather Pascal. Lisette regrets having to give up her dream of becoming a gallery apprentice and longs for the comforts and sophistication of Paris. But as she soon discovers, the hilltop town is rich with unexpected pleasures. Pascal once worked in the nearby ochre mines and later became a pigment salesman and frame maker; while selling his pigments in Paris, he befriended Pissarro and Cézanne, some of whose paintings he received in trade for his frames.

Pascal begins to tutor Lisette in both art and life, allowing her to see his small collection of paintings and the Provençal landscape itself in a new light. Inspired by Pascal's advice to "Do the important things first," Lisette begins a list of vows to herself (#4. Learn what makes a painting great). When war breaks out, André goes off to the front, but not before hiding Pascal's paintings to keep them from the Nazis' reach. With German forces spreading across Europe, the sudden

fall of Paris, and the rise of Vichy France, Lisette sets out to locate the paintings (#11. Find the paintings in my lifetime). Her search takes her through the stunning French countryside, where she befriends Marc and Bella Chagall, who are in hiding before their flight to America, and acquaints her with the land, her neighbors, and even herself in ways she never dreamed possible. Through joy and tragedy, occupation and liberation, small acts of kindness and great acts of courage,

Lisette learns to forgive the past, to live robustly, and to love again. Praise for Lisette's List "Vreeland's love of painters and painting, her meticulous research and pitch-perfect descriptive talents . . . are abundantly evident in her new novel."—The Washington Post "This historical novel's . . . great strength is its lovingly detailed setting. . . . Readers will enjoy lingering in the sun-dappled, fruit-scented Provençal landscape that Vreeland brings to life."—The Boston Globe

Supports students studying for Cambridge IGCSE® English as a Second Language (ESL). This fully updated print Coursebook is designed to

support students studying for Cambridge International Examinations IGCSE® English as a Second Language syllabus (0510/0511/0991) for examination in 2019. With carefully scaffolded content, this easy to navigate coursebook has a language focus in each unit and offers new word and top tips. Each unit is themed and takes an integrated skills approach while emphasising a core skill. At the end of each chapter students can reflect and develop on

what they have learnt, all to help build students' language skills and confidence in English as the course progresses.
The Halloween Tree
Knopf Books for Young Readers
'It's always a treat to read Elizabeth Taylor. Mossy Trotter is a real gem. A delightfully mischievous boy living in those long-ago halcyon days when children played out all day, roaming commons, scavenging on rubbish tips and stamping in newly-laid tar'
JACQUELINE WILSON 'We -

that is, Herbert and I - want you, Mossy, to be our page-boy,' Miss Silkin said, staring hard at Mossy again, as if she were trying to imagine him dressed up, and with his hair combed. Mossy went very red, and nearly choked on a piece of cake, and Selwyn laughed, and went on laughing, as if he had just heard the funniest joke of all his life. They both knew what being a page-boy meant. One of the boys at school - one of the very youngest ones - had had to be one, wearing

velvet trousers and a frilled blouse.' When Mossy moves to the country, life is full of delights - trees to climb, woods to explore and, best of all, the marvellous dump to rummage through. But every now and then his happiness is disturbed - chiefly by his mother's meddling friend, Miss Silkin. And a dreaded event casts a shadow over even the sunniest of days - being a page-boy at her wedding. In her only children's book, Elizabeth Taylor perfectly captures the temptations,

confusion and terrors of a mischievous boy, and just how illogical, frustrating and inconsistent adults are!

Dalla loro pluriennale esperienza in ambito scolastico e clinico, le autrici propongono un percorso incentrato su uno strumento ben noto ai docenti: il dettato, rivisto a fini didattici per un uso mirato sia

all'insegnamento sia al recupero di disturbi conclamati. Un intervento sulle difficoltà di apprendimento è efficace se risponde a caratteristiche di specificità e sistematicità: per questo il libro dei dettati fornisce materiali costruiti ad hoc, facili da utilizzare e organizzati per un'attività continuativa. Il percorso consente ai docenti di rilevare il livello della classe e/o dei singoli alunni, grazie a istruzioni chiare e complete, al fine di individuare le tipologie di intervento da porre in

atto. Pensati per essere usati a partire dalla prima alfabetizzazione fino al conseguimento di una competenza ortografica matura, i materiali proposti si dividono per classe, coprendo l'intero ciclo della scuola primaria: - Dettati per la classe prima - Dettati per la classe seconda - Dettati per la classe terza - Dettati per le classi quarta e quinta
The Last Enemy St. Martin's Press
 Irene's family has moved to Evreux, Normandy. Soon after arriving at her

new home, she is approached by a mysterious woman who mutters some strange words about Irene's mother being in danger, before vanishing into thin air. It's just the first in a series of unsettling events that Irene, Sherlock, and Lupin must decipher. The three sleuths questions will lead them to a secret crypt far beneath the streets of Paris and to an ancient relic that it is rumored to be worth a fortune. But how far will someone go to obtain the priceless treasure?

Secrets and twists await the young detectives at every turn as they solve the case of The Cathedral of Fear.

The North Wind and the Sun Hachette UK

A chemist-turned-writer and a construction rigger in a remote factory pass the time swapping tales of their lives and voyages. Primo Levi's most light-hearted novel, *The Monkey's Wrench* is a tribute to storytelling, human ingenuity, and the importance of finding meaningful work in life. "A lot of stories have

happened to me," says Faussonne, the mysterious construction rigger at the center of this comic novel by Primo Levi. Far from home on a work assignment, Libertino Faussonne befriends the book's narrator, a chemist based loosely off of Levi himself. Although he can't quite explain it, the chemist is immediately entranced by the wandering laborer who has traveled to every corner of the world. The two embark on an unlikely friendship, trading tales filled with curses and

spies, scandal and heartbreak. With its easy-going and even whimsical tone, *The Monkey's Wrench* is a change from Primo Levi's other works. Yet its message is just as vital. The novel reminds us about the importance of connection between strangers, our endless capacity to solve even the most challenging of problems, and finding fulfillment in work. Along with Elie Wiesel and Hannah Arendt, Primo Levi is remembered as one of the most powerful and perceptive writers on

the Holocaust and the Jewish experience during World War II. This is an essential book both for students and literary readers. Reading Primo Levi is a lesson in the resiliency of the human spirit.

A retelling of the story of how a poor woodcutter's two children, lost in the woods, come upon a candy house inhabited by an old woman who was, in fact, an evil witch in disguise.

Great Expectations

Simon and Schuster
The Global Revolution. A History of International Communism 1917-1991 establishes a relationship between the history of

communism and the main processes of globalization in the past century. Drawing on a wealth of archival sources, Silvio Pons analyses the multifaceted and contradictory relationship between the Soviet Union and the international communist movement, to show how communism played a major part in the formation of our modern world. The volume presents the argument that during the age of wars from 1914 to 1945, the establishment of the Soviet state in Russia and

the birth of the communist movement had an enormous impact because of their promise of world revolution and international civil war. Such perspective appeared even more plausible in the aftermath of the Second World War and of revolution in China, which paved the way for the expansion of communism in the post-colonial world. Communism challenged the West in the Cold War - by means of anti-capitalist modernization and anti-imperialist mobilization -

showing itself to be a powerful factor in the politicization of global trends. However, the international legitimacy of communism declined rapidly in the post-war era. Soviet power exposed its inability to exercise hegemony, as distinct from domination. The consequences of Sovietization in Europe and the break between the Soviet Union and China were the primary reasons for the decline of communist influence and appeal. Since communism lost its political credibility

and cultural cohesion, its global project had failed. The ground was prepared for the devastating impact of Western globalization on communist regimes in Europe and the Soviet Union.

PB3 and the Vegetables.

Ediz. Per la Scuola

Phaidon Press

...the sin of an old man is equal to about two sins of a young man. The fable-like story of an old man's sexual obsession with a young woman is a distillation of Italo Svevo's concerns--attraction of an

older man to a younger woman, individual conscience versus social convention, and the cost of sexual desire. This novella is a marvel of psychological insight, following the man's vacillations and tortuous self-justifications to their tragic-comic end. It is presented here in a translation first commissioned and published by Virginia Woolf for her Hogarth Press. The Art of The Novella Series Too short

to be a novel, too long to be a short story, the novella is generally unrecognized by academics and publishers. Nonetheless, it is a form beloved and practiced by literature's greatest writers. In the Art of The Novella series, Melville House celebrates this renegade art form and its practitioners with titles that are, in many instances, presented in book form for the first time.
