## **BERRY CARDENAS**

---

**Lost in Moscow** Indiana University Press  
The doctor said something in Russian and the translator translated." I am told you did not eat your breakfast. Are you feeling sick to your stomach?" "No. I feel fine. I feel great. I just don't like Kasha," The doctor came over to me and said "aw." I stuck out my tongue to show her how great my throat was now. She made a

hmmm noise and wrote on her chart. The nurse produced a thermometer. "Roll over," the translator said." The doctor needs to take your temperature." They had me trapped. I hated them all. I rolled over. My frilly bloomers were pulled down. The thermometer was freezing. I lay there in full view with a thermometer sticking out of my bum. The Russian girl in the next bed was looking at me. I heard people in the hall. People came in and out of the room. How many people did this have to involve? How many people needed to look at my bare bum with a

thermometer sticking out of it? I hated the girl staring at me. I put my face down in the pillow. Maybe I'd suffocate and die. Normally I did not want to die, right now though it would have been better that way, better to die. Several minutes went by. It was quiet now. When was the nurse going to come back and read my temperature, which was going to be normal after all of this? I was fine. I waited. I waited. They must have forgotten about me. Jeepers Creepers! They forgot they were taking my temperature.

*Top 20 Places to Visit in Russia - Top 20 Russia Travel Guide* Createspace Independent Publishing Platform

"Graham has brilliantly encapsulated and interwoven the major features of Soviet and post-Soviet history in his riveting

stories.... a splendid and extraordinary work." -- Edward Grant, author of *God and Reason in the Middle Ages* "A very lively read, indeed a real page turner...

Graham's discussion of pressing ethical dilemmas displays a sureness of hand and a refreshing candor about his own struggles with the issues." -- Susan Solomon, University of Toronto The distinguished American historian of Russian and Soviet science Loren R. Graham recounts with warmth and wit his experiences during 45 years of traveling and researching in the Soviet Union and post-Soviet Russia, from 1960 to 2005. Present for many historic events during this period, Graham writes not as a political correspondent or an analyst, but as an ordinary American living through these years alongside Russian friends and critics. Graham befriended some of the leading scientists and politicians in Russia, but his most touching stories concern average Russians with whom he lived, worked, suffered, and exchanged views. Graham also writes of the ethical questions he confronted, such as the tension between independence of thought and political loyalty. Finally, he depicts the

ways in which Russia has changed -- visually, politically, and ideologically -- during the last 15 years. These gripping, sometimes humorous, always deeply personal stories will engage and inform all readers with an interest in Russia during this tumultuous period of history.

Top 50 Best Things to do in Moscow, Russia Apa Publications (UK) Limited DK Eyewitness Travel Guide: Top 10 Moscow will lead you straight to the very best this city has to offer. Whether you're looking for the things not to miss at the Top 10 sights or want to find the best nightspots, this guide is the perfect pocket-sized companion. Moscow Moscow Travel Guide Moscow is in many ways a mysterious city to many of us that live outside it. As a nation Russia has one foot in Europe and another in Asia and despite being the largest country on earth by landmass it is still an unknown to many. Moscow embodies this mystery and variety and creates a culture all of its own. For those who take the time to explore it though, to walk its streets, to discover its history, and to get to know its people there is a lot on offer. So much so that you need a Moscow city guide like this to help you on your way. Moscow is the capital of Russia and the largest city exclusively on the European continent with over 12 million people living in it. It has a fascinating history from its time as a footnote in Mongolia Golden Horde, to its chapter as the birthplace of Russia, and to its time as the heart of the Soviet Union. It also has a fascinating present to match,

with some of the best theatres, nightclubs, restaurants, parks, and of course bathhouses in all of Europe. This city guide will guide you on your Russian adventure so that you can see the wondrous history it has on display and get face-to-face with the Russian way of life. Find out the best and cheapest way to get into Moscow from Europe or Saint Petersburg. We'll show you how to make sense of Russia's invitation-only visa system and ensure you get registered for your stay. Discover Moscow's metro with its stunning Stalinist architecture and chandelier laden hallways with mosaics dedicated to Dostoyevsky. The sprawling underground of Russia's biggest city needn't keep you scared of exploring Moscow to its fullest. Once you can find your way around Moscow we'll show you around its main attractions from its exhausting amount of cathedrals in the Kremlin and the Red Square, to standing next to Lenin's embalmed body. Find out which are the best museums and parks to visit, and find out which is the most regal bathhouse to get birched and steamed in. Welcome to the world of Russian cuisine with its warming stews and its delicate Russian pancakes. Learn where the best

borscht is being served up in the capital and find eateries to meet all wallet sizes and all tastes with some of the best current restaurants in Moscow outlined for your delectations. Fancy a bed in a dorm, but want it to be clean and quiet? Want to be close to the action while staying cozy? Find out some of the best and most essential places to stay in Moscow whether you are trying to see it on the cheap, or whether you want to stay in an authentic Soviet-era hotel. Finally we'll show you how to fit in with the locals using our handy phrase book and crucial tips to stay safe and not let Moscow get the better of you. Welcome to Moscow, where good times find you.

**The Rough Guide to Moscow** Apa Publications (UK) Limited

A marvellously funny and sharply observed account of a journey to Russia by one of Britain's most talented young writers. Moscow - a labyrinth where the humans try to keep one step ahead of the

roaches. Everyone on the move, some in search of the quick buck, and others just trying to survive. All dazzled by the neon glare of the western dream. The soviet monolith has broken down in tribalism, tribes who go to war not just on the streets but in overheated rooms, with drugs, vodka and Cindy Crawford carrier bags. James Young gives an unparalleled account of today's Moscow from the bottom side up. He takes us on a odyssey through this strange no man's land where East meets West, where the old certainties have gone, the KGB men wear Italian suits, the Mafia tycoonskis style themselves on the Godfather flicks and the rest are queuing to change dollars.
