When God made a promise to Abraham that he was going to give him a child, Abraham had to wait for 25 years before the promise materialized so thus the Lord rewarded him by personally visiting Abraham and even further blessing him. When the Lord visits blessings overflow it becomes limitless what he is about to do. It is medically impossible for a 90 year old woman to give birth but when the Lord's visit impossibilities become a thing of the past.

When God made Elina, He pulled moonlight from the north, starlight from the south, sunlight from the east, and candlelight from the west. He planted the four lights around the steadfast soil of her soul, and beaming with gladness, God said, Elina, pray. Every child around the globe is specially made by God with a unique set of virtues, talents, and interests. What beautiful things was God thinking when He made you? A children's picture book.

With so much attention given to the presentation aspect of modern worship services, is it possible that many people attending church today forget to focus on the primary purpose of actually being in God's presence? Pastor Steve Gaines and coauthor Dean Merrill (Fresh Wind, Fresh Fire) fear this is the case and call for a return to the core point of corporate worship in *When God Comes to Church*. The goal here is to "send

people out the door saying not 'What a sermon!' or 'What great music!' but rather 'What a Savior!' . . . the only 'Wow!' in a church should be God." With that in mind, Gaines and Merrill write thoroughly about what attracts God to our worship gatherings--sincere prayer, repentance, unity, etc.--and warn against the worldly hindrances to pure worship such as legalism, liberalism, and fanaticism.

From the author and illustrator of the best-selling *When God Made You* comes a new illuminating message about God's design affirming young readers. 'Let there be light!' that's what God said. And light began shining and then started to spread." Wild and creative illustrations from top children's illustrator David Catrow pair with Matthew Paul Turner's lyrical verse in this message of a God-made light that cuts through darkness to bring vision and hope to all young readers. This light radiates, chasing away the shadows, providing the wonder and fun of stargazing or firefly chasing. Most important, this light appears in each child--an inner God-given spark that grows and will be used to change the world.

Have you ever wondered if there's a secret to living a life of freedom and holiness? Have you feared that maybe you're missing something somewhere? Or perhaps you've wondered whether it really is even possible to live a life free of immorality and sexual sin? Statistics today say that sexual problems — such as porn addiction, sex before marriage, and adultery — are more prevalent than they have ever been before. They affect those of faith just as often as those who do not profess any form of religion. Sexual addictions have become a master weapon via which the devil keeps millions of people from fulfilling their God-ordained calling and destiny. The devastating effects of sexual addictions and problems are obvious throughout the world. The family unit is adversely affected, divorce is on the rise, and countless relationships are affected negatively or ruined altogether due to these widespread issues. Is there a key to freedom? In "Sexual Battles: Experiencing Lasting Victory over Sexual Sin", author Seun Israel reveals his own past with these debilitating issues, and the journey he took to lasting victory. With scripture-based principles, the author focuses on providing a practical solution to sexual addictions, and a transition to a life of purity before God. His journey will inspire and motivate

readers that anyone can gain true and lasting victory.

**When God Talks Back** Forerunner Publishing House

God chose me at an early age of about seven years old to visit, beginning with the vision of three Angels. His many visits have continued throughout my years thus far. Some visits are in dreams, visions, and a few in physical form. I do not know why God chose me to reveal himself. I am just an ordinary person, living an ordinary life. I am no special person. God reveals himself to all of us, preparing us for His future plans for our lives.

These days, bad news often outpaces the good. Problems outnumber solutions. You may turn and ask, "Where is God at a time like this?" Friend, he's right here. And he's whispering your name. You really want to do what is right. But sometimes life turns south. You're

anxious, you're busy, you're cautious because you've been hurt before--or maybe you're all of the above. Somewhere between the pages of this book and the pages of your heart, God is speaking. And he is calling you by name. Maybe that's hard to believe. Maybe you just can't imagine that the One who made it all thinks of you that personally--that he keeps your name on his heart and lips. In *When God Whispers Your Name*, Max will help you: See yourself in the stories of hardship and redemption in Scripture Understand that you are uniquely known by God Grasp the great and daring love of the One who calls your name Each copy of *When God Whispers Your Name* also includes a discussion guide designed to let you dive deeper into the timeless scripture that underlies each of these lessons of hope, encouragement, and redemption. knows our names. Today, listen carefully. Hear that? God is whispering your name.

We have all experienced a disconnect between God's promises to us and our everyday reality. We wait, without understanding why. We want to know God's plan so that we can trust it--but God so often hides his plan so that we will trust him. What can we do in the meantime as we are waiting for an answer, a change, or a miracle? With deep compassion, Wayne Stiles helps readers understand why God makes them wait. Unpacking the Old Testament story of Joseph, Stiles shows readers how to find comfort and opportunity in the time between God's promises and his answers, revealing the perspective-altering truth that sometimes when we think we are waiting on God, he is actually waiting on us. Anyone who has felt a disconnect between God's promises and their reality, who doesn't know what God wants them to do next, or who struggles with the brokenness of their world will find in Wayne Stiles a wise and trustworthy guide to finding peace in the pauses.
