Jane Eyre John Wiley & Sons
Jane Eyre is not your typical romance. It is a coming of age story of a woman who struggles in a world where she doesn't quite fit. Once finished with her schooling, and with no family that really cares for her she strikes out on her own as a governess. Jane Eyre searches for love, someone to care for her, and someone to care for, and eventually finds it in unexpected places. This book is unabridged and appears as it was first

intended. First published in 1847.
Jane Eyre (Book 5 Of 6) CreateSpace
This novel published in 1847 tells the story of Jane Eyre, including her growth to adulthood and her love for her employer Edward Rochester, the brooding master of Thornfield Hall, who is harboring a terrible secret. About Grace's Giant Print Books (gracesgiantprintbooks.com) Our books are especially designed for low vision readers who may not be able to operate an e-reading device, or just love the feeling of a book in their hands. The 30 point font (featured on each back cover) is easy to read, and the books are larger

than the industry standard, making them more manageable for arthritic hands and fingers. For the full catalogue, visit www.gracesgiantprintbooks.com.
Jane Eyre Usborne Publishing Ltd
Ten-year-old orphan Jane Eyre lives unhappily with her wealthy relatives, the Reed family, at Gateshead. Resentful of the late Mr. Reed's preference for her, Jane's aunt and cousins take every opportunity to neglect and abuse her as a reminder of her inferior station. Jane's only salvation from her daily humiliations is Bessie, the kindly servant who tells her stories and sings her songs. One day, Jane confronts her bullying cousin, John, and Mrs. Reed punishes her by imprisoning her in the "red-room," the room in which her uncle died. Convinced that she sees her uncle's ghost, Jane

faints. When she awakes, Jane is being cared for by the apothecary, Mr. Lloyd, who suggests that she be sent off to school. Mrs. Reed is happy to be rid of her troublesome charge and immediately sends Jane to the Lowood School, an institution fifty miles from Gateshead. Jane soon discovers that life at the Lowood School is bleak, particularly because of the influence of the hypocritical headmaster, Mr. Brocklehurst, whose cruelty and evangelical self-righteousness results in poor conditions, inedible meals, and frequent punishments for the students. During an inspection of the school, Mr. Brocklehurst humiliates Jane by forcing her to stand on a stool in the middle of the class and accusing her of being a liar. The beautiful superintendent, Miss

Temple, believes in Jane's innocence and writes to Mr. Lloyd for clarification of Jane's nature. Although Jane continues to suffer privations in the austere environment, Miss Temple's benevolence encourages her to devote herself to her studies.

Jane Eyre MACMILLAN

Presents the story of a poor, orphaned governess who meets and falls in love with a brooding, melancholy man given to rough outbursts of temper.

Jane Eyre Hachette UK

Rivetingly retold for today's readers, Charlotte Brontë's classic story of thwarted love and dark secrets remains as fresh and exciting as the day it was first written. Jane Eyre is a poor orphan who has no one to protect her from bullying relations and school masters. Determined to change her luck, she becomes a governess and settles happily into a new life at Thornfield Hall. Before

long, Jane realizes Thornfield and its owner, Mr. Rochester, are hiding secrets from her. Whose menacing laugh does she keep hearing? How did the fire start that almost cost Mr. Rochester his life? And why are there screams in the night? LC: Jane Eyre Oxford University Press A level 6 Oxford Bookworms Library graded reader. Retold for Learners of English by Clare West. Jane Eyre is alone in the world. Disliked by her aunt's family, she is sent away to school. Here she learns that a young girl, with neither money nor family to support her, can expect little from the world. She survives, but she wants more from life than simply to survive: she wants respect, and love. When she goes to work for Mr Rochester, she hopes she has found both at once. But the sound of

strange laughter, late at night, behind a locked door, warns her that her troubles are only beginning.

Jane Eyre (Book 2 Of 6) Pearson Education India

Almost 170 years on, Charlotte Brontë's story of the trailblazing Jane is as inspiring as ever. This bold and dynamic production uncovers one woman's fight for freedom and fulfilment on her own terms. From her beginnings as a destitute orphan, Jane Eyre's spirited heroine faces life's obstacles head-on, surviving poverty, injustice and the discovery of bitter betrayal before taking the ultimate decision to follow her heart.

This inventive staging of Brontë's masterpiece was first staged by Bristol Old Vic in 2014, when the story was performed over two evenings. Director Sally Cookson now brings her celebrated production to the National Theatre, presented as a single, exhilarating performance.

Jane Eyre: with 14 Illustrations and a Free Online Audio File Graphic Universe™

In early nineteenth-century England, an orphaned young woman accepts employment as a governess at Thornfield Hall, a country estate owned by the mysteriously remote Mr. Rochester.

[Jetstream - Pre-Intermediate - Student Book and Workbook Split Edition](#) Steck-Vaughn

The year is 1846. In a cold parsonage on the gloomy Yorkshire moors, a family seems cursed with disaster. A mother and two children dead. A father sick, without fortune, and hardened by the loss of his two most beloved family members. A son destroyed by alcohol and opiates. And three strong, intelligent young women, reduced to poverty and spinsterhood, with nothing to save them from their fate. Nothing, that is, except

their remarkable literary talent. So unfolds the story of the Brontë sisters. At its centre are Charlotte and the writing of Jane Eyre. Delicately unraveling the connections between one of fiction's most indelible heroines and the remarkable woman who created her, Sheila Kohler's *Becoming Jane Eyre* will appeal to fans of historical fiction and, of course, the millions of readers who adore Jane Eyre.

Brontë

Jane Eyre is a famous and influential novel by English writer Charlotte Brontë. It was published in London, England in 1847 by Smith, Elder & Co. with the title *Jane Eyre*. An Autobiography under the pen name "Currer Bell". Harper & Brothers of New York came out with the American edition

in 1848. It begins, "There was no possibility of taking a walk that day."(wikipedia)

Jane Eyre

The LitJoy Classics edition of *Jane Eyre* features a fully illustrated cover and interior end pages, five full-page illustrations, gold-color ribbon, custom slip cover, gilded gold page edges, and artwork by Felix Abel Klaer.

JANE EYRE

'Jane Eyre' is a story about an orphan child. Jane's parents died when she was still too little to remember them, and it is her uncle (her mother's brother) who takes her in. Jane's uncle also dies not long after this, and he makes his wife, Mrs. Reed, promise him that she will take care of his niece as if she were her own. Unfortunately for Jane, her aunt

does not fulfill that promise: She considers Jane a burden and dislikes her for being poor. Her children are no better. Under their mother's indulgence, they mistreat their cousin constantly, always making it clear that she is inferior to them. It is only at age ten that Jane managed to get out of her aunt's house, but her quality of life does not improve much. She is sent to Lowood, a charity school directed by the cruel Mr. Brocklehurst, who does not hesitate in making the pupils face hunger, cold and even physical punishments in what he considers a chance to 'save their souls'. Our protagonist remains at Lowood for eight years, six as a pupil and two as a teacher. After that, she decides that it is time to find a new situation and advertises in a paper

offering her services to educate children. The only answer she receives comes from a place called Thornfield, in Millcote, and is addressed by a Mrs. Fairfax, who hires her to be the governess of only one child. Jane's life in Thornfield Hall is more satisfactory than she could have expected. She likes Mrs. Fairfax, the housekeeper, and her little pupil Adele, who soon become very fond of her, too. Jane also gets to know Mr. Rochester, owner of Thornfield, with whom she develops a strange friendship that eventually turns into love. But it will be no long until she discovers that the unequal social positions and the difference of age are not the biggest obstacles that their relationship has to overcome. On the eve of their wedding a terrible secret comes out, tearing Jane

away from everything she has ever known. Why should you be reading it? It can be noticed, even while going through the first pages of this book, that the writer has a special sensibility when it comes to the perception of the world around her. This story is presented by Charlotte Bronte through the eyes of its protagonist, what gives us a very personal insight into what Jane is thinking and feeling at every point. And it is especially the way that feelings are expressed what stands out the most while we are reading: The descriptions of Jane's emotions are so wonderfully well developed that you can even feel them in your own skin, something that not many authors are capable of

achieving. When we speak about Jane, we cannot ignore the fact that we are seeing one of the most famous feminist characters in history, probably one of the first feminist characters ever. Even though she is not constantly going over it, we get to see that she has strong moral convictions, and advanced ideas when it comes to the lives and the capacity of women. This shows up, for example, when she has to decide whether to stay with the man she loves and become his mistress, or leave him and find a respectable life somewhere else. She knows that leave is going to make her unhappy, but she also knows that she could never live knowing that she is acting against her principles.
