The Ku Klux Kraze Good Press

"[...] January 22, 1871. Resolved: That in all cases of incendiarism, ten of the leading colored people and two white sympathizers shall be executed. That if any armed bands of colored people are found hereafter picketing the roads, the officers of the company to which the pickets belong shall be executed. Southern speakers on the floor of the house in the debates which preceded the passage of the "act to enforce the fourteenth amendment," traced the origin of the Ku-Klux to the Union league, an association in the south composed chiefly of northerners. Charges were also made by statesmen once in the confederate army that "Tammany Hall" in New York furnished arms to the Klanists, in order that they might murder[...]"

Ku Klux Klan Secrets Exposed Nabu Press

The Reconstruction was meant to be a time of rebuilding and healing for the South following the Civil War. But the Reconstruction, marked by the continued strong hatred and hostility between liberated African Americans and angry Ku Klux Klan members, was hardly a time of reconciliation for the South. This work deals with the Reconstruction-era Ku Klux Klan, a paramilitary group with political aims that used violence and intimidation to achieve its goals. It addresses exclusively the Klans activities in York County, South Carolina, during the years 1865-1877. It clarifies some misconceptions about the Reconstruction Klan and disentangles it from later organizations that used the same name. There are no reports of its

burning crosses or persecuting Jews and Catholics and it has no connection to the Klan that appeared in the early part of the twentieth century or todays counterpart that marches under the Confederate flag. Throughout the Reconstruction, blacks and whites tried to out-shout each other in the new era of conversation, and, as shown in this work, made little progress in understanding, or trying to understand, each other.

The Modern Ku Klux Klan SIU Press

"This story tells about the events which led up to the burning of the Barren River Baptist Church in Bowling Green Kentucky in the early morning hours of December 6, 1991 ... The history of the Klan is discussed as well as the secret symbolism [sic], meetings, and ceremonies.--P. [4] of cover.

Ku Klux Klan Secrets Exposed BoD - Books on Demand

"To the old Ku-Klux Klan which rode through the south in the days following the civil war the new Ku-Klux Klan is a relative only in name. It is not tied

by blood. It holds the same position to its southern aristocratic forbear as an imposter in social life does to some illustrious gentleman of the same name of whom he claims to be a descendant. The old Ku-Klux Klan was a historical development. The new is a man's contrivance. The old Ku-Klux Klan movement was an outcome of conditions that prevailed in the southern states after the war. The present Klan, apparently, is an outcome of a group of men's desire to make money."

This revealing history chronicles the rise of the KKK in 1920s New Jersey and the backlash it faced from the state's immigrant communities. As one of the nation's most diverse states, New Jersey is celebrated for its strong communities built across religious and ethnic lines. But the Mid-Atlantic state is not immune to the ills of bigotry and racism. When the Ku Klux Klan began to reemerge in the first half of the twentieth century, it found a home for a time in New Jersey. Arthur H. Bell, a former vaudevillian turned KKK Grand Dragon, used the tactics of public theater to advertise and recruit for the secret society. In a time of heightened xenophobia during World War I, many white Protestants were already suspicious of their Catholic and Jewish neighbors—a trend Arthur used to his advantage. But the organization's rise was soon met with a forceful backlash. At a massive riot in Perth Amboy, thousands of immigrants besieged a few hundred Klansmen and ran them out of town. This detailed history chronicles the brief rise of the Ku Klux Klan and how brave New Jersey residents collectively stood up to bigotry.

Ku Klux Klan Secrets Exposed Lawrence Atkins

Elegantly written and meticulously researched, this book offers a major new interpretation of the Ku Klux Klan in America, placing the organization in its context of class and gender as well as race and religion.

Keen to learn but short on time? Get to grips with the operations of the Ku Klux Klan in next to no time with this concise guide. 50Minutes.com provides a clear and engaging analysis of the Ku Klux Klan's activity over the past 150 years. This notorious organisation was founded in 1865 in the wake of the American Civil War, but although its stated aim was to protect the war-torn Southern states, it soon became a vehicle for brutal violence committed against the country's black population and was disbanded as a result. However, it was revived by William J. Simmons in the early 20th century, and the second incarnation of the organisation proved more popular, more prejudiced and more bloodthirsty than ever before. Although its power waned in the following decades, and only isolated, depleted local cells can still be found today, the KKK remains a byword for prejudice, extremism and white supremacy worldwide. In just 50 minutes you will: • Learn about the circumstances that led to the KKK being founded in the wake of the American Civil War • Find out about the various attempts to revive the organisation since it was first disbanded • Understand the roles played by several key members of the KKK throughout the organisation's history ABOUT 50MINUTES.COM | History & Culture 50MINUTES.COM will enable you to quickly understand the main events, people, conflicts and discoveries from world history that have shaped the world we live in today. Our publications present the key information on a wide variety of topics in a quick and accessible way that is guaranteed to save you time on your journey of discovery.

The Rise and Fall of the Ku Klux Klan in New Jersey Booksurge Publishing

"The Ku Klux Klan" by Annie Cooper Burton is a personal account of the Ku Klux Klan by the daughter of the Grand Dragon which includes secret KKK information first exposed by Burton. The Ku Klux Klan, with its long history of violence, is the oldest and most infamous of American hate groups. This book is difficult to read, but in order to learn from the past, it's important to understand the events and mistakes that have occurred in history, this book is a reference for such learning.

The Ku Klux Klan in American Politics Harlequin

● 55% OFF Bookstores! NOW at 17.95 instead of 28.95! LAST DAYS!● Your Customers Never Stop to Read this Awesome book! In Pulaski, Tennessee, a group of Confederate veterans convenes to form a secret society that christens the "Ku Klux Klan." The KKK rapidly grew from a secret social fraternity to a paramilitary force bent on reversing the federal government's progressive Reconstruction Era-activities in the South, especially policies that elevated the rights of the local African American population. The name of the Ku Klux Klan was derived from the Greek word *kyklos*, meaning "circle," and the Scottish-Gaelic word "clan," which was probably chosen for the sake of alliteration. Under a platform of philosophized white racial superiority, the group employed violence as a means of pushing back Reconstruction and its enfranchisement of African Americans. Former Confederate General Nathan Bedford Forrest was the KKK's first grand wizard; in 1869, he unsuccessfully tried to disband it after he grew critical of the Klan's excessive violence. The 20th century witnessed two revivals of the KKK: one in response to immigration in the 1910s and '20s, and another in response to the African American civil rights movement of the 1950s and '60s. Various chapters of the KKK still exist in the 21st century. White supremacist violence, in general, is again on the rise in America. Buy it NOW and let your customers get addicted to this amazing book!

Ku Klux Klan Nashville, Tenn. : Wheeler, Osborn & Duckworth Manufacturing Company

Ku Klux Klan Secrets Exposed Ezra A. Cook The Ku Klux Klan and its attitude toward Jews, Catholics, Foreigners and Masons. Fraudulent Methods Used. Atrocities Committed in Name of Order. According to the story which has lived south of the Mason and Dixon line since those post-bellum days, a group of youths cooling their heels in a law office one May evening in 1866 organized a society for a good time. If anyone had suggested to them at that time that five years later a committee of congress would devote thirteen volumes to a history of their "movement" and pass a law to suppress it, or that before the child of their wits was fully grown it would have developed into a terrorizing "hobgoblin" sheeted for lawlessness, they would have thought it a jest. CONTENTS The Old Ku Klux Klan The New Ku Klux Klan How the Modern Ku Klux Klan Was Organized How the Ku Klux Klan Gets Members Oath of the Ku Klux Klan The Old Pledge of Loyalty Modern Kleagles Pledge of Loyalty How the Dollars Roll In The Ku Klux Klan and the Jews The Ku Klux Klan and the Catholics The Ku Klux Klan and the Masons The Ku Klux Klan and the Negroes The Ku Klux Klan and Women Atrocities Committed in the Name of the Order

"Ku Klux Klan Secrets Exposed: Attitude toward Jews, Catholics, Foreigners and Masons. Fraudulent Methods Used. Atrocities Committed in Name of Order" by Ezra A. Cook Cook was known for his exposes, and his tackling of the Ku Klux Klan, one of the darkest societies in American history, is perhaps the best example of that. Between the 1880s and the 1900s, the group went through multiple types of public perception. This book exposes those perceptions as well as the ways in which its members managed to commit their acts without widespread public outcry.

Ku Klux Klan Library of Alexandria

Overview: An account of the Haymarket Affair written from the viewpoint of the State but includes much valuable material on the trial and the mentality of the people associated with the case for the prosecution. Biographies of all the defendants and other participants are included.

KKK Les secrets du Ku Klux Klan

Découvrez enfin tout ce qu'il faut savoir sur le Ku Klux Klan en moins d'une heure ! Si tout le monde a entendu parler du Ku Klux Klan et des actes de violence perpétrés par ses membres, peu nombreux sont ceux à savoir ce qu'est réellement le KKK. Formée un siècle avant le décès de Martin Luther King, la société secrète avait pour vocation de défendre les femmes et les orphelins sudistes. Vêtus de draps, les membres se réunissaient la nuit, défilaient dans les rues et effrayaient les Noirs. Mais ce qui n'était à l'origine que de simples plaisanteries se transforme en séances d'intimidation et en lynchages. Les débordements ont rapidement lieu et bientôt plusieurs personnes perdront la vie... Ce livre vous permettra d'en savoir plus sur : • L'histoire du Ku Klux Klan • Ses membres les plus éminents • Les buts et le fonctionnement du KKK • Les controverses et scandales dans lesquels le Ku Klux Klan est impliqué Le mot de l'éditeur : « Dans ce numéro de la collection « 50MINUTES Société secrètes », Raphaël Coune nous présente l'histoire du Ku Klux Klan. Si tout le monde se représente bien l'accoutrement de ses membres et les croix enflammées qui les caractérisent tant, les véritables objectifs du KKK restent à bien des égards assez mystérieux. Entre volonté de protéger veuves et orphelins et sauvegarde de la suprématie blanche, le Ku Klux Klan n'a pas encore révélé tous ses secrets. » Stéphanie Dagrain À PROPOS DE LA SÉRIE 50MINUTES | Sociétés secrètes La série Sociétés secrètes de la collection « 50MINUTES » présente une dizaine d'organisations mystérieuses qui ont défrayé les chroniques. Chaque livre a été pensé pour les lecteurs curieux qui veulent faire le tour d'un sujet précis, tout en allant à l'essentiel, et ce en moins d'une heure. Nos auteurs combinent les faits historiques, les analyses et les nouvelles perspectives pour rendre accessibles des siècles d'histoire.

[Kloran of the Knights of the Ku Klux Klan](#) Arcadia Publishing

KKK: The Story of the Ku Klux Klan, first published in 1963, sets out to answer three questions about the KKK: what it is, why was it so hard to eradicate from American society, especially in the southern states; and how powerful is the Klan (at the time of the book's publication). Through his extensive research and interviews with Klan leaders as well as knowledgeable outsiders, author Ben Haas attempts to answer these questions and provide insight into the origins, beliefs, and activities of this secret society. AS LONG AS THERE'S HATE KLANSMEN WILL RIDE This is the frightening conclusion suggested by Ben Haas' study of the Ku Klux Klan, yesterday, today, and until... Even as the House Committee on Un-American Activities, spurred on by the anger of President Johnson, investigates the midnight tyranny of the Klan's "enforcers," doubt is justified whether the whole monstrous picture of the Klan's stubborn vitality can be dragged into the day light...and whether its flaming crosses will ever be doused. Avid "Americanism" and pious "old-time religion" bolster the vicious, fear-driven bigotry that may even today be spreading and solidifying its cruel grip on the nation. Here is the story of the hooded hate-mongers and their... ..INVISIBLE EMPIRE OF TERROR ROUGHSHOD BIGOTRY... THE MEN, THE MINDS, THE TRADITION From its birth in the ashes of the Civil War to its resurgence in the heat of today's civil rights struggle, here is the story of the Klan. It is a horror story told with scathing humor; a non-fiction nightmare detailed by a journalist who has interviewed present Klan leaders and dug for the truth behind their claims. Here is the face and the shape of the sprawling white monster that seemingly will not die.

[Ku Klux Klan Secrets Exposed](#) Oxford University Press, USA

The aftermath of the Civil War saw the Ku Klux Klan founded as a white supremacist insurgency of former Confederate rebels. But the Klan saw its greatest growth in the first decades of the 20th century. By 1925, with a membership of about four million, it was established in every state of the Union. Fueling its incredible growth was a potent combination of public relations expertise and high-pressure sales tactics applied to the business of hate. Its sinister legacy still confronts us today. Collected here for the first time is a massive dossier of original source material documenting this bizarre episode of American history. Materials include government reports; long-hidden pages from the Klan's own handbook; pro- and anti-Klan articles from newspapers and magazines of the period; and much more, including the complete text of Ezra A. Cook's classic piece of investigative reporting, "Ku Klux Klan: Secrets Exposed." All unabridged.

[The Secrets of the Ku Klux Klan](#) New York, Harcourt, Brace

This is the story of a black family that was living in poverty in the Deep South. Despite their circumstances, their home was filled with love, unity, and respect. It is the story about how some race haters and the alleged Ku Klux Klan, including police officers, pathologist, the fire marshal, and the county coroner conspired to cover up the murder of five innocent children. This is the voice that the brother of the murdered children, after spending thirty years of his life searching for justice and closure. As a result of his lifetime search, in 2014, he was able to persuade some of the white residents of Woodruff County to meet with the FBI. Through his persistence and perseverance, some of the white residents came forward with testimonies naming those involved.
