3 Ways to Choose Interior Paint Colors - wikiHow
 How To Choose Paint Colours
 If you're creating an accent wall, look to the boldest colors in the print. If you would like to choose a paint color that is more subtle or for a larger space, look at the color in the small details of your print fabric. Take a fabric swatch to the paint store so you can choose paint strips to view at home.
 Tips for Choosing Interior Paint Colors
 The three primary colors are red, yellow and blue. Mixing these create green, orange and violet. From just these six hues, millions of colors can be created, and each one has its own mood. The first step in deciding how to choose a paint color is deciding if you want a passive, active or neutral mood in your

space.
 How To Choose a Paint Color - The Home Depot
 Pull colors from your existing pieces. If you have a favorite photo, vase or set of throw pillows, select a color from one or more of those items for your walls. You can even bring small items to your local paint store or bring home a fan deck to find an exact match or complementing color.
 How To Choose Paint Colors | The Family Handyman
 Just choose your favorite color and overlap the shades. For example, select a darker color for the wall and then another in the same color scheme but different shade and slightly lighter for the trim. Your curtains, towels or bedding as well as accessories such as candles can be varying shades within the same scheme.
 How To Select the Right Paint and Color For Your Home | DIY
 How to Choose Paint Colors: 1. Find Inspiration. 2. Color Match. 3. Look at the

Color Fan Deck. How to Choose Paint Colors for your Home Sample a palette. Once you've narrowed your paint color choices to two or three, bring them into the space via sample boards. Buy sample-size containers of each color. Paint each hue and its accent color on a 1x1-foot piece of poster board. Check the boards against the room's furniture, fabrics, surfaces,...

How to Choose Paint Colors | Better Homes & Gardens For a smooth transition between spaces, try choosing a color for one room and paint the adjacent space two shades away, lighter or darker, using tones from the same color chip. Wake up beige. Adding shades of the same color creates depth and interest. Paint below the chair rail a deeper shade of the existing wall.
