The introductory chapter grounds the reader in social theory on authority; presents groundbreakin g qualitative studies of classroom authority; describes ideological debates over authority in schools; and discusses implications for research, practice, and policy. Six field-based qualitative studies illuminate the dynamics of authority</p>	<p>across a spectrum of K-12 and college settings. elucidating new findings and vital themes that expand the reader's vision of what classroom authority means, how it is constructed, and why it is so important. This book seeks to revitalize dialogue and research on classroom authority with attention to the contextual factors that bear on its social construction. It is aimed at teacher educators, scholars, policymakers, students of education, and practitioners who seek empirically based understanding of authority that is inextricably connected to classroom life and ultimately to the larger issues of educational quality and democracy in schools and society.

Notes from an Apocalypse
Houghton Mifflin Black Internationalist Feminism examines how African American women writers affiliated themselves with the post-World War II Black Communist Left and developed a distinct strand of feminism. This vital yet largely overlooked feminist tradition built upon and critically retheorized the postwar Left's "nationalist internationalism," which connected the liberation of Blacks in the United States to the liberation of Third World nations and the worldwide proletariat.

Black internationalist feminist critiques racist, heteronormative, and masculinist articulations of nationalism while maintaining the importance of national liberation movements for achieving Black women's social, political, and economic rights. Cheryl Higashida shows how Claudia Jones, Lorraine Hansberry, Alice Childress, Rosa Guy, Audre Lorde, and Maya Angelou worked within and against established literary forms to demonstrate that nationalist internationalism was linked to struggles against heterosexism and patriarchy. Exploring a diverse range of plays, novels, essays, poetry, and reportage, Higashida illustrates how literature is a crucial lens for studying Black internationalist feminism because these authors were at the forefront of bringing the perspectives and problems of black women to light against their marginalization and silencing. In examining writing by Black Left women from 1945-1995, *Black Internationalist Feminism* contributes to recent efforts to rehistoricize the Old Left, Civil Rights, Black Power, and second-wave Black women's movements.

Ruby Oxford University Press, USA 2016 Choice Outstanding Academic Title From Eleanor Roosevelt to feminist icon Gloria Steinem to HIV/AIDS activist Dazon Dixon Diallo, women have assumed leadership roles in struggles for social justice. How did these remarkable women ascend to positions of influence? And once in power, what leadership strategies did they use to deal with various challenges? Junctures in Women's Leadership: Social Movements explores these questions by introducing twelve women who have spearheaded a wide array of social movements that span the 1940s to the present, working for indigenous peoples' rights, gender equality, reproductive rights, labor advocacy, environmental justice, and other causes. The women profiled here work in a variety of arenas across the globe: Planned Parenthood CEO Cecile Richards, New York City labor organizer Bhairavi Desai, women's rights leader Charlotte Bunch, feminist poet Audre Lorde, civil rights activists Daisy Bates and Aileen Clarke Hernandez, Kenyan environmental activist Wangari Maathai, Nicaraguan revolutionary Mirna Cunningham, and South

African public prosecutor Thuli Madonsela. What unites them all is the way these women made sacrifices, asked critical questions, challenged injustice, and exhibited the will to act in the face of often-harsh criticism and violence. The case studies in *Junctures in Women's Leadership: Social Movements* demonstrate the diversity of ways that women around the world have practiced

leadership, in many instances overcoming rigid cultural expectations about gender. Moreover, the cases provide a unique window into the ways that women leaders make decisions at moments of struggle and historical change.

[Rose's Baking Basics](#) Knopf Books for Young Readers *Animal Rage* is book 3 and the finale of the *Devil Dogs* MC trilogy! SHE SHOULD'VE TURNED ME

AWAY. I'm an animal who'll break your heart. She's a good girl who took over her late mother's boarding house. She needed the money and I needed a place to stay. But I'm the last person she should've let into her home. Good girls like Isabel Bishop aren't supposed to fall for animals like me. She didn't realize how hard things could get when she took over her late mother's boarding house.

Tenants were few and far in between, and she was desperate for cash. I was looking for a place to stay—somewhere to keep low and out of sight. At first it was simple necessity. But that was before I saw her delicious curves. Before I tasted her sweet lips. Before I felt her quivering underneath me. She thought things were hard before? I'm about to show her just how hard things can get. Show her just how

badly I will corrupt her. How badly I will ruin her. How badly I will devour her.

Books For fans of GILMORE GIRLS and TO ALL THE BOYS I'VE LOVED BEFORE, this effervescent love story from debut author Nina Moreno will sweep you away. Rosa Santos is cursed by the sea—at least, that's what they say. Dating her is bad news, especially if you're a boy with a boat. But Rosa feels more caught than cursed. Caught between cultures and choices. Between her

abuela, a beloved healer and pillar of their community, and her mother, an artist who crashes in and out of her life like a hurricane. Between Port Coral, the quirky South Florida town they call home, and Cuba, the island her abuela refuses to talk about. As her college decision looms, Rosa collides-literally-with Alex Aquino, the mysterious boy with tattoos of the

ocean whose family owns the marina. With her heart, her family, and her future on the line, can Rosa break a curse and find her place beyond the horizon? Guys and Dolls and Other Writings Routledge Maya Angelou has fascinated, moved, and inspired countless readers with the first three volumes of her autobiography, one of the most remarkable personal

narratives of our age. Now, in her fourth volume, The Heart of a Woman, her turbulent life breaks wide open with joy as the singer-dancer enters the razzle-dazzle of fabulous New York City. There, at the Harlem Writers Guild, her love for writing blazes anew. Her compassion and commitment lead her to respond to the fiery times by becoming the northern coordinator of Martin Luther King's history-

making quest. A tempestuous, earthy woman, she promises her heart to one man only to have it stolen, virtually on her wedding day, by a passionate African freedom fighter. Filled with unforgettable vignettes of famous characters, from Billie Holiday to Malcolm X, *The Heart of a Woman* sings with Maya Angelou's eloquent prose -- her fondest dreams, deepest disappointments, and her dramatically tender relationship with her rebellious teenage son. Vulnerable, humorous, tough, Maya speaks with an intimate awareness of the heart within all of us.
