The valuable lesson contained in this book is that the best way to attract prosperity is to abandon the pursuit of wealth and allow it to flow toward oneself. The ancient laws of attraction are explained in plain language and applied in an economic

framework—a new perspective not found in other popular explications of these principles. A path to prosperity is offered in tandem with guidance for achieving harmony in both professional and personal spheres while strategies to overcome destructive thinking patterns and to sustain the flow of wealth while channeling it constructively are delineated. Profiles of individuals who pursued their passion rather than profit, and subsequently reaped immense rewards, will inspire those seeking to transform their lives.

When you’re doing something that’s out of the ordinary, your mental programming, your paradigm, will try and stop you. If you want to win, you must keep going. Your paradigms may be masked in complacency, fear, worry, anxiety, insecurities, self-doubt, mental hurry and self-loathing—the result is keeping you STUCK....locked in a box and starved of your dreams and ambitions. To change your life—you MUST change your paradigm. The change is not easy, but it’s worth it, and the results are lasting. Bob Proctor will show you his proven methods for doing so. This book will synthesize his decades of study, application, and teaching to:

- Explain what paradigms are and how they guide every move you make
- Teach you how to identify your paradigms
- Show you how to make your own Paradigm Shift
- Help you transform your finances, health and lifestyle when you change your paradigm
- Guide you on how to replace a paradigm that doesn’t serve you well with a new one that frees you to create the life you really want

Bob will break through the myth many people have about success—that long hours and hard work are sufficient to achieve lasting success. Because without changing your paradigm, no amount of hard work and long work hours will make a measurable, lasting difference in your success. Once you go through Bob Proctor’s Paradigm Shift Process, you will expose yourself to a brand new world of power, possibility and promise.

More than 100 million Americans deal with chronic pain every day. And if you’re one of them, you’ve probably tried all the normal “solutions”: doctors, injections, medications, and surgeries. While these all have a place in healing, they have fallen short in dealing with the pain epidemic. So what can you do? In *The Tapping Solution for Pain Relief*, Nick Ortner presents a startling alternative. He lays out a step-by-step plan that teaches you how to use tapping, or EFT (emotional freedom techniques), to reduce or eliminate chronic pain. Looking at the scientific research surrounding pain, stress, and tapping, he opens your eyes to just how powerful tapping can be, and then outlines tips and techniques to address pain in both the short and long term. Nick guides you on a journey that begins on the surface—tapping to address the pain itself—and moves to the deeper issues that often affect pain. With easy-to-follow tapping scripts and

exercises, Nick helps you heal the emotional pain and underlying beliefs that often keep people stuck. He also addresses topics that you may not think of as associated with chronic pain, such as:

- Creating personal boundaries
- Dealing with toxic relationships
- Clearing resistance to change
- Understanding the power of a diagnosis
- Working through anger

There are many ways the brain and body can create, increase, and prolong pain. After reading this book, you’ll not only understand what’s causing your pain but also how to achieve complete and lasting relief. But let’s face it; this is about more than just pain relief. It’s about empowering yourself to take back your body in order to live the life you want.
