BLAZE LIN

Simply Julia Greenwood

Except for the dragon-shaped constellation that appeared at his birth, there was nothing that suggested Arthur was destined for greatness. Narration by Christian Coulson (Tom Riddle, Harry Potter and the Chamber of Secrets). *The Times-picayune Index* Yearling Beloved New York Times bestselling cookbook author Julia Turshen returns with her first collection of recipes featuring a healthier take on the simple, satisfying comfort food for which she's

known. Julia Turshen has always been cooking. As a kid, she skipped the Easy-Bake Oven and went straight to the real thing. Throughout her life, cooking has remained a constant, and as fans of her popular books know, Julia's approach to food is about so much more than putting dinner on the table—it is about love, community, connection, and nourishment of the body and soul. In *Simply Julia*, readers will find 110 foolproof recipes for more nutritious takes on the simple, comforting meals Julia cooks most often. With practical chapters such as weeknight go-tos, make-ahead mains, vegan one-pot meals, chicken recipes, easy baked

goods, and more, Simply Julia provides endlessly satisfying options comprised of accessible and affordable ingredients. Think dishes like Stewed Chicken with Sour Cream + Chive Dumplings, Hasselback Carrots with Smoked Paprika, and Lemon Ricotta Cupcakes—the kind of flavorful yet unfussy food everyone wants to make at home. In addition to her tried-and-true recipes, readers will find Julia’s signature elements—her “Seven Lists” (Seven Things I Learned From Being a Private Chef that Make Home Cooking Easier; Seven Ways to Use Leftover Buttermilk; Seven Ways to Use Leftover Egg Whites or Egg Yolks), menu suggestions, and helpful adaptations for dietary needs, along with personal essays and photos and gorgeous food photography. Like

Melissa Clark’s *Dinner* or Ina Garten’s *Modern Comfort Food*, Simply Julia is sure to become an instant classic, the kind of cookbook that will inspire home cooks to create great meals for years to come.

Show Way Simon and Schuster Twelve-year-old Carey Monroe has no idea what he's in for when his wacky aunt Elaine drags him along on an African safari. Soon after arriving in Kenya, Carey meets a Maasai man and his son, who open Carey's eyes to the ways of their people and the beauty of the African landscape and wildlife. Their adventures turn suspenseful when they encounter an international poaching ring that trades illegally in rhino horns and elephant tusks. Explore the world of the Maasai people at Carey's side by reading

his journal, filled with his vivid accounts, photographs, and illustrations. Hudson Talbott has created an exciting, informative safari story that will fascinate readers of all ages. Exciting narration by Fred Berman (The Lion King on Broadway).

The Cigarette Century John Wiley & Sons

Someone has stolen the witch of Crookhaven's horse, and there will be no peace in the village until it is returned. So bold, brassy Kate O'Sullivan takes matters into her own hands. But instead of saving the day, she manages to land herself--and her family--in trouble with the king. So Kate sets out to save their hides the only way she knows how--with a good story. Filled with imagination, wit, and a healthy helping of good old-

fashioned Irish blarney, this is a hilarious tale that will keep readers coming back for more.

Creature Features Penguin

The heartwarming true story of two penguins who create a nontraditional family. At the penguin house at the Central Park Zoo, two penguins named Roy and Silo were a little bit different from the others. But their desire for a family was the same. And with the help of a kindly zookeeper, Roy and Silo got the chance to welcome a baby penguin of their very own.

Safari Journal DIANE Publishing

These legendary tales of knights and nobility in ancient Britain, rivetingly retold for today's readers, remain as fresh and exciting as the day they were first written. From the sword in the stone

to the lady in the lake, these stories bring to life the fantastic characters of Camelot: the wise wizard Merlin, the gallant Sir Lancelot, the wicked Morgan le Fay, and the beautiful Queen Guinevere.

Sir Thomas Malory's *Le Morte d'Arthur* is the basis for the vast literature concerning King Arthur and his Knights of the Round Table. Malory compiled, translated, and edited the tales from earlier French sources, and all later authors who added to Arthurian legend are indebted to his work. This handsome edition features 16 of Arthur Rackham's finest color illustrations, and Malory's text was edited for modern readers by English scholar Alfred W. Pollard. An essential treasury edition for any collector of Arthurian myths or Rackham enthusiast. Film fans will also cherish this deluxe hardcover: the stories have inspired numerous movie adaptations,

including the 2017 release *Knights of the Roundtable: King Arthur*, directed by Guy Ritchie and starring Charlie Hunnam, Jude Law, Eric Bana, Djimon Hounsou, and Annabelle Wallis.

Young Arthur Boydell & Brewer

Winner of a Newbery Honor! Soonie's great-grandma was just seven years old when she was sold to a big plantation without her ma and pa, and with only some fabric and needles to call her own. She pieced together bright patches with names like North Star and Crossroads, patches with secret meanings made into quilts called Show Ways -- maps for slaves to follow to freedom. When she grew up and had a little girl, she passed on this knowledge. And generations later, Soonie -- who was born free -- taught her own daughter how to sew

beautiful quilts to be sold at market and how to read. From slavery to freedom, through segregation, freedom marches and the fight for literacy, the tradition they called Show Way has been passed down by the women in Jacqueline Woodson's family as a way to remember the past and celebrate the possibilities of the future. Beautifully rendered in Hudson Talbott's luminous art, this moving, lyrical account pays tribute to women whose strength and knowledge illuminate their daughters' lives.

Penguin

Updated to include the most movie mega-hits, this sci-fi, fantasy, and horror movie guide has it all--the shockers, schlockers, blockbusters, bombs, cult faves, rare gems, classics, groundbreakers, gore-fests, space

operas, sorcery, Euro-splatter, and everything in between.

School Library Journal Scholastic Inc. Help readers improve reading skills while stimulating their appreciation and

increasing their understanding of great literature. Using a scaffolding approach, this guide leads readers from simple and engaging reads to more challenging texts, and simultaneously cultivates their interest and skills. An invaluable resource for middle and high school, ABE and ESL educators, as well as for readers' advisors. All readers—even those still learning to speak English—can enjoy the delights and benefits of great literature with the help of this motivational and practical book guide. Rosow takes you on a journey through the history of Western literature, beginning with ancient myths and moving to medieval tales and classics of the Renaissance, Romantic Movement, and Modernism. Along the way, she shows you how to give readers easy

access to some of the best literature of all time. Scores of collections focus on such ancient and enduring stories as Gilgamesh, Beowulf, the tales of Chaucer; historical masterpieces of William Shakespeare, Jane Austen, Edgar Allan Poe, Charles Dickens; and stellar names of more recent times, such as Virginia Woolf, John Steinbeck, Ernest Hemingway, and J.R.R. Tolkien. Each carefully selected collection lists an assortment of titles, ranging in reading level and arranged progressively from simple renditions, such as picture book re-tellings, through more advanced selections and readings where audio versions and simpler formatting support the reader, and on to the most challenging reads. Author profiles and narrative, as well as detailed

descriptions of each title provide further insights into the story lines and features of the books; while building a scaffold of reading experience and knowledge to help readers better understand the texts. For example, the Mark Twain collection begins with a brief biographical sketch of the author, followed by descriptions of two illustrated books about the author and two readers' theatre skits based on his work. A collection of Twain's short stories is recommended next, and then several illustrated versions of his novels, and an illustrated edition of Twain's memoir, *Life on the Mississippi*, which is supported by an audiotape version. Each recommended title is rated as start here, next read, support here, or challenging read; and related reads, and audio and

video versions are listed when appropriate. The author also notes author and student favorites, titles with exceptional illustrations, and other features of interest. Focus is on authors and titles of the Western canon that are generally available in library collections. Because some of the titles cited are older editions, this is a valuable collection development tool in libraries; as well as an essential resource for readers' advisors, Adult Basic Education, and English as Second Language educators, and young adult educators and librarians. Young adult and adult or Grades 9 and up.

The Romance of King Arthur and His Knights of the Round Table Vintage

"An absorbing portrait of the Arthurian age." —San Francisco Chronicle Among the first to look at the story of Camelot through Guinevere's eyes, Woolley sets the traditional tale in the time of its origin, after Britain has shattered into warring fiefdoms. Hampered by neither fantasy nor medieval romance, this young Guinevere is a feisty Celtic tomboy who sees no reason why she must learn to speak Latin, wear dresses, and go south to marry that king. But legends being what they are, the story of Arthur's rise to power soon intrigues her, and when they finally meet, Guinevere and Arthur form a partnership that has lasted for 1500 years. This is Arthurian epic at its best—filled with romance,

adventure, authentic Dark Ages detail, and wonderfully human people. Praise for Persia Woolley's Guinevere Trilogy "Original...accurate in detail...Child of the Northern Spring is rich and sweet."

—New York Times

"Vivid...dramatic...once again we are captivated by the magic of the legend that has long fed our appetite for pageantry and romantic adventure."

—Washington Post "Vividly re-creates sixth-century Britain in the throes of change...Child of the Northern Spring portrays a sensitive young woman who will appeal to modern readers."

—Publishers Weekly "Richly textured, evoking the sights and sounds of castle and countryside, the qualities of knight and servant. Highly recommended."

—Library Journal

From Wolf to Woof Berkley

From agriculture to big business, from medicine to politics, *The Cigarette Century* is the definitive account of how smoking came to be so deeply implicated in our culture, science, policy, and law. No product has been so heavily promoted or has become so deeply entrenched in American consciousness. *The Cigarette Century* shows in striking detail how one ephemeral (and largely useless) product came to play such a dominant role in so many aspects of our lives—and deaths.

Holt elements of literature first

course Bloomsbury Publishing USA

What will a person give to forsake his destiny? From his very incarnation, Mordred has been a pawn in Camelot's history. Foretold by Merlin that he will

grow up to kill his father, the beloved King Arthur, young Mordred struggles with his fate, loathing the great king who tried to kill him as a baby, yet journeying to Camelot where he learns to serve and idolize the legendary leader. Torn between feelings of love and hate, Mordred yearns to make peace with Arthur, who still refuses to acknowledge him. But Mordred is determined to have peace at any price--even if it costs him his soul. In *I Am Mordred*, one of the most fascinating and misunderstood heroes of Arthurian lore comes to life in an epic fantasy for Camelot fans. "In language worthy of her heroic subject, Springer reworks Arthuriana to craft an original tale resonant with archetypal themes of love, loss, betrayal and reconciliation. Her strong female

characters and bold recasting of traditional villains and heroes will draw the rapt attention of both sexes."

—Publishers Weekly

O'Sullivan Stew StarWalk Kids Media Welcome to the dark side of Camelot. The acclaimed author of *Mortal Engines* delivers a "powerfully inventive" re-creation of the King Arthur tale (Booklist, starred review). Gwynna is just a girl who is forced to run when her village is attacked and burns to the ground. To her horror, she is discovered, but it is Myrddin the bard, a traveler and spinner of tales, who has found her. He agrees to protect Gwynna if she will agree to be bound in service to him. Gwynna is frightened but intrigued, for this Myrddin serves the young, rough, and powerful Arthur. In the course of their travels,

Myrddin transforms Gwynna into the mysterious Lady of the Lake, a boy warrior, and a spy. It is part of a plot to transform Arthur from the leader of a ragtag war-band into King Arthur, the greatest hero of all time. If Gwynna and Myrddin's trickery is discovered, what will become of Gwynna? Worse, what will become of Arthur? Only the endless battling, the mighty belief of men, and the sheer cunning of one remarkable girl will tell. "Nodding to canon and history while not particularly following either

Reeve, like Myrddin, turns hallowed myth and supple prose to political purposes, neatly skewering the modern-day cult of spin and the age-old trickery behind it. Smart teens will love this." —Publishers Weekly (starred review) "Is there room for yet another reworking of the Arthur legend? If it's this one, yes . . . Absorbing, thought-provoking and unexpectedly timely." —Kirkus Reviews (starred review) "A multilayered tour de force for mature young readers." —School Library Journal
