A region-by-region guide that provides detailed information on "regional geography, history, recent

politics, population, economy, culture (including cuisine [and recipes]), and architecture and noteworthy sites."--p. [ix].

Hachette Tourisme

The containment policies aimed at regulating immigration flows towards Europe and emerging economies like South Africa have profoundly altered the dynamics of migration in Africa. Drawing on original empirical research, this volume explores the notion of threshold as an operative concept to envisage in turn: the discursive frameworks of containment policies, the challenges to local spaces and their equilibrium, and finally, the sense of liminality experienced by migrants caught in those situations.

Particularly in the humanities and social sciences, festschrifts are a popular forum for discussion. The IJBF provides quick and easy general access to these important resources for scholars and students. The festschrifts are located in state and regional libraries and their bibliographic details are recorded. Since 1983, more than 659,000 articles from more than 30,500 festschrifts,

published between 1977 and 2011, have been catalogued.

Reindeer Hunters of the Ice Age in Europe Lexington Books

Hotel Design, Planning and Development presents the most significant hotels developed internationally in the last ten years so that you can be well-informed of recent trends. The book outlines essential planning and design considerations based on the latest data, supported by technical information and illustrations, including original plans, so you can really study what works. The authors provide analysis and theory to support each of the major trends they present, highlighting how the designer's work fits into the industry's development as a whole. Extensive case studies demonstrate how a successful new concept is developed. Hotel Design, Planning and Development gives you a thorough overview of this important and fast-growing sector of the hospitality industry.

Approche de la Sécurité Par la Cohésion Sociale : Propositions Pour Une Nouvelle Gouvernance Socio-économique FeniXX

The Rough Guide Snapshot to Poitou-Charentes and the Atlantic coast is the ultimate travel guide to this beautiful southwestern region of France. It guides you through the area, with reliable

information and comprehensive coverage of all the sights and attractions, from scaling the magnificent Dune du Pyla - the largest sand dune in Europe - and visiting the mind-blowing film theme park, Futuroscope, to enjoying a night out in buzzing Bordeaux and exploring the history of cartoons in pretty Angoulême. Detailed maps and up-to-date listings pinpoint the best cafés, restaurants, hotels, shops, bars and nightlife, ensuring you have the most memorable trip possible, whether passing through, staying for the weekend or longer. Also included is the Basics section from The Rough Guide to France, with all the practical information you need for travelling in and around the country, including transport, food, drink, costs, health and festivals. Also published as part of The Rough Guide to France. Full coverage: Poitiers, Futuroscope, Marais Poitevin, The Vendée, La Rochelle, Île de Ré, Rochefort, Île d'Oléron, Royan, Saintes, Cognac, Angoulême, Bordeaux, The Médoc, St-Emilion, Entre-Deux-Mers, Côte d'Argent (Equivalent printed page extent 94 pages).

A Research Guide to the Ancient World: Print and Electronic Sources is a partially annotated bibliography that covers the study of the ancient world, and closes the traditional subject gap between the humanities and the social sciences in this area of study. This book is the only bibliographic resource available for such holistic coverage.

Guide Hachette des Vins 2019 Images Publishing

Of Stones and Man explores the many errors of judgement made by civilizations both ancient and modern across the world. Arrogance and a penchant for excess drove mankind to build ever greater and more ambitious edifices. The author analyzes these works from a scientific and historically-sensitive perspective, highlighting the hydro-geological background to repeated infamous disasters, from the faults inherent in the Sphinx to the leaning Tower of Pisa. Beautifully illustrated throughout, Of Stones and Man is a testament to the impermanence of our surroundings. It questions how the earth and its resources have borne the cumulative burden placed upon it over the ages by one civilization after another, and how, in turn, the earth has exacted its inevitable revenge on the great constructions of our ancestors. Of Stones and Man is the final work of Jean Kerisel (1908-2005) who served as President of the International Society for Soil Mechanics and Foundation Engineering from 1973 to 1977, and who worked worldwide as a consultant on many ambitious engineering projects. Driven by his great passion for Ancient Builders and Egyptology, Kerisel here extends his professional knowledge into the realms of historical architecture.

Dans la recherche de cohésion sociale, les auteurs préconisent l'action à long terme recherchant la synergie entre acteurs locaux, population et institutions afin d'encourager la responsabilité mutuelle et les valeurs de solidarité.

Les traces de la Nouvelle-France au Québec et en Poitou-Charentes FeniXX

This dictionary contains data not only on the origins of French surnames in Québec and Acadia, a great many of which eventually spread to many parts of North America, but also on those which

arrived in the United States directly from various French-speaking European and Caribbean countries. In addition to providing the etymology of the original surnames, it also lists the multifarious variants that have developed over the last four centuries. A unique feature of this work in comparison to other onomastics dictionaries is the inclusion of genealogical information on most of the Francophone migrants to this continent, something which has been rendered possible not only by the excellent record-keeping in French Canada since the very beginnings of the colony, but also through the explosion of such data on the internet in the last couple of decades. In sum, this dictionary serves the dual purpose of providing information on the meanings of French family names on the North American continent, as well as on the migrants who brought them there.

Le Sacré-Cœur de Montmartre FeniXX

This book undertakes a thorough study of Reindeer in the Upper Pleniglacial and Tardiglacial societies in France. It addresses two main topics – the economy of animal resources within the societies and the exploitation of Reindeer organized within the annual cycle, in terms of space and time, between 30,000 and 14,000 cal BP in France. The author proposes an analysis and hypothesis regarding the economy of animal resources and the nomadic cycle of the last Paleolithic hunter-gatherer societies, in order to identify a “Reindeer system.” The author discusses the relationship between Reindeer and human mobility and offers some conclusions regarding the annual cycles of nomadism. The volume scrutinizes the distinct eco systems in three regions and its effects on the movements of both human and animal. This book is of interest to zooarchaeologists and prehistorians.

Le Poitou-Charentes à coeur Action Artistique De Paris

Sous la direction de Marc St-Hilaire, Alain Roy, Mickaël Augeron et Dominique Guillemet Pendant un siècle et demi, la France et une bonne partie de l'Amérique ont vécu une histoire commune, celle de la Nouvelle-France. Au Québec et dans la région française de Poitou-Charentes, cette période s'est durablement inscrite dans les paysages, dans la culture matérielle, dans les archives et jusque dans la langue. Elle a ainsi légué un patrimoine considérable et laissé son empreinte dans les mémoires collectives française et, surtout, québécoise. C'est une partie de cet héritage, celle qui est perceptible dans les paysages au Québec et en Poitou-Charentes, que cet ouvrage invite à explorer. S'appuyant sur l'une ou l'autre des quelque 1 500 traces de la Nouvelle-France recensées sur les deux rives de l'Atlantique, les textes préparés par plus de 40 auteurs français et québécois convient à un voyage au carrefour de l'histoire et du patrimoine pour redécouvrir cette expérience commune et raviver la mémoire partagée qui en est issue.
