 This "oral

 " of Jimmy  
 Page, the  
 intensely  
 private  
 mastermind  
 behind Led

Zeppelin—one of the most enduring bands in rock history—is the most complete and revelatory portrait of the legendary guitarist ever published. More than 30 years after disbanding in 1980, Led Zeppelin continues to be celebrated for its artistic achievements, broad musical influence, and commercial success. The band's notorious exploits have been chronicled in bestselling books; yet

none of the individual members of the band has penned a memoir nor cooperated to any degree with the press or a biographer. In *Light & Shade*, Jimmy Page, the band's most reticent and inscrutable member, opens up to journalist Brad Tolinski, for the first time exploring his remarkable life and musical journey in great depth and intimate detail. Based on extensive interviews

conducted with the guitarist/producer over the past 20 years, *Light & Shade* encompasses Page's entire career, beginning with his early years as England's top session guitarist when he worked with artists ranging from Tom Jones, Shirley Bassey, and Burt Bacharach to the Kinks, The Who, and Eric Clapton. Page speaks frankly about his decadent yet immensely creative years in Led Zeppelin, his

synergistic relationships with band members Robert Plant, John Bonham, and John Paul Jones, and his notable post-Zeppelin pursuits. While examining every major track recorded by Zeppelin, including "Stairway to Heaven," "Whole Lotta Love," and "Kashmir," Page reflects on the band's sensational tours, the filming of the concert movie *The Song Remains the Same*, his fascination

with the occult, meeting Elvis Presley, and the making of the rock masterpiece Led Zeppelin IV, about which he offers a complete behind-the-scenes account. Additionally, the book is peppered with “sidebar” chapters that include conversations between Page and other guitar greats, including his childhood friend Jeff Beck and hipster icon Jack White. Through

Page’s own words, Light and Shade presents an unprecedented first-person view of one of the most important musicians of our era. *Led Zeppelin IV* Alfred Music Led Zeppelin's eighth studio album, released in 1979, showcases the band's poppier side. Drawing from more than 30 years of documentation, interviews, and recorded footage, this bass transcription book delivers unprecedented

Page formed a new touring band - The New Yardbirds - featuring himself on guitar, fellow London session ace John Paul Jones on bass and keyboards, John Bonham on drums, and Robert Plant on vocals, to finish the tour. Borrowing from an ironic dig from the Who's Keith Moon at the band's</p>	<p>likelihood for success, the band soon changed their name - and our whole concept of rock music. BR&gt;Their debut record, Led Zeppelin I, reached the U.S. Top Ten chart within two months of being released. This album- matching folio provides authentic guitar TAB for all the songs on the record. Released in 1982 and consisting of previously unreleased recordings, all songs from the album are presented here in notation and TAB. Songs include: We're Gonna Groove \* Poor Tom \* I Can't Quit You Baby \* Walter's Walk \* Ozone Baby \* Darlene \* Bonzo's Montreux \* Wearing and Tearing. Authentic Bass Tab Editions Alfred Music, in association with Led Zeppelin, is proud to present this new Platinum Album Edition boxed set containing TAB songbooks for the band's first five studio albums (Led Zeppelin, Led Zeppelin II, Led Zeppelin III, Led Zeppelin IV, and Houses of the Holy). Drawn from more than 30 years of documentation, interviews, and recorded footage, the all-new transcriptions featured in each book deliver unprecedented accuracy and insight into the guitar style of Jimmy Page.
