 How do you believe the  
 Bible all fits together?  
 Your answer to that  
 question will influence the  
 way you read and  
 interpret its different  
 parts. It also affects your  
 understanding of Jesus,  
 salvation, the church,  
 mission, and your identity  
 as one of God's redeemed  
 people. Unfortunately,  
 some have created an  
 artificial division between  
 the Old and New  
 Testaments because they

have overlooked a  
 fundamental part of the  
 Biblical narrative, which in  
 turn affects their reading  
 of Scripture. In *Forgotten  
 Covenant*, R.L. Watson  
 helps to recover this  
 neglected detail as he  
 shows that the Bible  
 contains one continuous  
 narrative, driven by the  
 fulfilment of the Covenant  
 Promises made with  
 Abraham. By reading, you  
 will gain not only a  
 deepened understanding  
 of how the Abrahamic  
 Covenant gives a map for  
 God's plan of redemption,  
 but you will also be able  
 to recognise its influence  
 on: The Exodus, The  
 occupation of the  
 Promised Land, The exile

and return, The person  
 and work of Christ, The  
 spread of the Gospel, and  
 The final, eternal  
 condition. More than that,  
 you will be encouraged by  
 the faithfulness and  
 sovereignty of God, be  
 better equipped to  
 understand the Scriptures  
 more deeply, and have a  
 greater appreciation for  
 the significance of that  
 man called Abraham.

 This is a rare New  
 Testament (3rd edition)  
 from the Aramaic  
 language of Jesus and his  
 countrymen of 1st century  
 Israel in a prose English

translation . Aramaic was used in Mel Gibson's film "The Passion of the Christ" to make the film as realistic and accurate as possible. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of "Eeshu" (Pronunciation of 'Jesus' in ancient Aramaic) as He originally spoke them, in a literal yet idiomatic English rendering. Much evidence is presented in notes demonstrating very powerfully that The Peshitta Aramaic NT is the original behind The Greek NT. There are many graphics and even photos from Dead Sea Scrolls to illustrate an Aramaic verse and how a reading was interpreted by a Greek translating the text, making this a unique scholarly study Bible in elegant Lucida Calligraphy font. 539 pages 6x9" Black & White; hardbound.

Read the Holy Bible like a novel, not like a textbook! This version of the Holy Bible capitalizes on a new presentation style that has become more popular over the last few years, and one that is closer to the original version than most current ones. We've dispensed with chapter and verse numbers (they weren't added until the 1200s and 1500s, respectively), and we've put books that were split apart because they wouldn't fit on a single scroll (e.g., Ezra and Nehemiah) back into single books. We've also rearranged some of the books so they follow a more logical timeline and progression. We keep books with the same audience or author, or same theme or timeline, together. This makes it more cohesive for you to

read. We've used the World English Bible, a readable translation that allows you to traverse the whole of God's word in thoroughly modern language. We hope you enjoy reading this new version of the Holy Bible, and may Yahweh bless you!

The Quran, a book which brings glad tidings to mankind along with divine admonition, stresses the importance of man's discovery of truth on both spiritual and intellectual planes. Every book has its objective and the objective of the Quran is to make man aware of the Creation plan of God. That is, to tell man why God created this world; what the purpose is of settling man on earth; what is required from man in his pre-death life span, and what he is going to confront after death. The purpose of the Quran is to make man aware of this reality, thus serving to guide man on his entire journey through life into the after-life. The main

themes of the Quran are enlightenment, closeness to God, peace and spirituality. The Quran uses several terms, tawassum, tadabbur, and tafakkur, which indicate the learning of lessons through reflection, thinking and contemplation on the signs of God scattered across the world. The present translation of the Quran and its explanatory notes are written keeping in mind these very themes. Koran, Qur'an, Coran, Kuran, Islam, Prophet Muhammad Forgotten Covenant Crossway

Al-Qur'an, the Guidance for mankind, is a unique translation of the Holy Qur'an in contemporary American English. It includes the Biography of the Prophet Muhammad, peace be upon him, his mission as a Prophet, his ranking as in the human history. Text is paragraphed by theme and theme is written in the margins on each page for easy reference. Its features include - (1) Field Testing the Communication of Divine Message: The unique feature of this translation is its field testing for over 3 1/2 years to improve the communication and understanding of the Divine Message. Translation passages were given to the New Muslim and Non-Muslim high school and college students for reading under the supervision of various Ulema (scholars). After reading, the person was asked to explain as to what he/she understood from the passage. If his/her understanding was the same as is in the Arabic Text of the Holy Qur'an then we concluded that we have been successful in conveying the Divine Message properly. If his/her understanding was

different than what the Qur'anic verses were stating, we kept on rewording the translation until those verses were understood properly. It was tremendous patience on part of the participants. May Allah reward them all. (2) Simplicity: In this translation Simple Language and Direct Approach is used for appealing to the common sense of scholars and common people. (3) Understandability: There are no foot notes to refer and no commentary or lengthy explanations to read. All necessary explanations have been incorporated right there in the text with italic type setting to differentiate from the translation of the meanings of Qur'anic Arabic Text. (4) Outline of Pertinent Information: Before the start of each Srah, information relating to its Period of Revelation, Major Issues, Divine Laws and Guidance has been presented as an outline. Then a summary of the preceding events has been tabulated for the reader to understand the historical background to grasp the full meaning of the Divine Message. (5) Reviews, Input and Approvals: This project was started in 1991 and

initial draft completed in 1994. Then the Translation was sent to different Ulema (Scholars) in Town and throughout United States for their review and input. After their reviews and input it was sent to Jme Al-Azhar Al-Sharif in Egypt, Ummal Qur in Saudi Arabia and International Islamic University in Pakistan for their review, input and approval. This translation was published after their reviews and approvals. [A New Testament commentary for English readers, by various writers, ed. by C.J. Ellicott](#) Tate Publishing

Following a productive career as a theological scholar, author, and minister, Bradford Whitfield and his wife, Nancy, retire to their hometown prepared to enjoy a life of leisure and travel. On September 11, 2001, just three months after their retirement, the terrorist attacks on American soil shock the nation, threaten world peace, and shatter the Whitfields' dreams of tranquility. As international relations continue to deteriorate, Brad is visited by his young cousin, Ezekiel Rogers, who has come to seek Brad's advice on a number of issues related

to his present position with the International Coalition on Middle Eastern Affairs headquartered in Egypt. A hastily arranged flight to the Middle East plunges Brad into a world of intrigue, danger, and heart-rending tragedy as he seeks to persuade old enemies that the New Covenant's ideal of dignity and unity is the world's last, best hope for peaceful co-existence. 'Jerry Abbett has accomplished a remarkable undertaking in his latest book, *The Covenant*. The gripping story puts together characters most unlikely to be in any way helpful in resolving difficult international problems.' -- Fr. Joseph F. Girzone

The Quran-Aerab provides grammar and translation of the Holy Quran. It has word-to-word translation and simple translation of verses. Each word of the Holy Quran is analyzed for its essential morphology (صرف) and syntax (نحو). This presentation aims to provide students of the Quran, translation, and grammar on one page instead of looking for such information in various

resources. The Grammar is split into two parts. For each word, the lower row shows root letters (مادة), past tense (فعل ماض), present and future tense (فعل مضارع), verbal noun (مصدر) and its form (باب). This information is mostly taken from Qurani Dictionary [1], Taleem-ul-Quran [2], and Bayan Quran [3]. The upper row shows Irabs extracted from Irab Books by Dr. Suleiman Yaqut [4] and Dr. Ali Munem Abdul Hameed (Noor-ul-Yaqeen) [5]. The word-to-word English translation is taken from QuranHive [6], and the verse translation is by Dr. Mustafa Khattab. Other books and dictionaries consulted are shown in the reference list provided below. The first word on every page is hyperlinked to the Irab Book by Dr. Suleiman Yaqut [4]. You can get more details when you click on it, such as the Irab of the sentences. This presentation will be useful for readers who can access it from anywhere in the world. It will benefit all students of the Quran and teachers alike in schools, colleges, and universities.

James A. Michener's masterly chronicle of South Africa is an epic tale of adventurers, scoundrels, and ministers, the best and worst of two continents who carve an empire out of a vast wilderness. From the Java-born Van Doorn family tree springs two great branches: one nurtures lush vineyards, the other settles the interior to become the first Trekboers and Afrikaners. The Nxumalos, inhabitants of a peaceful village unchanged for centuries, unite warrior tribes into the powerful Zulu nation. And the wealthy Saltwoods are missionaries and settlers who join the masses to influence the wars and politics that ravage a nation. Rivalries and passions spill across the land of The Covenant, a

story of courage and heroism, love and loyalty, and cruelty and betrayal, as generations fight to forge a new world.  
BONUS: This edition includes an excerpt from James A. Michener's Hawaii. Praise for The Covenant "A prodigious endeavor . . . Nowhere else could an American reader unfamiliar with South Africa get so full an understanding of its problems in so engaging a form."—The New York Times Book Review

Prophecy Unfulfilled represents a continuation of the author's quest for the truth of God, by firstly uncovering the untruths that he had been taught during his formative years as a Catholic. Earlier works focused on the claimed new (replacement) covenant, the rejection of the Sabbath, and the rejection of Torah. Using the rules of evidence as in a court of law, this study seeks to evaluate the claimed messianic prophecy fulfillment by Jesus, some two thousand years ago. The first part of the book discusses the nature of evidence and how the rules regarding written evidence vary

significantly from those of oral evidence, the latter being used most often by biblical scholars and Christian apologists. The first step is to authenticate the extant documents by examining the chain of custody and, thus, establish authority. Next is to authenticate the attributed authorship of the writings, to determine whether the authors were firsthand witnesses of the events they described, or whether their narratives are hearsay, with or without corroboration. Where little verbal agreement is found, this is circumstantial evidence of separate traditions developing the resultant theology. The study proceeds by examining every verse in the NKJV (New King James Version) of the New Testament that is annotated as being in fulfillment of prophecy, comparing the wording against both the NKJV Old Testament and an English translation of the Hebrew scriptures. Where significant variations exist, the author seeks an understanding from New Testament scholars, whom he frequently quotes. The eschatological temper of the early church is given due consideration,

especially concerning the expectations of the Jews regarding the mission of the Messiah. Finally, the accomplishments of Jesus, as enshrined in Christian creeds, is compared with what is spoken of by the prophets. The author's conclusion is encapsulated in the book's title.

You are beginning to realize that your Christian life has become stale. Church, while good, does not seem to be hitting the mark. You pray and read your Bible. You try your best to be a good person and obey the commandments. You do all this as a good Christian should, but you feel empty. Where is God? You wonder, "Why doesn't He answer my prayers?" Many Christians feel this way, and many of the ones who don't feel this way, should. In Revelation 2:4 Jesus tells the Church of Ephesus: "you have left your first love". How about you, have you left your first love? Would you like to return to Jesus, your first Love? Well, this book has something to say about that! It would be great if I could say to you, "just love Jesus more", and that would solve your problems. I

think you know that there is more to this story than that. We have a new Covenant with God through the shed blood of our Savior, Jesus Christ. Would you like to know what that Covenant is about? It is about a life of Faith in God. A life of Love, love of God first, and a love of others. It is a life lived with, of, and through God's Holy Spirit who is within us. Do you want to know how to live this life? When you read this book you will find how God defines these terms: Faith, Love, and Spirit. Also you will discover the pattern of how God has provided His covenants, all pointing to our new covenant in Christ. You are being called to repent and to walk with God, a walk as He has created it to be! God is talking to you! Will you listen?
