Wreck This Journal

Penguin

For anyone who's ever had trouble starting, keeping, or finishing a journal or sketchbook comes this expanded edition of *Wreck This Journal*, an illustrated book that features a subversive collection of prompts, asking readers to muster up their best mistake and mess-making abilities and to fill the pages of the book (or destroy them).

Wreck This Box Penguin

For anyone who's ever wished to, but had trouble starting, keeping, or finishing a journal or sketchbook comes 'Wreck This Journal', an illustrated book featuring a subversive collection of suggestions, asking readers to muster up their best mistake - and mess-making abilities to fill the pages of the book. Through a series of quirkily illustrated prompts, Keri Smith encourages journalers to engage in 'destructive' acts - poking holes through pages, adding photos and defacing them, painting with coffee, colouring outside the lines, and more - in order to experience the true creative process.

IMAGINARY WORLD

Penguin

In *The Exquisite Book*, one hundred indie artists play an ingenious version of the *Exquisite Corpse* drawing game. Each adorns a page with artwork having seen only the page of the artist immediately prior and using a single horizon line to connect the two. Some continue the "story" quite literally while others build on the previous page in more fanciful ways. This astonishing volume's format is as unique as its content, with each of the book's ten chapters residing on a ten-page accordion pull-out, allowing readers to view the art continuously. With an illustrated foreword by Dave Eggers, and art from such luminaries as James Jean and Jill Bliss, this

charming book is, simply, exquisite.

Remember those childhood days spent running in your bare feet, playing make-believe, and most of all, living life with wonderment? That youthful enthusiasm and playfulness are key to discovering who you are and what you love to do. *Living Out Loud* is the perfect prescription for a creative jump start to your life. Included are games, projects, activities, crafts, postcards, and playful ideas that will send you off on an exciting adventure, where you'll discover inspiration around and within you. From the internationally bestselling creator of *Wreck This Journal*... wan·der verb \ˈwän-dər\ to walk/explore/amble in an unplanned or aimless way with a complete openness to the unknown Several years ago when Keri Smith, bestselling author of *Wreck This Journal*, discovered cryptic handwritten notations in a worn copy of Walt Whitman's *Leaves of Grass*, her interest was piqued. Little did she know at the time that

those simple markings would become the basis of a years-long, life-changing exploration into a mysterious group known only as The Wander Society, as well as the subject of this book.

Within these pages, you'll find the results of Smith's research: A guide to the Wander Society, a secretive group that holds up the act of wandering, or unplanned exploring, as a way of life. You'll learn about the group's mysterious origins, meet fellow wanderers through time, discover how wandering feeds the creative mind, and learn how to best practice the art of wandering, should you choose to accept the mission.

"Not gonna lie, this is probably the coolest journal you'll ever see. . . . Wreck This Journal is here to inspire you."

—Buzzfeed A spectacular coloring and painting edition of the incredible journal that started it all, in celebration of the tenth anniversary of the 10-million-copy international bestseller Perhaps you're a seasoned Wreck-er, having made your way through one or more copies of Wreck This Journal. Or maybe you're

new to the phenomenon (little do you know, this experience might just change your life).

Whatever the case, you've found the perfect book to destroy...

Welcome to an all new-edition of Wreck This Journal, now in spectacular full color! Inside, you'll find prompts for painting, shredding, transforming, and unleashing your creativity. With a mix of new, altered, and favorite prompts, Wreck This Journal: Now in Color invites you to wreck with color: mixing colors to make mud, letting chance dictate your color choice, weaving with brightly colored strips of paper, and more. What colors will you use to you wreck your journal? "A conceptual artist and author luring kids into questioning the world and appreciating every smell, texture and mystery in it." —TIME Magazine "Keri Smith may well be the self-help guru this DIY generation deserves." —The Believer Mess Shambhala Publications From the internationally bestselling creator of Wreck This Journal comes an imaginative new project: fifty postcards that send you on a quest to reanimate everyday

life... Leave notes in public for strangers, dream up a tiny imaginary world, summon magic powers, draw a portrait of yourself as a hero, create your own treasure map, or access a secret portal whenever you wish. Don't you just love getting something unexpected in the mail? With Everything Is Connected, your mission is to reimagine your world—and the worlds of everyone around you—one postcard at a time. Creative, collaborative, and winkingly subversive, this postcard set is a manifesto, a mission, a game, and an invitation in one convenient package. Anti Journal Princeton Architectural Press Here are the ideas, experiments, and inspiration to unfold your imagination and get your writing to flow off the page! Wreck This Journal

Simon and Schuster

A deceptively simple adventure into the unknown using only paper, a pencil and a single line Wreck This Journal had a simple premise: destroy the book in all the ways you can imagine. The Line is even simpler: find pencil, start a line. As you move through the pages of Keri Smith's newest book, you'll be asked to let your line meander, explore the book's gutter, and jump around the edges of the pages. You'll hide your line, cut your line and even let someone else take over your line for a bit. The farther you get into the book, however, the more you'll discover that maybe things aren't as simple as they first seemed. The line has a mind of its own, and it's up to you to discover what's at the end of the line (hint: it's just the

beginning).

Do you believe in magic? Mia and her friends do! And when they meet the Star Animals, a whole world of magical adventures unfolds in this new chapter book series featuring black and white illustrations throughout. Mia and her star animal, a fox named Bracken, must use their special powers to stop the forces of dark magic. Mia's older sister has started acting strangely and the Star Animals sense dark magic at work. Soon Mia discovers that the new compact mirror that her sister, Cleo, has been using must be to blame. Can the girls use their newfound Star Magic to help make things right? In the Star Friends chapter book series, Mia and her friends Lexi, Sita, and Violet all discover that they are Star Friends -- they can communicate with the animals that

have traveled from the Star World. The animals show the girls how to use their unique magic abilities to do good. A whole world of magical adventures awaits! *Courageous World Changers* Wesleyan University Press

An Indie Next List Selection Keri Smith, creator of the mega-bestselling *Wreck This Journal*, now brings her imagination and inspiration to children with this picture book that explores the very active experience of reading. What if there were a book that changed every time you read it? Actually, every book does this. We are all part of the books we read, because our individual reactions,

ideas, and emotions make the book whole, and these things are changing all the time. Keri Smith has helped millions of people free their creativity and find their own voice with her interactive books, and now she brings that sensibility to children and to the act of reading. This picture book is an invitation to honor your own vision and to welcome imperfection. Kids will discover that reading can engage all five senses, and that what they themselves bring to a book is an important contribution. (And of course they'll be invited to do a bit of harmless "wrecking"!)

From the internationally bestselling creator of *Wreck This Journal*, a book that celebrates mistake- and mess-making like never before... Your whole life, you've been taught to avoid making a mess: try to keep everything under control, color inside the lines, make it perfect, and at all costs, avoid contact with things that stain. This book asks you to do the opposite of what you have been taught. Think of it as your own personal rumpus room. A place to let loose, to trash, to spew, to do the things you are not allowed to do in

the “real world.” There are only three rules you will find in this book: 1. Do not try to make something beautiful. 2. Do not think too much. (There is no “wrong.”) 3. Continue under all circumstances. It's time to make a mess.

Wreck This Journal (Black) Expanded Edition Penguin

From the internationally bestselling creator of *Wreck This Journal*, a curious, engaging, and creative rethinking of all the different things a book can be. In this uniquely skewed look at the purpose and function of a “book”, Keri Smith offers an illustrated guide that challenges readers to

creatively examine all the different ways *This Is Not a Book* can be used. With intriguing prompts, readers will discover that the book can be: A secret message—tear out a page, write a note on it for a stranger, and leave it in a public place. A recording device—have everyone you contact today write their name in the book. An instrument—create as many sounds as you can using the book, like flipping the pages fast or slapping the cover. *This Is Not a Book* forces you to ask, “If it’s not a book, what is it then?”—with a kaleidoscope of possible answers.
